Do you remember two years ago when Iraq was going to fight the Kurds in a different part of Syria. Many people wanted us to fight with the Kurds against Iraq, who we just fought for. I said no, and the Kurds left the fight, twice. Now the same thing is happening with Turkey.....	13-Oct-2019 08:09:21	1183369132634456066
Very smart not to be involved in the intense fighting along the Turkish Border, for a change. Those that mistakenly got us into the Middle East Wars are still pushing to fight. They have no idea what a bad decision they have made. Why are they not asking for a Declaration of War?	13-Oct-2019 07:57:08	1183366057169444864

I know President Xi of China very well. He is a great leader who very much has the respect of his people. He is also a good man in a "tough business." I have ZERO doubt that if President Xi wants to quickly and humanely solve the Hong Kong problem, he can do it. Personal meeting?	14-Aug-2019 17:59:13	1161774305895694336
..deferral to December. It actually helps China more than us, but will be reciprocated. Millions of jobs are being lost in China to other non-Tariffed countries. Thousands of companies are leaving. The "Constitutional Crisis" is the Democrats refusing to work. Let them start by fixing the mess that their Immigration Laws have caused at the Southern Border.	12-May-2019 18:19:39	1127714988313980928

When the Mueller Report came out showing NO Collusion with Russia (of course), it was supposed to be over, back to work for the people. But the Dems have gone "nuts," and it has actually gotten worse! Hope the Republicans win back the House in 2020, or little will get done!	12-May-2019 18:16:10	1127714109921869836
Ever since the Mueller Report showed No Collusion & No Obstruction, the Dems have been working overtime to damage me and the Republican Party by issuing over 80 demands for documents and testimonies, and with NO REASON. That's all they want to do - don't care about anything else!	12-May-2019 18:10:43	1127712737310728194

Others are pretending that their former hero, Bob Mueller, no longer exists!	01-Apr-2019 07:07:45	1112687993528217602

Nancy Pelosi and some of the Democrats turned down my offer yesterday before I even got up to speak. They don't see crime & drugs, they only see 2020 - which they are not going to win. Best economy! Great Tweet today by Tyler Q. Houlton @SpoxDHS on the #FakeNews being put out by @CNN, a proud member of the Opposition Party. @TSA is doing a great job!	05-Jan-2019 11:13:07	1081584385512607745
The Democrats want Billions of Dollars for Foreign Aid, but they don't want to spend a small fraction of that number on properly securing our Border. Figure that one out!	05-Jan-2019 10:54:42	1081579754191552514
We are working hard at the Border, but we need a WALL! In 2018, 1.7 million pounds of narcotics seized, 17,000 adults arrested with criminal records, and 6000 gang members, including MS-13, apprehended. A big Human Trafficking problem.	05-Jan-2019 10:16:14	1081570073867927557
I don't care that most of the workers not getting paid are Democrats, I want to stop the Shutdown as soon as we are in agreement on Strong Border Security! I am in the White House ready to go, where are the Dems?	05-Jan-2019 09:48:55	1081563196249513985
Many people currently a part of my opposition, including President Obama & the Dems, have had campaign violations, in some cases for very large sums of money. These are civil cases. They paid a fine & settled. While no big deal, I did not commit a campaign violation!	05-Jan-2019 08:55:41	1081549802595340288
The Democrats could solve the Shutdown problem in a very short period of time. All they have to do is approve REAL Border Security (including a Wall), something which everyone, other than drug dealers, human traffickers and criminals, want very badly! This would be so easy to do!	05-Jan-2019 07:57:17	1081535102461579264
Great support coming from all sides for Border Security (including Wall) on our very dangerous Southern Border. Teams negotiating this weekend! Washington Post and NBC reporting of events, including Fake sources, has been very inaccurate (to put it mildly)!	05-Jan-2019 07:31:03	1081528502602612736

The story in the New York Times regarding Jim Webb being considered as the next Secretary of Defense is FAKE NEWS. I'm sure he is a fine man, but I don't know Jim, and never met him. Patrick Shanahan, who is Acting Secretary of Defense, is doing a great job!	04-Jan-2019 16:45:27	1081305634115674112

How do you impeach a president who has won perhaps the greatest election of all time, done nothing wrong (no Collusion with Russia, it was the Dems that Colluded), had the most successful first two years of any president, and is the most popular Republican in party history 93%?	04-Jan-2019 08:16:20	1081177511592108032

As I have stated many times, if the Democrats take over the House or Senate, there will be disruption to the Financial Markets. We won the Senate, they won the House. Things will settle down. They only want to impeach me because they know they can't win in 2020, too much success!	04-Jan-2019 08:06:40	1081175076727345152

The Shutdown is only because of the 2020 Presidential Election. The Democrats know they can't win based on all of the achievements of "Trump," so they are going all out on the desperately needed Wall and Border Security - and Presidential Harassment. Mexico is paying for the Wall through the new USMCA Trade Deal. Much of the Wall has already been fully renovated or built. We have done a lot of work. \$5.6 Billion Dollars that House has approved is very little in comparison to the benefits of National Security. Quick payback!	02-Jan-2019 08:35:30	1080457560291987457
Here we go with Mitt Romney, but so fast! Question will be, is he a Flake? I hope not. Would much prefer that Mitt focus on Border Security and so many other things where he can be helpful. For FAR TOO LONG Senate Democrats have been Obstructing more than 350 Nominations. I am all alone (poor me) in the White House waiting for the Democrats to come back and make a deal on desperately needed Border Security. At some point the Democrats not wanting to make a deal will cost our Country more money than the Border Wall we are all talking about. Crazy!	24-Dec-2018 12:32:44	1077255770725601280
Saudi Arabia has now agreed to spend the necessary money needed to help rebuild Syria, instead of the United States. See? The Wall is different than the 25 Billion Dollars in Border Security. The complete Wall will be built with the Shutdown money plus funds already in hand. The reporting has been inaccurate on the point. The problem is, without the Wall, much of the rest of Dollars are wasted!	24-Dec-2018 12:10:22	1077250139503452162

Crippling loopholes in our laws have enabled MS-13 gang members and other criminals to infiltrate our communities - and Democrats in Congress REFUSE to close these loopholes, including the disgraceful practice known as Catch-and-Release. @foxandfriends "New Bombshell in the Obama Spying Scandal. Did other Agencies SPY on Trump Campaign?" Even Clapper, worlds dumbest former Intelligence Head, who has the problem of lying a lot, used the word SPY when describing the illegal activities!	23-May-2018 05:45:37	999239924401438720

....and why hasn't the Podesta brother been charged and arrested, like others, after being forced to close down his very large and successful firm? Is it because he is a VERY well connected Democrat working in the Swamp of Washington, D.C.?	20-May-2018 09:04:24	998202784683053056
What ever happened to the Server, at the center of so much Corruption, that the Democratic National Committee REFUSED to hand over to the hard charging (except in the case of Democrats) FBI? They broke into homes & offices early in the morning, but were afraid to take the Server?	20-May-2018 08:37:34	998196033153839104

If the FBI or DOJ was infiltrating a campaign for the benefit of another campaign, that is a really big deal. Only the release or review of documents that the House Intelligence Committee (also, Senate Judiciary) is asking for can give the conclusive answers. A woman I don't know and, to the best of my knowledge, never met, is on the FRONT PAGE of the Fake News Washington Post saying I kissed her (for two minutes yet) in the lobby of Trump Tower 12 years ago. Now that Adam Schiff is starting to blame President Obama for Russian meddling in the election, he is probably doing so as yet another excuse that the Democrats, lead by their fearless leader, Crooked Hillary Clinton, lost the 2016 election. But wasn't I a great candidate?	18-Feb-2018 07:43:48	965205208191168512
