The screenshot shows a text editor window with a dark theme. The text from the previous screenshot is pasted into the editor. The editor's status bar at the bottom indicates 'Ln 212, Col 48', '14,498 characters', '100%', 'Windows (CRLF)', and 'UTF-8'. The text content is identical to the one shown in the first screenshot.

This is a useful tool for doing research. Thank you to the opensource developers that worked on it. Let's do some digging.
