[@Laqueesha Majors](#) 8kun is broken right now

I'll post the news batch as soon as its fixed (edited)

Laqueesha Majors 4:18 PM
oh, I just woke up. Is anyone working on it?

johnstevens 4:19 PM
not sure

Laqueesha Majors 4:19 PM
what is broke?

johnstevens 4:19 PM
posting

and creating threads

its been broken for a few hours now, I've already told [@LJ](#) and [@Lance](#), although it's best if you check in yourself and see what's going on seems like an issue with the posting server because sometimes it works and other times it doesn't (edited)

Laqueesha Majors 4:21 PM
okay

johnstevens 4:21 PM
I know it's early, so I don't really blame them. even If I'm kinda frustrated. lol

Laqueesha Majors 4:22 PM
the roosters just started crowing here

johnstevens 4:22 PM
yeah I know

it can't be helped

Kinda like when you're on hold for an hour with the bank

No one's at fault, but it's just frustrating

Laqueesha Majors 4:26 PM

Laqueesha Majors 4:35 PM

johnstevens 4:43 PM
I think so, I'll double check

also I don't like the bird thread
can we get rid of it?

 **Laqueesha Majors** 4:47 PM
no

 **johnstevens** 4:47 PM
gives neptune a place to congregate
well alright

 **Laqueesha Majors** 4:47 PM
if he just stays there it is okay
and don't call him neptune
it is Fred and his cronies

 **johnstevens** 4:47 PM
whatever he's called

 **Laqueesha Majors** 4:48 PM
anyway. Just do it like I taught you and it will work.

Rebuilding the internet

The first thing that needs to be said is that Tor is controlled by the CIA and Zeronet is a honeypot. More and more people are moving to the Blockchain web as censorship increases. One of those projects is Lokinet.<https://loki.network/getstarted/Another> is currently under development called Odin, however I think it's another Tor alternative that is being developed by Ron Watkins.<https://isitwetyet.com/odin/For> some background, the owners of 8chan/kun have been collaborating with the Lokinet dev team to host 8kun as they are ideologically aligned and want a robust censorship resistant network to host free speech content. Anyone can use it, they even have their own hidden wiki. Our presence on... [Show more](#)

if you get rid of him one place, he goes another

 **johnstevens** 4:49 PM
fair enough

 **Laqueesha Majors** 4:50 PM
don't read his crap, just delete and ban
not on that board of course, but on newsplus

 **johnstevens** 4:50 PM
I know, but I gotta make sure its him

 **Laqueesha Majors** 4:50 PM
delete and ban delete and ban
no need

 **johnstevens** 4:50 PM
also you free to chat?
like voice chat

 **Laqueesha Majors** 4:50 PM
no
never

I don't like to talk

 **johnstevens** 4:50 PM
you love making youtube videos
lol

 **Laqueesha Majors** 4:50 PM
I have to save my voice for that

 **johnstevens** 4:50 PM
fair enough

 **Laqueesha Majors** 4:51 PM
and everyone is sleeping here

 **johnstevens** 4:51 PM
ah, that make sense too

I just wanted to talk about some concerns I have about the whole mastercard and all that stuff

 **Laqueesha Majors** 4:51 PM
what you don't realize is that everything we do is coordinated.

If you don't do what is asked of you, then next thing breaks

 **johnstevens** 4:51 PM
Oh, so you have a plan

 **Laqueesha Majors** 4:51 PM
it is all connected in a web

but it never works, when nobody follows the directions

which board is most important?

and that is the one that is always ignored

 **johnstevens** 4:52 PM
/qresearch/?\

 **Laqueesha Majors** 4:52 PM
muh, I don't have time for newsplus

 **johnstevens** 4:52 PM
/newsplus/

?

 **Laqueesha Majors** 4:53 PM
qresearch is not important. they will all go away in November

newsplus is the important boards

don't you think we need some more reporters for it?

and someone other than me to back it up publicly?

johnstevens 4:53 PM

good to know you're aware that the Q people aren't loyal

well the problem is that the media is in a bad spot right now

Laqueesha Majors 4:53 PM

and delete without even thinking when it smells like fred

johnstevens 4:54 PM

those who want to support us can't due to companies like google and such making lies and fake news about us

take THQ Nordic for instance

Laqueesha Majors 4:54 PM

and if /n/ had been any good people wouldn't have left it. It was not real news so it didn't take off

johnstevens 4:54 PM

people still rag on them to this day because they dared talk with us

Laqueesha Majors 4:54 PM

yes so concentrate on the news

and get the news from LOCAL sources

not from the ones controlled by MEDIAMATTERS

not people

johnstevens 4:55 PM

even the local sources are trying to upgrade their paycheck

Laqueesha Majors 4:55 PM

half humans and only a few. Just noisy ones

that is okay

nothing wrong with that

johnstevens 4:55 PM

Listen, my point is that unless we sue daily dot and show them we mean business, we're not gonna be seen as a "news site"

Laqueesha Majors 4:55 PM

the local papers will support us, if we support them

not the major ones

johnstevens 4:56 PM

they won't

I know because I have friends in the media, as I'm sure you do as well

Laqueesha Majors 4:56 PM

I don't see your media friends

where is their story on newsplus?

johnstevens 4:56 PM

They said that they're afraid of potential assault on themselves

Laqueesha Majors 4:56 PM

they are not your friend then

johnstevens 4:57 PM

They're my friends, but they're afraid of being assaulted

Laqueesha Majors 4:57 PM

useless

I am paying you to work on newsplus

johnstevens 4:57 PM

listen, my point is that the media wants our heads

and I am

Laqueesha Majors 4:57 PM

I give a shit about v

fuck v

delete v

johnstevens 4:57 PM

I'm just giving my two cents

wait what?

Laqueesha Majors 4:57 PM

I gie a shit about tt

johnstevens 4:57 PM

I worked five years on v

Laqueesha Majors 4:57 PM

I could care less about v

I don't pay you for v

johnstevens 4:57 PM

don't delete it

Laqueesha Majors 4:58 PM

please work on newsplus

johnstevens 4:58 PM

I DO work on it

Laqueesha Majors 4:58 PM

tnat is all i want

johnstevens 4:58 PM

alright

Laqueesha Majors 4:58 PM

thank you

 **johnstevens** 4:58 PM
but I'm just trying to say that people in journalism can't be trusted

 **Laqueesha Majors** 4:58 PM
I am the only one that recruits people to post on it

 **johnstevens** 4:58 PM
they hate us because we speak the truth

 **Laqueesha Majors** 4:58 PM
where is any that you have recruited?

 **johnstevens** 4:58 PM
I'll do what you say

 **Laqueesha Majors** 4:59 PM
thank you

 **johnstevens** 4:59 PM
even if I disagree with it

 **Laqueesha Majors** 4:59 PM
we need more CAP on newsplus to post more stories
disagree with waht?

 **johnstevens** 4:59 PM
the whole idea that newsplus is the most important board and that reporters are willing to help us

 **Laqueesha Majors** 5:00 PM
then you don't belong in this organization

 **johnstevens** 5:00 PM
obviously that doesn't change my mind in helping oyu

 **Laqueesha Majors** 5:00 PM
go back to 4chan

 **johnstevens** 5:00 PM
I'm loyal and will continue to be

 **Laqueesha Majors** 5:00 PM
go play Utopia dance on your playstation

 **johnstevens** 5:00 PM
I'm not quitting
at least not yet

 **Laqueesha Majors** 5:00 PM
whatever
quit or not, but newsplus is what you are paid for, and there is never going to be a raise if it never grows, and only I get reporters.
or when I have time to post news

 **johnstevens** 5:01 PM
ah, I gotcha

 **Laqueesha Majors** 5:01 PM
then it gets users
but it can't just be me. I have a fucking lot of people to manage
aahhhhh
finally6y
arghhh

 **johnstevens** 5:02 PM
no I mean, I'm saying I understand

 **Laqueesha Majors** 5:02 PM
just concentrate on newsplus

 **johnstevens** 5:02 PM
err forget it
alright

 **Laqueesha Majors** 5:02 PM
and please don't make me YELL at you anymore

 **johnstevens** 5:02 PM
I'm not arguing
I'm saying I'll do what you want

 **Laqueesha Majors** 5:02 PM
thank you

 **johnstevens** 5:02 PM
even if I disagree with it

 **Laqueesha Majors** 5:03 PM
dand put a link to the reporter
you don't do that

 **johnstevens** 5:03 PM
what're you talking about, I do what you do

 **Laqueesha Majors** 5:03 PM
and you don't capitalize the first letter of each word on the title
you just copy and paste
fuck copy paste

 **johnstevens** 5:03 PM
well alright...

 **Laqueesha Majors** 5:03 PM
follow the directions and it gets big
have a nice day

 **johnstevens** 5:04 PM
you too

Laqueesha Majors 5:05 PM

this looks like shit.

johnstevens 5:05 PM

looks fine

what about it?

Laqueesha Majors 5:05 PM

headlines have a rule to follow

that is the AP rule for headlines

you just copy and paste

it won't ever be good if you don't really do it the way I say

and if your friends don't support what you do, then they are not friends

they are frienemy

uselss

johnstevens 5:07 PM

I got it

Laqueesha Majors 5:07 PM

I don't see why I can't have better news on my newsplus board

news news

when I turn my head away, you ignore it

news news news

think about the news

get help posting news

make more reporters

if you have friends, then ask your friends

if they won't help you, then what kind of friend is that?

johnstevens 5:09 PM

you're right

Laqueesha Majors 5:09 PM

so let's make newsplus big Mark

taht is what is important

I will spend some time on newsplus today, but I can't everyday. I have to do things like pay people

why I pay people .I don't know

they don't do what I ask

but don't put any headlines that you have not edited properly

johnstevens 5:11 PM

Understood, so basically the formatting is important

duely noted

Laqueesha Majors 5:11 PM

YES

it is big reason why there is no /n/ on the front of our website

we are responsible for what goes on the front of our website

LIKE THIS

By Alana Mastrangelo

@ARmastrangelo

WHERE IS THE LINK?

Why can't you follow simple directions

a link

johnstevens 5:16 PM

Ok Ok

Laqueesha Majors 5:16 PM

if there is no reporter link, then that story is suspect

johnstevens 5:16 PM

I'll post a link to the twitter account

Laqueesha Majors 5:17 PM

twitter, mukrack, the actual news site the story came from etc

but a link

we are not hurt by links

I should not have to constantly repeat that

a link

By Marisa Schultz

@marisa_schultz

I gave you the format that works

and you don't follow it

you did it here. *By Anders Hagstrom*

<https://dailycaller.com/author/anders.h/>

 **dailycaller.com**
The Daily Caller

Today's entertainment gossip and chatter

good

John Stevens 5:20 PM

alright, no more twitter links then

got it

Laqueesha Majors 5:20 PM

twitter is okya

but PUT THE LINK

give those reporters a reason to want to write a good story

PUT a link

find the reporter that wrote the story and credit him and put his link

whether it is TWITTER, MUCKRACK or the news site

all okay

but the link needs to be there

my news is not used because of you

your fault

because you don't follow the rules

please fix it

please

John Stevens 5:22 PM

I'm sorry

I'll try following the format better

Laqueesha Majors 5:22 PM

not better, it is EASY, just please do it

let's concentrate on this mark. I like you. You are good at things, when you want to be

but this has to be fixed. It is a deal breaker for me, and I am tired of it.

There is no pol right?

IS CHRIS A FAG? /POL/ TOLD ME ONLY FAGS GET WUHAN VIRUS

that is just spam

John Stevens 5:26 PM

got it

Laqueesha Majors 5:28 PM

I like you Mark. I know you are always asking me for more money

but think about it

nothing on 8chan makes any money at all

if we can get the news working, then that will help a lot

the nordic company won't pay us money unless we can change the narrative

and you can't sue billionaires without dying

so the only way to change it is to build up the news

and we can't even sell games on our game website

so what is the use of it?

I am paying for a platform to sell advertising on

but if the people I have helping me, can't see that then it is really useless

so let's make the news more useful

and if they are spending so much time to fight us. that is our real enemy,

don't be them

we need to sell games

I think we should put a NORDIC banner up
