THE PEOPLE'S CONVOY MISSION STATEMENT

Americans love our freedoms and love the Constitution of The United States of America. This convoy aims to bring back our freedoms, our civil liberties, and bring an end to all unconstitutional mandates. This is about our rights, as well as the freedom of future generations. It is not about political parties, but more so about a government that has forgotten its place and has no regard for our founding fathers' instructions, The Constitution.

It is Time to End THE DECLARATION OF NATIONAL EMERGENCY CONCERNING THE COVID-19 PANDEMIC and

RESTORE OUR NATION'S CONSTITUTION

"REPEAL THE COVID-19 EMERGENCY DECLARATION"

We are **not against** wearing masks
We are **not against** getting vaccines
We are **FOR** the right to make that choice for ourselves and for our children

What is the COVID-19 Emergency Declaration?

Like a "State of Emergency" declared for a region struck by a tornado, hurricane, earthquake, etc., it unlocks money needed for recovery. The declaration also gives the President Special Powers.

When a National Emergency is declared, the entire country is subject to those Special Powers.

President Trump declared a National Emergency with Proc. 9994 on March 13, 2020; President Biden extended it on Feb 24, 2021 and again March 18, 2022.
