[Re\_drop] What happens when 90% of the media is controlled/owned by (6) corporations? What happens when those same corporations are operated and controlled by a political ideology? What happens when the news is no longer free from bias? What happens when the news is no longer reliable and independent? What happens when the news is no longer trustworthy? What happens when the news simply becomes an extension/arm of a political party? Fact becomes fiction? Fiction becomes fact? When does news become propaganda? Identity creation?

INFORMATION WARFARE.

Q Ask yourself, why are Liberals always Angry? Why do they create emotional outbursts when challenged? A Because they have been Programmed. Emotions override logic. Emotionally triggered people are easier to control.

Why were marches immediately organized which divided people into sex/gender, race, [ism]? When you control the levers of news dissemination, you control the narrative. Control of the narrative = power When you are blind, what do you see? They want you divided. Divided by religion. Divided by sex. Divided by political affiliation. Divided by class. When you are divided, and angry, and controlled, you target those 'different' from you, not those responsible [controllers]. When you are weak, Divided you pose no threat to their control.

How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction? Majority of people more prone to believe someone in power sitting behind a big brand 'news' name? Do people [human psyche] tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned? 'Mainstream' is used for a reason [dominate trend in opinion]. [If majority of people believe 'x' then 'x' must be validated / true] Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases? Coordinated? By who? Outside entity providing instructions? Do they count on the fact that people [human psyche] are more prone to believe something if heard over-and-over again by different 'trusted' sources? Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed? Threat to intellectual freedom? Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic? Read again - digest.

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic? Logical thinking. Why, after the election of 2016, did [D]'s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'? Pre/post 2016 election? Why were violent [masked] terror orgs such as Antifa immediately created/funded? Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events? Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?

Realize that all hatred, jealousy and aggression isn't you. These are just programs. Your mind is like a computer that can be infected with viruses. Your task is to disinfect these programs and set yourself free.

This has never been attempted. Use of general public to counter the narrative [propaganda] push by controlled media. Analysis [start-to-now] indicates situational awareness [decoupling of MSDNC control of information [channels 1-99]] of general public expanding at massive pace. Attacks indicate [can be defined as] loss of generalized information control. Need to expend ammunition [muster network to defend and coordinate attacks] to counter. MIL-CIV Alliance.
