Defunding the Police is Part of a LARGER Leftist Strategy – Glenn Beck Radio 6-11-20

<https://youtu.be/AtM3Bg7J70> [~4:50: Mentions Soros' role in funding the races of local attorney generals and prosecutors who are refusing to charge rioters for violent crimes. Beck has done extensive investigations into Soros' role in destabilizing societies, throwing out their constitutions, and attempting to establish a corrupt new gov't that favors the New World Order (NWO). More on Antifa

Antifa and similar anarchist/communist groups – which are probably heavily backed by Soros – are behind much of the violent protesting during the last few years. Its techniques precisely echo those of the Nazi Antifaschistische_Aktion of the 1930s. (But its tactics have also been compared to the Nazi brownshirts of the same era.) Modern Antifa flag and symbolism are identical.
