

# END US GOVERNMENT SUPPORT TO ISRAEL!

Since Israel began its war against Gaza, the US Federal Government has given tens of billions of dollars to support Israel's genocidal war against the Palestinians.

While at the same time it is safe to say that the same US Federal Government has given nothing to try and help America's rapidly increasing homeless population.

Americans will continue to suffer and die as long as Israel continues to exist.

Go out and support your local pro-Palestinian demonstration, or create your own demonstration in your own local area.
