

good day today. I found a fucking stay wild cat inside my home, literally sitting on top of a food storage stockpile almost as tall as the ceiling is in one of the corners of the room. Don't know how the fuck it got there, or when. Head to climb on it to get it down and throw it outside. Probably had fucking fleas too! I'm pissed. **Killcen from yesterday**

Some Try to DDoS the FREEDOM of "Others" Boundless 10/22/22 (Sat) 15:43:18 [No.18826](#) [\[Last50 Posts\]](#)

Leftists LOVE to Actually DDoS Reality!

They Will NOT Tolerate ANY Thoughts In ANYBODY Divergent to Their Own Contrived, Handed-Down Reality Based on Nothing But CONFORMITY to Their Own Hateful & Divisive Ideology.

Let me give a brief analogy that relates to how *Leftists*, like "**Johnny Neptune**" interact with "*Others*" in the area of "*Freedom-of-Speech*"...

Let's say there's a crosswalk crossing the street. You have the Freedom to cross the street on the crosswalk, and people who are driving vehicles have kind of an unspoken duty to stop for you and not run you down. What if, however, you choose to exercise your "*Freedom to cross the street on the crosswalk as a pedestrian*" over and over and over again, by walking back and forth across the street over and over and over again, until you are **DEFINITELY Impeding** on the Freedom of "*Others*" to drive down the road!

> **inb4 cars are bad, mmmkay?**

> **inb4 moar Diarrhea Hate-Spam from "Johnny Neptune" because he is incapable of grokking the above analogy, that even a child could understand – and EVERYONE Can See How the Analogy Applies to HIS Actions!**

As for the attached Video, EVERYONE Could Learn MUCH From Watching It.

We ALL Have Our Own Special Relationship With "Persona" and perhaps we ought to examine that relationship more, on occasion...

Here's another example of someone taking the stance of trying to Control the Behavior of "Others", and literally **DDoS**ing theirFREEDOM, then denying that that's what he's doing! Lying, and **B**lame-ing it on "Others"!

Boundless 01/25/23 (Wed) 18:43:22 [No.38771](#)

By the way, that song called Nasty Rhythm by the DJ creative thieves is one of my favorite fucking songs ever....

WHY ITS ONE OF MY FAVES :

It begins with water

And slowly gelatinates into the most hypnotic of melodies

And the black female vocalist is dynamite

100% authentic Groove and funk

And the lyrics of the song say it all

" it's the nasty rhythm. It's the hot stuff! "

The perfect groove while fucking your girl

It's the theme song to fucking

But then the interesting part happens:

GRANULATION

Her vocals suddenly become sliced with a razor blade, with the empty sections being so small that they are almost imperceptible

Sliced into digitally Surgical 32nds Segments

And as the mathematic equation continues, those tiny splices grow larger and larger, more empty space and less noise

The grains of sand are wearing down, and the empty spaces between them become more and more pronounced

Until her voice is so fragmented, that it's more reminiscent of nitrous oxide at the dentist office than an actual song
Anymore

in fact, I love NASTY RHYTHMSO MUCH

That I included it in two of my songs this past year

This Is My remix of I remember, and if you listen to the original song, then and probably only then will you be able to recognize how much of this remix is actually me, and how little of it is the original song...

Again, I refuse to go back to computers to sequence my music

I'm the one man Army against using computers

They serve no purpose anymore, clumsy and tethered and pretentious

So basically everything you're hearing in this song with the exception of the woman's vocals is actually me.. not the original song

I started from the ground up recreating the drums and ethereal synthesizers, then I added my own elements, like the grand piano and an even bigger half Tempo drum track, and a big fat 303.. then I went old school and sampled the lyrics "here come the best" from a HYBRID orb remix

So yeah.. I love the song Nasty Rhythm so much that you can hear it towards the end of this number

I like including it in everything now.. it's my theme song because I am basically a walking fuck stick with feet these days

So if you listen closely, you will hear a nasty rhythm in this song and it fits perfectly.. in fact, it fits so well you might not

even recognize it while it's happening.. but it's in there, so listen to this one more time, and keep an open mind about it

I included nasty rhythm in my talk talk remix of life's what you make it as well

This "**Johnny Neptune**" Persona is an insufferable Cunt who most intelligent people realize is not worth interacting with whatsoever in any way.

All he does is Attack Personas and LIE.

Case-In-Point:

> **you actually said some weird shit about guns and people like me being killed soon when people like you start some kind of trump Civil War garbage**

An oft repeated lie he continues to portray as some kind of truth, yet has never been able to back up his assertions with so much as a screenshot, let alone a link to said threats, because these threats only exist in his pathetic TDS imagination, where everything in the Universe is about the object of his obsession, a Persona named Trump, and the Hatred he feels toward anyone who does not Hate Trump as much as he does. **A Pathetic Lie and a Cry For Help.**

[>>38750](#)

> **I promise I won't be an asshole anymore**

But he won't be an asshole any less either!

Just Like the Serial Abuser his Persona IS.

[>>38752](#)

> **Notice that I've been an unimaginable abominable asshole to you, but I never made a threat**

This is one of the biggest whoppers he's ever made.

Andrew McGovern, aka "**Johnny Neptune**", has made repeated threats against me, my family, and most every single person he has ever interacted with in his life, at least online.

And I **WILL** Post PROOF! (Unlike him, because he *has* none for any of his assertions.)

This entire thread, in fact, relates to his idiotic behavior: [>>4373](#)

And here's two posts in that thread with attached PDFs showing the kind of threats he makes:

[>>18557](#)

[>>18594](#)

He threatens a LOT of Physical Violence, Including Repeatedly Threatening to Rape my daughters; especially when they were still minors.

The Stance that his Persona continuously takes is pathetic, weak, and hate-filled.

There is no reason that *anyone* in their right mind would *ever* interact with someone taking that Stance.

[>>38753](#)

He should be more concerned about his *own* health; especially his **mental health**.

[>>38754](#)

[>>38755](#)

[>>38756](#)

[>>38757](#)

How *little* he knows of ANYONE'S "**Conditions**"; including his own!

He mostly makes assumptions based on the LIES he's told himself, and repeated over and over and over again. Pathetic.

[>>38758](#)

[>>38759](#)

[>>38760](#)

[>>38761](#)

[>>38767](#)

[>>38768](#)

[>>38769](#)

[>>38770](#)

[>>38771](#)

[>>38772](#)

[>>38773](#)

He's wasting his time. I don't even click on any of his shit anymore.

I haven't found any value in *any* of it for quite some time.

[>>38774](#)

He thinks he knows where I live! **He doesn't.**

But he *is* correct about Yakima & Tri-Cities. **They Are Shitholes.** (I've been to both places.)

Luckily, I've never lived in those cities, and never will.

Not really into Cities of *any* kind.

The funniest part is that this "**Johnny Neptune**" Persona actually lives in Atlanta, Georgia!

And I realize he's going to insist that he lives in a different area (North Atlanta, Buckhead, which is rapidly turning into a worse shithole every second!) so it looks different there

But that's not true. The entire Atlanta, Georgia area looks so damn depressing and dismal and dehumanizing and deplorable

That's my opinion, and I'm sticking with it.

We *can*, however, agree on one thing:

[>>38775](#)

> **It's a real shit show out there**

Mostly because:

[>>18826](#)

> **Some Try to DDoS the FREEDOM of "Others"**

with their shit-show.

Just like this "**Johnny Neptune**" Persona constantly does.

TUCKER CARLSON'S SECRET TEXTS EXPOSED IN LAWSUIT 02/17/23 (Fri) 20:00:06 [No.38914](#)

what the Fox News documents revealed:

■ "Watching Giuliani! Really crazy stuff. And damaging," Rupert Murdoch said in an email in mid-November, as the network he founded broadcast a lengthy, rambling press conference in which Trump lawyers Rudy Giuliani and Powell made allegations of hackable voting machines and a wide-ranging conspiracy involving foreign communists.

■ Tucker Carlson told a producer soon after the election that Powell "is lying" about voter fraud, the documents show. Carlson would text Fox News host Laura Ingraham the same thing later in the month, adding that "it's insane" and "it's unbelievably offensive to me. Our viewers are good people and they believe it."

■ "She is a f-- nutcase," wrote Carlson's producer, Alex Pfeiffer, referring to Powell.

■ "This dominion s— is going to give me a fucking aneurysm," Ingraham's producer, Tommy Firth, wrote at one point, according to the filing. Firth had concluded the Dominion claims were false, according to the filing.

In the filing, Dominion alleges that Fox News actively participated in shaping the narrative of a stolen election, even as Powell was sending hosts outlandish claims.

In an email Powell shared with Fox News host Maria Bartiromo ahead of an appearance on the network, a "source" advances allegations about Dominion alongside claims that U.S. Supreme Court Justice Antonin Scalia, who died earlier that year of a heart attack, had been murdered in a "human hunting expedition" and that she communicated with "the Wind."

"It's one of the nicest places in the country," Carlson said of Buckhead on Tuesday. "Beautiful. Placid. Nice people, from all over the country."

Actually healthier, in every aspect of my life, than I've been since I was a teenager. Even stopped smoking THC Dab last summer!

< **While Johnny continues to smoke joints of disgusting vegetable matter, on top of his crippling emphysema!**

I don't think he has long for this world, and he *knows* it. Not that he cares. He hates humans anyway. He's just waiting for the suicide pods to be available here too. **His misery is so obvious.** I tried to help him, but he's not interested in anything but spreading negativity and hate.

> **Just busy creating a positive future.**

As we *all* should be doing.

Have found that exercise is the best pain reliever. That, and *pranayama*. **Highly Recommend.** (Look Up *Tummo*. Even the Wikipedia article has got a lot of good information. On certain subjects they still do. Their article on *Mahamudra* isn't bad either.)

Keep Posting REAL News, Killcen! If, for no other reason than to give Johnny something to direct his childish attacks toward. I just don't have the time to interact with him.

Johnny is still unaware that Raffensperger is actually the one who committed crimes! He still thinks he's been posting the "*full tape of the phone call*", when it was obviously edited to try to make Trump look bad.

I have *never* liked Trump, the *person*, or the *persona*, but **no one can deny that President Donald J. Trump is on the side of The People.** Can any of the so called "*leaders*" that Johnny supports give off that impression in any way whatsoever? **There is soon to be a Reckoning.**

lol @ him thinking that the Tucker Carlson texts prove anything besides what he repeatedly said on air, in public! EVERYONE Has ALWAYS Thought That Sydney Powell Was a Buffoon!(With the possible exception of many Qturds; but everyone thinks they are buffoons too. **Controlled Opposition.** They actually don't know that they're following and believing in the content delivered by bots. **The evidence is quite clear.**)

I'll be back on occasion to post things I consider important, and to push Johnny Neptune's buttons, for his own spiritual growth, of course! I can't say that he hasn't helped with mine!

He may be a miserable cretin, but as an example for how **NOT** to act as an adult, his stance provides excellent specimens.

> **inb4 stool specimens**

There's some shit going on with this site again (and I don't think Jim likes me very much, considering he's still courting the Qturds), so may make myself scarce while I concentrate on more important things for awhile...

ENJOY!

Leftard Marxist Progressives seem to be confused between "*Freedom of Speech*" and "*Freedom of Reach*".

Diarrhea Hate Spam is **NOT** "*Speech*".

Grow Up.

Educate Yourself, Jewny Nigturd!

See your thread at: >>>/pnd/368153

And my reply:

>>>/pnd/368169

(You) are actually a nigger.

A dumfuck Religionist.

A Climate Alarmist, Human-Hating 'Woke' Religionist [in case (You) needed some labels.]

(You) are not even *homo sapiens*.

(You) **are** *Homo Borg Genesis*.

"*Human Rights*" no longer applies to (You)r kind.

Did I mention (You) are also a LIAR?

Yeah, (You) Are a LIAR, who cannot even remember (You)r own LIES.

(You) Took the Shot.

MY COMMENT TO KILLCEN: I cannot disclose my employment, but suffice it to say that it has a lot more value to humanity than shitposting on the chans, and it takes up most of my time, not to mention all the many hours a day I spend on the homestead with the garden, chickens and rabbits. I obviously will not have time to hang out on the chans for a long long time. I won't be interacting with idiots like Jewny Neptroon either, although I'll push his buttons on occasion just to watch him spin.

> **Imagine having such a bad case of TDS that one cannot think of anything whatsoever without relating it to Trump & Trumpanzees, and wasting one's entire life on lying about "Others" and trying to tear down "Personas"!**

Imagine believing anything that Jewny Nigturd says!

Imagine giving a fuck what "Others" believe about one's "Persona"!

Imagine letting anyone "else" define oneself, or taking those definitions seriously.

>>>/pnd/368569

ANOTHER TIP FOR KILLCEN:

I don't have time to post much at all on Odysee either (or anywhere "else".)

I'm busy preparing for what's coming, and have no need to convince anyone of anything, or provide much in the way of information to the masses, most of whom are not interested enough to matter to my community.

Title: The Trumpster Redemption

INT. TRUMPSTER PRISON - NIGHT

A dark, imposing prison stands tall in the night. The year is 1994. A bus arrives, carrying a group of prisoners, including DONALD TRUMP, a wealthy businessman convicted for tax fraud and various other crimes. The prisoners are led by the warden WARDEN NORTON and his assistant, chief guard, CAPTAIN HADLEY.

INT. PRISON - DAY

Trump arrives at his cell, meeting his cellmate, ELLIOT "TED" REDDING, an inmate who has already served a long time at Trumpster.

RED

Donald Trump. The man who had everything, now in a place where he has nothing.

INT. PRISON HALL - DAY

Trump and Red sit together, eating the prison food.

TRUMP

You know, Red, I could make this place great again. It just needs a few improvements, some gold-plated walls, a luxury golf course.

RED

Donald.

The last I heard, Donald, it's a prison.

INT. PRISON HALL - DAY

Trump and Red continue their conversation, surrounded by a group of other inmates.

TRUMP

Red, I need you to get me some things. You're the guy who can get things, right?

RED

Sure.

What have I been known to locate certain items from time to time. What do you need?

TRUMP

I need a clock, a rock hammer, and a large poster of banker Trump.

File: [314a18a6198eb30...png](#)
(106.21 KB,1886x1482,943:741,Fr0PjW9WcAM3XCg.png)

RED

Nothing on my mind.

A poster of your daughter? That's... unusual.

TRUMP

Your son, Red. I have a plan. A revolutionary plan.

INT. PRISON LIBRARY - DAY

Trump works as an assistant librarian under the watchful eye of the old, wise librarian, BIRDSONG. He uses his business acumen to organize the library and improve the educational opportunities for the inmates.

TRUMP

Librarian.

I know that to make Trumpster great again, I needed to start with the library. Knowledge is power, after all.

INT. PRISON CELL - NIGHT

Trump carefully cleans away at the wall behind his bunk, peering with his rock hammer.

INT. PRISON - HADLEY'S OFFICE

Warden Norton discusses what Trump has been using his position in the library to help launder money for the prison staff.

NORTON

Trump?

Yes, there you can assist me, Trump? You're here for a mission.

TRUMP

Anything.

Warden, this is a business plan. I know how to make a deal. You set the conditions, and we both benefit. It's a win-win.

NORTON

Anything?

You better keep your end of the bargain, Trump. Or else.

INT. PRISON HALL - DAY

Trump confides in Red about his plan.

TRUMP

You been digging a tunnel, Red? The going is rough, and when I do, I'll reward Norton and Hadley for their corruption.

Atlanta has a PERFECT holding cell for him on Rice Street

How's the prostitute doing?... tell her I said hello

Cope Harder, Faggot!

> ...**arrest imminent...any day now...**

for 7 years straight, and counting...

TDS is a Mental Disease.

The evidence is clear that Trump will NOT be arrested for the Stormy Daniels thing because it was Cohen who paid her off and Trump never reimbursed Cohen for that. As in, Trump did NOT pay Stormy Daniels *any* hush money! **No arrest will happen**, at least not for that. (Besides, it would have only been a misdemeanor, on which the statute of limitations had already run out. Bragg has nothing to brag about, unless it is his own possible arrest!)

That being said, I would still rather have Rand Paul run. I think Trump should admit he was wrong about the 'vaccines' and should commit to getting Big Pharma out of the business of lobbying members of Congress and also paying off the media. He should stop the Big Pharma advertising to people on TV too. Fuck Big Pharma. If he just did that he could win in a landslide. Especially if he commits to revamping the Intel Agencies and draining the Deep State Globalist Swamp, FOR REAL This Time. **Rand Paul would commit to all that.** He's pounding Big Pharma, the Deep State and the Media right now; not to mention slamming the dirty conflict-of-interest lobbying money paid to people in government, to Congressional leaders, and to the media.

But Trump will be unstoppable, especially if he picks Kari Lake as VP. Of course, she could actually very soon take the Arizona Governorship instead (which looks much more likely today, after her win at the State Supreme Court on the subject of signature verifications), so, like I said...

Cope More, Faggot, and Cry Harder.

Dubs confirms that (You) must have me confused with some little bitch that falls for different phases of (You)r serial abuse tactics.

> **hurr durr, I'm sorry for my offensive misconduct. My mom just died**

< **hurls more abuse**

Go find someone who cares, ya lonely little bitch boi with no friends who hangs out on 8kun all day every day, tearing down personas, hoping someone will pay (You) attention rather than beat (You) down like the Attention Whore the Persona, Jewny Neptroon, constantly acts like.

Serial Abuser Attention Whore Spotted.

It doesn't matter what phase (You)re in, or what (You) say — EVER. **Karma Exists.**

Maybe (You)'ll catch a clue as to How "Others" See (You).

Yes, I AM Enjoying This Moment in History!

Watching the Ineptitude of Those Whose Actions Are Ruled by HATE, and Watching Them DESTROY Themselves is a Great JOY.

In case you were unaware, the Hatred of TDS Sufferers has caused them to turn a *Persona* into a **Symbol**. Trump is no longer a *Persona*. He is now a **Symbol** of ALL *The People* (even JN) who have been manipulated, controlled, tortured and enslaved by the *powers-that-ought-not be*.

I would suggest watching the video embed at [>>39499](#) for more clarification on this, and every other matter. Why JN fights AGAINST *The People* is no great mystery. He has grown to **love** his slave fetters, and will remain distracted forevermore, refusing to educate himself, let alone work for FREEDOM. **He is on the Wrong Side of History.**

yesterday, the monkey was deposed in the NY falsification of business records civil litigation.

in this civil case, unlike a criminal case, the jury is instructed that if a defendant pleads the fifth, it CAN be interpreted as admitting guilt and or liability.

so the monkey's attorneys advised him to TESTIFY instead of pleading the 5th amendment

which he did... in fact, the illiterate monkey testified for SEVEN OURS yesterday

AND GAVE INCRIMINATING EVIDENCE THAT WILL BE USED AGAINST HIM IN THE CRIMINAL TRIAL

He had no choice but to answer the questions this time, instead of blindly avoiding them as he has in the past, pleading the fifth.. and this time, his answers proved he's definitely guilty in the criminal trial that he was just recently arrested for.

Things are going pretty good here, at least they're not going badly. I guess I'm just thankful for the small things these days. Simply waking up and seeing another beautiful sunrise while I drink a cup of coffee makes it all worthwhile.

That, and my desire to continue making the world a better place, trying to put a smile on people's faces whenever possible, making people happy.

coincidental, at least I think so....

because Wendy named **Sexy** the second she first saw him as a kitten (he was SO fucking adorable)and then a couple months later, after we rescued him from a certain doom, I was petting him when it hit me :

" BOOM BOOM "

SEXY BOOM BOOM

I said "hey sexy boom boom" and he started purring, and Wendy busted out laughing, because it fit perfectly :

SEXY + BOOM BOOM = CATCHY AS FUCK

so it turns out there was a song called SEXY BOOM BOOM from 11 years ago...

this video begins NBA lame boring intro
