Raising Meat Rabbits to Survive What's Coming Boundless 03/10/23 (Fri) 22:22:11 [No.39108](#)

Gardens Are Good. Raising Meat Rabbits is Even BETTER.

> and they produce tons of fantastic fertilizer that you can use in your garden.

You *Will* Need a Good Protein Source.

Rabbits are herbivores, and will not compete for grains with us.

Hunting and fishing are all fine and good for a VERY Short Time.

Remember, during the Depression ALL the Wildlife was virtually wiped out.

Raising backyard rabbits is the best way to survive. A few chickens for eggs too.

Never put all your eggs in one basket. Diversify your food sources. You can't live off of just a garden and some eggs.

But rabbits are EASY! 1 buck and 3 does will produce as much meat as an entire cow in a year... Close to 100 offspring. Easier to harvest too.

Between a rabbit tractor to roll around the yard so they always have fresh grass, and a few hutches, you can SURVIVE. There's not a lot of fat on 'em, but LOTS of Protein, and Very Little Upkeep. They eat grass and bark off yard cuttings, etc...

I'm building a rabbit tractor now.

HIGHLY RECOMMEND.

Not needing to mow as often is a huge plus.

Remember to put about 8" of wire around the base parallel with the ground so the little escape artists don't dig their way out, and to move it twice a day, because they eat a lot of grass.

> **“As much as we enjoyed the experience of raising, butchering, and eating these rabbits it no doubt comes with a weight as a carnivore. After all, it became very apparent that their blood was shed on our behalf. They ceased to exist so that we could continue to exist. Even if we were vegetarians, this would still ring true. Life is lost (be it the life of a rabbit or a potato) so that other life can be sustained.”**

If you read the comment section of the above link (and others), you will notice how far removed most folks are from their food sources, and how idiotic their thinking is.

Also, use the hopper popper, broomstick method or chain method. All of which are much better method than pellet gun. Too much can go wrong.

Trump is being arrested, and then convicted in a court of law

Everybody knows you got hepatitis C from being a needle Junkie

Your welfare disability and EBT food stamps are common knowledge now

.. maybe you shouldn't have made threats?

You gave Nancy hepatitis C, and she is a washed up prostitute with terrible taste in toothpicks

And both of your daughters are nothing more than walking sperm buckets

You can eat my shit, you fucking 115 lb broomstick coward piece of shit who couldn't defend himself against a 10-year-old girl

You pretend to be a biker but much like a Praying mantis, it would take you 7 minutes just to lift yourself up off that sofa where you lay on your back all day

I laughed my ass off when you recently lied about being healthy

Even when you were young and at your prime, you still could never be healthy, because you are quite literally a broomstick

You think the stupid fungus sponge hanging from your face makes you look like an intimidating biker?

I would love to pimp your stupid daughter's out.. even though I'm confident they are hideous

That doesn't matter because negro customers will still pay \$12 to empty their nuts into both of your daughters.. it's a two for one special

LOL at one of your daughters thinking she might be lesbian

That's okay, because when it's consensual she can have sex with women if that's what she prefers

But she won't have a choice when I'm pimping her out

And when your youngest daughter sees me and my friends beating your oldest daughter and raping her, she will quickly learn not to complain

NOPE !!! YOU'RE NOTHING BUT A HOT AIR BITCHBOY TOOTHPICK COWARD!!

YOU DON'T HAVE THE BALLS TO DO A GOD DAMN THING ABOUT IT (nor do you have the physical ability to lift yourself up off the sofa in less than 7 minutes)

You are the scary intimidating Civil War broom handle

I don't know if you realize how embarrassing it is to watch you talk about Civil War and gun rights

YOUR BICEPS ARE THINNER THAN YOUR MARFANS WRISTS

You're like a 7-year-old girl that's been stretched eight feet tall

You're like a praying mantis without the muscle

You are literally like an 8 ft tall weed growing between the crack of a sidewalk

My grandmother could have beaten your ass into the pavement

I honestly don't believe Nancy still talks to you anymore

If that worn out prostitute Nancy still hangs out with you, it proves she definitely has hepatitis C, because otherwise, he would still be out there turning tricks in your trailer park, you chicken coop white trash piece of shit

Your father was obviously stupid white trash, and your mother was obviously even more stupid because she married him

HIM.....

Yesterday, his attorneys and the United States Secret Service spent the entire day making security arrangements for his arrest on Tuesday, but Donald Trump is the only person who actually named the day..

I know a woman who works as a legal aid in the DA's office in Fulton County, and she told me a couple weeks ago they are definitely going to arrest him.

I called her last night and she said either Monday or Tuesday he's going to be arrested in New York then approximately one week later Fulton County is indicting him and arresting him
