

30th September, 2015

Dear Honorable Ambassador Baucus,

I am writing to invite you to a cross-border banquet to celebrate our acquisition of Henniges Automotive. We consummated the transaction earlier this month, in conjunction with our strategic partner, AVIC, for \$600 million. I have also attached a news article about the transaction.

This milestone marks our first U.S.-based acquisition. Our strategic partners, including AVIC and Sinopec, will be in attendance, as will our investors, including the Bank of China and China Development Bank. We hope to discuss the opportunities and challenges of cross-border investments for Chinese companies in today's macro environment. A member of our team has also extended an invitation to your economics advisor - Jonathan Fritz - to speak at the seminar.

It would be a great honor if you could attend the evening banquet as our special guest. As well as our partners and investors there will be a number of foreign dignitaries such as Kevin Rudd and the Vice President of Bank of China at the event. Currently the banquet is planned for the end of October. The date is tentatively set at 28th October, but please let us know your most convenient dates.

Yours sincerely,

Devon Archer
Vice Chairman
