Sorry, but the number of votes in the Swing States that we are talking about is VERY LARGE and totally OUTCOME DETERMINATIVE! Only the Democrats and some RINO'S would dare dispute this - even though they know it is true!	03-Jan-2021 13:45:49	1345803569438597121

The Swing States did not even come close to following the dictates of their State Legislatures. Something how Dr. Fauci is revered by the LameStream Media as such a great professional, having done, they say, such an incredible job, yet he works for me and the Trump Administration, and I am in no way given any credit for my work. Gee, could this just be more Fake News?	03-Jan-2021 10:11:48	1345749709592342530
"Georgia election data, just revealed, shows that over 17,000 votes illegally flipped from Trump to Biden." @OANN This alone (there are many other irregularities) is enough to easily "swing Georgia to Trump". #StopTheSteal @HawleyMO @SenTedCruz @Jim_Jordan	03-Jan-2021 09:20:33	1345736811906273282

....Just a small portion of these votes give US a big and conclusive win in Georgia. Have they illegally destroyed ballots in Fulton County? Hunter Biden's laptop is a disaster for the entire Biden family, but especially for his father, Joe. It is now a proven fact, and cannot be denied, that all of that info is the REAL DEAL. The Suburban Housewives of America must read this article. Biden will destroy your neighborhood and your American Dream. I will preserve it, and make it even better! https://t.co/1NzBR57Oe6	23-Jul-2020 15:53:13	1286404022442831873
Obama, who wouldn't even endorse Biden until everyone else was out of the primaries (and even then waited a long time!), is now making a commercial of support. Remember, I wouldn't even be here if it weren't for them. I wouldn't be President. They did a terrible job!	23-Jul-2020 13:46:40	1286372175117791236
The Democrats have stated strongly that they won't approve a Payroll Tax Cut (too bad!). It would be great for workers. The Republicans, therefore, didn't want to ask for it. Dems, as usual, are hurting the working men and women of our Country!	23-Jul-2020 11:29:16	1286337596206055432
Recently watched failed RINO Tom Ridge, former head of Homeland Security, trying to justify his sudden love of the Radical Left Mayor of Portland, who last night was booed & shouted out of existence by the agitators & anarchists. So interesting to see all of these people I beat so badly, pundits & consultants that never had a chance, telling me how to run for office. Mini Mike is now negotiating both to get on the Democrat Primary debate stage, and to have the right to stand on boxes, or a lift, during the debates. This is sometimes done, but really not fair!	02-Feb-2020 00:25:10	1223839756234215424
Many of the ads you are watching were paid for by Mini Mike Bloomberg. He is going nowhere, just wasting his money, but he is getting the DNC to rig the election against Crazy Bernie, something they wouldn't do for @CoryBooker and others. They are doing it to Bernie again, 2016.	02-Feb-2020 00:17:07	1223837731056427009
Mini Mike is part of the Fake News. They are all working together. In fact, Bloomberg isn't covering himself (too boring to do), or other Dems. Only Trump. That sounds fair! It's all the Fake News Media, and that's why nobody believes in them any more.	02-Feb-2020 00:10:56	1223836174294441984
The Radical Left, Do Nothing Democrats, don't want justice when pushing the Impeachment Hoax, they only want to destabilize the Republican Party so they can do better in the 2020 election, & that includes the House & Senate.
