

OPERATION WARP SPEED

What is it and is it Biblical?

December 17, 2020

Operation Warp Speed: What is it and is it Biblical?

On the surface, Operation Warp Speed is the term used for a charge given by President Trump which provides for the development and distribution of a vaccine administered in record breaking time against a disease called COVID-19. This is the first meaning of the phrase Operation Warp Speed. I'm not disputing this is real. Other than a few following comments, I have no intent to analyze the validity of the C-19 virus or the vaccine. The propaganda and cover-ups from the MSM, health organizations, and some of the medical community has made this almost impossible to validate, and they therefore, have signaled me to believe C-19 is nothing more than seasonal flu with a fancy name. Nonetheless a flu, the same as other flu viruses, to which our senior population is adversely susceptible. Moreover, I'm not a medical doctor or scientist with any qualification to analyze the disease itself. Most confusing is my immediate dilemma of trying to understand why billions of dollars would be spent to develop and distribute a vaccine in record time when we are told by credible sources that other effective options, such as HCQ, have been available for decades. Add to this, the ever increasing numbers of people which oppose vaccines due to the treachery committed by big-pharma, including the bodily and cognitive disabilities they have caused in our children, and the inherent risk of injecting their soup into people that have no awareness whatsoever whether they have ever contracted this virus or even can. Most certainly, with the incredible sense of urgency taken to fight this virus, I would have thought that nearly a year from its start, that I might have met even a single person that contracted the virus...but no, not one.

In my opinion, C-19 **hype** is all lies. It has been rumored and pushed on the world population with intent to spread fear, even imposing ludicrous restrictions and lockdowns in an attempt to determine the extent of pushback which can be expected when the self-proclaimed elite make their next move toward world domination. It's a fear-mongering campaign. In plain terms, they needed to determine what they could get away with, and in the process, they have "exposed themselves" so to speak. Many of those same people express their desire to reduce the human population. And except for the works of certain state governors, proving their loyalty to the hoax by intentionally using the flu to murder our senior citizens, C-19 isn't that play. Consider it, if C-19 were actually a planned mass death event, then this C-19 show would not have started with fantastic media coverage of the citizens of Wuhan, China literally dropping dead face first as they walked down a street. We wouldn't have been exposed to the shock and horror of the C-19 origin beginning with people that ate bat soup, or citizens being locked inside their apartments by the CCP officials welding their exterior doors shut. Neither would the MSM have conspired with great claims of massive untold deaths being covered-up by the CCP throughout the Wuhan region.

If those orchestrating this charade were interested in world depopulation, and if C-19 were as deadly as they claim, they would have announced nothing; but rather allowed this disease to silently creep its way through the masses in order to afflict as much death as possible. But that's not the way it happened, and didn't happen that way because C-19 was never about the death of a populous. It was about a creating a distraction. It was about delivering a final death blow to a free and open way of life, which has for decades been subject to a sly infiltration of traitors with infiltrations in every way imaginable. Covid was about tearing down a Republic which stood as a barrier against tyranny, and the roll-out of a final round of world population *enslavement*. It was

the perfect tool to create division among the people, and to the degree they did succeed, they did it at a profit. It's now a fact that they are failing miserably, and in truth, they already have failed. What's more, all those pushing the C-19 **fear** are doing so because they themselves are indeed infected with the China Virus.

Below the surface, there is a second meaning for the phrase Operation Warp Speed, a hidden meaning. Here's what I suggest:

- ✓ Operation Warp Speed is also known as THE PLAN.
- ✓ Operation Godspeed.
- ✓ The operation itself is hidden in plain sight.
- ✓ Operation Warp Speed is biblical
- ✓ Covid-19 and China Virus are two completely different infections

First, it is important to know the definitions of the China Virus, who is infected, and what the cure is. Next, we'll take a biblical approach and look at the meaning of each of the three words, *operation*, *warp*, and *speed*, and how these terms are presented in the bible (yes, all three words do appear in the bible!). We'll look at the English translation of these from the Hebrew and Greek where applicable, with some scriptural examples. And for each instance, I will comment to show both the natural meaning and the spiritual meaning of each concept.

There is a natural meaning and there is a spiritual meaning to each of the words, just like the phrase Operation Warp Speed has a surface meaning and a hidden meaning. The apostle Paul explains this, saying, The invisible things of God are clearly seen, being understood by things which are made. In other words, if we want to see the hidden realm, we must look at the characteristics of the unhidden realm and listen to what those characteristics are telling us. Finally, I'll speculate our course and direction as a nation (it's actually worldwide), and how you, as a worldwide patriot of truth, can continue to make a positive impact which supports the operation.

IT'S NOT COVID-19. IT'S CALLED THE CHINA VIRUS

First and foremost, the term China Virus does not reflect the Chinese heritage, and is by no means a racial slur toward the good people of China. If any people understand governmental and bureaucratic oppression, it's the good Chinese people. The China Virus is a name given to identify the root source of the virus as the Chinese Communist Party (CCP) and their handlers. China Virus is surnamed The Invisible Enemy.

What is the China Virus?

The offer and/or acceptance of bribes, issuance of blackmail or threat, and the unequal application of the laws by enforcement, legislative, judicial, executive branches, and other officials of authority that govern societies including local, state, or federal administrations, and any individuals, or political, bureaucratic, or corporate institution representatives which orchestrate in conjunction with the Invisible Enemy, thereby initiating and/or performing actions which are intended to harmfully infiltrate, directly or indirectly, the sovereignty of a nation by the participating citizen, or that of an allied nation.

Who is infected by the China Virus?

Including, but not limited to, beneficiaries in any capacity of the following: Those that have successfully offered and/or accepted bribes, or have oppressed other individuals using blackmail techniques, or committed criminal acts worthy of blackmail, or those being oppressed by individuals/groups initiating threats against people with opposing views or those holding evidence of corruption, and all individuals of official capacities which apply rules of law unequally with respect to persons, and other political, bureaucratic, and corporate individuals and institutions which have participated and/or conspired with the Invisible Enemy to infiltrate with intent to do harm to the sovereign nation of their citizenship or an allied nation.

What is the cure for the China Virus?

- The extent of the wrongdoing will determine which vaccine is to be administered, and the choice to accept such offer will be that of the intended recipient, thus to be executed in full within a predetermined space of time, and said cure currently offers a range of effectiveness, depending on the brand of vaccine dealt to the wrongdoer.
- To those which are offered a vaccine, the cure will be made available at the end of a quarantine period, which quarantine serves the purpose of allowing the wrongdoer to become clean, turning from their corrupt ways, and other such requirements to be imposed, and at which time recipient is required to expose with full details all violations and/or wrongdoings committed and/or directly witnessed regarding any of the above mentioned virus symptoms. After the time of quarantine, those which have offered the cure shall look upon the details provided by the recipient, and pronounce the infected individual as clean or unclean to the administrator(s) of the vaccine, and if clean they will be given the designated cure.
- For individuals which are offered a vaccine cure and choose not to accept, or for those which would decline quarantine, there will be no deals extended beyond that of the original offer.
- For individuals or entities which have not yet been offered a vaccine, or those which are unaware of the offer, it is incumbent on you to request vaccination by demonstrating your symptoms in part, and asking that consideration be made. If you choose not to plead for a vaccine cure now, there may be a vaccine available to you at a later date.
- Those individuals which are infected by means of duress or threat which have committed no violation, or show no symptoms of violation when tested by the administrators, or under certain circumstances were forced into submission, will or may be deemed to be clean of the China Virus.

Operation Warp Speed: It is Biblical

In the following we are going to determine if “The Operation” is biblical or not. This analysis is not intended to prove anything regarding the surface meaning of Operation Warp Speed, it only draws comparisons to our understanding of the China Virus outlined above and how Operation Warp Speed addresses the issues. In an effort to keep this read concise, I’m going to ask the reader to assume some of the biblical concepts used to reach my conclusions, and I’ll only use a few examples from scripture. Below, we’ll start with biblical translations of the words, how they

appear in scripture, and some brief comments on how these words apply in context of the scripture.

The OPERATION

Translated meanings to the English language, the word OPERATION means:

Hebrew: an **action** (good or bad), **transaction, activity**, to appoint, advance, bring forth, have charge of, **deal with**, prepare, perform, **procure, sacrifice**

Greek: efficiency, energy, strong, working, **an effect, to activate, operative, powerful.**

Psalms 28:5 “*Because they regard not the works of the Lord, nor the OPERATION of his hands, he shall destroy them, and not build them up.*”

For context, the entire Psalm speaks of the evil works of men and how the Lord will destroy man’s corrupt works with his own incorruptible works. The target for destruction is not the man himself, but rather the destruction of corrupt thoughts and actions in the man first. And if the thoughts and actions don’t comply, then the time will come to put out the man’s candle.

In Psalms 28:5, the meaning of the word operation is a *change process* offered to ignorant men. The operation of the Lord is that process whereby the corrupt works of man can be **traded out** in exchange for the incorruptible works of the Lord. It is a covert operation in all of us, which is evidenced by our transformation from evil to good. But for those infected with China Virus, it includes a requirement to sacrifice what they now have and what they now do, *even who they are*, and the giving up of these things and their corrupt activities are as part of a **transaction**. Traitors are transformed into Traders. This implies that if wrongdoer DOES regard the operation, then they will no longer dwell in a desolate place (a place destroyed) but can start to be raised up again new. Further, by regarding the operation, this insists that the wrongdoers both acknowledge and accept what is being offered, that is to say, their corrupt ways in exchange for incorruptible ways, along with others losses, and then begin to execute the trade.

Looks a lot like this  Corruptible Ways > Incorruptible Ways
Dark > Light

Furthermore, it is critical to understand that in Psalms 28:5, the translated name used for “the Lord” means “the Lord of hosts.” In Hebrew is *tsaba*, and in the Greek is *sabaoth*. Why is this significant? Because the Lord of hosts, or Jehovah Sabaoth is **GOD’S WAR NAME**.

Therefore, let’s take a look at a military definition of the word Operation.

1. A military action or carrying out of a strategic, operational, tactical, service, training, or administrative military mission.
2. The process of carrying on combat including movement, supply, attack, defense, and maneuvers needed to gain objectives of any battle or campaign.
3. This also implies an activity is being done in partial obscurity, under dusk or behind enemy lines under cover of darkness.

- ✓ OPERATION: A military offensive being performed in partial obscurity which involves activities that will force exposure of corruption yet also offers the violator an opportunity to be redeemed, or transact for hope from captivity under a certain predetermined and unchanging offer.

Operation: Summary

The operation begins with those that are stuck in the mire of corruption. It's their opportunity to bring that darkness to light. For example, let's say we have an organization, and within that organization some individuals are corrupt and some are not corrupt. Who has the brighter light to shine on the corruption? Investigators searching for facts pertaining to corruption know how difficult it can be to dig up something noteworthy, but how easy is it to expose for a participant of the corruption itself? It's very easy and there is value there. (Save the taxpayer some money too.) Therefore, this operation represents a series of plea bargains of sorts, except the bargaining only goes one way, take it or leave it. It's a pay me now or pay me later proposition, but in the end the promise requires you to pay up. Do you want to be free of the prison house of corruption? Turn from your corrupt ways and come clean, confess all, no longer be **named** among those that are corrupt. You have nothing to lose by doing so and **everything to gain**. It is a limited time offer and time to execute on the deal is short, so **now is your chance**, make haste! Common sense tells me that it is better to fall at the feet of justice than to have justice fall upon me. But even then, shame is a very personal thing, and those that are on the run now are really running from their own shame.

THE WARP and the WOOF

The WARP

This is a little harder to hear, so I'll be a bit repetitive to clarify as we go. A couple of things to keep in mind...the word warp only appears in the Hebrew text Book of Leviticus. Leviticus means "to be in union". And the word WARP always appears along with the word WOOF.

Translated meanings to the English language, the word WARP means:

Hebrew: A fixture, or **to be the fixed** portion, as the warp in a weaving. From the prime root word which means, to **place, set, apply, appoint, lay, mark, be stayed**.

Naturally speaking, the warp and the woof is a description of the threading process to a piece of cloth which makes the cloth whole. First we'll discuss the warp, then the woof, and then we'll bring them together as one.

When the weavers are weaving cloth, the warp of the weave are those strands of thread which run outward from the weaver, or lengthwise. This is an important fact since the word warp is used to describe which strands are **set in order first**. Again, when manufacturing a piece of fabric, it is the lengthwise strands, or the warp, which are laid out first; this allows us to now understand the definition of warp. And once the warp is set, then the crosswise strands, or the strands from one side to the other side, are then woven into the warp.

Leviticus 13:47+ *“The garment also that the plague of leprosy is in, whether it be a woolen garment, or a linen garment; whether it be in the WARP or WOOF; linen or woolen, whether in skin or in anything made of skin; ...shall be brought to the priest, and the priest shall look upon the plague, and shut up it that has the plague seven days: And he shall look upon the plague after seven days, and if the plague be spread in the garment, either the WARP, or the WOOF, ...it is fretting leprosy; it is unclean.”*

Leviticus 13 speaks of those that have the disease of leprosy, and how they and their diseased garments or coverings, to which the disease had spread, are to be cleansed or otherwise dealt with.

As we develop this idea, you'll need to accept a conclusion that from a biblical perspective, to an individual, the word WARP refers to their thoughts. It is our thoughts which start inward and run lengthwise, they are manifested in outward fashion based on actions we perform in the doing of those thoughts. Again, thoughts begin inside you, in your mind, and are manifest outwardly through you for others to see. As an individual, your warp is the thoughts you hear internally and make your own personal decisions to act upon, it is your *internal voice*. However, in a society or nation, the word WARP refers to collective thought, or published definitions of preamble and LAW. If a law is upright and fair, it should minimize chaos and provide a foundation, or measurement, which offers benefits for **civil rest**. The warp of society is the law which has been laid down for everyone equally, it a collection of agreed upon thoughts by representatives of the people, and it is the *external voice*. The warp of our Republic is the declaration of our intent and the supporting Constitutional Laws which were laid down as the foundation for our country.

- ✓ Thought = the WARP of an individual
- ✓ Laws = the WARP of society

Therefore, from Leviticus 13, a disease in the WARP means that we as individuals would have a corrupt thought, and if the disease is in the warp of society then we have a corrupt law. And in either case, a diseased warp makes for a foundation that will never stand up to pressure.

- ✓ The WARP of upright individuals are personal good thoughts which allow for freedom, transparency and equally, without exception, towards all other individuals. Good thoughts leave no room for hypocrisy.

- ✓ The WARP of an upright nation is the constitutional law which sets the rules for freedom, transparency and equally to all.

To better understand the word warp we must also understand the word WOOF. As mentioned, in the Bible the word WARP is always written with the word WOOF.

The WOOF

Translated meanings to the English language, the word WOOF means:

Hebrew: A mixture or a web, to braid. From the root word which means, to braid, **intermix**, traffic, give, to be a security for, occupy, **put in surety, to make or give pledges.**

Going back to our previous description, when the weaver is weaving cloth, the warp of the weave are those strands of thread which run from the closest position of the weaver and outward, or lengthwise. So naturally, in order to create a finished piece of fabric, the next weave will be the widthwise threads running crosswise to the length, and once the strands of thread are placed, a weavers beam is used to pull the threads tightly together. These crosswise threads which are woven into the warp threads are referred to as the WOOF of the cloth. And this provides clarity to the definition of the word woof: It is the tight intermix of the warp and the woof, or the lengthwise and widthwise threads, which make the piece of fabric whole. Further, it is the weaving in of the woof which provides for the strength of the warp. Say it another way, it doesn't matter how well placed the warp threads are if the woof threads are not tightly intermix within the whole piece of fabric.

Consider this: You are the weaver. And just as the warp refers to your thoughts, it's the woof which refers to your actions, or those thoughts you decide to follow. The woof of an individual is their works. Again, the weaver must first lay down the warp before the woof can be intermixed to it. So also must any individual have a thought before they can do any action. Who is there among you that can do anything without first thinking about what is going to be done? None, the root is in the thought and the offspring is in the works. Your oath or commitment to a thought (that which is heard) is the doing of that thought, and the evidence is your actions (that which is seen). *Together, they produce that which is seen and heard.* Likewise, as a citizen in collective society, my woof must be properly woven into the fair and good laws of society. My works need to follow the laws or else I find myself a violator of that law, even a traitor, and thus exposing my corruption within a society. Therefore, it does not matter how good our constitutional law is if citizens disrespect the following those laws, and fail to tightly intermix with the laws to create the good fabric of society.

Further, the woof of a nation refers how we collectively respond to laws, but more specifically how the officials which write, implement, govern, and enforce the legislation act in accordance (or not) to that same legislation which is exercised upon the people. These individuals are to be pillars in the community, people we trust to be fair and honest. After all, we are entrusting to them something extremely valuable, the laws on which our Republic is built. And in an upright nation, the law will apply equally toward everyone, else it *appears* to be crooked, unstable, and fails to stand as intended because it's no longer rightly implemented. In other words, it has been perverted by hypocrites in power. They require some to follow the law, but of others whom they decide, need not follow the law. Moreover, they must apply that same law to themselves, else we

end up with divisions, such as patriots and infiltrators, or master and peasant, the entitled and the unentitled. Chaos and confusion then rise up, which means that either our nations warp must be changed or the woof of those which do not follow just laws must be dealt with. Recall what the Book of Leviticus means, “to be in union”. The warp of a nation must be in close union with the woof of the nation, and vice versa. In the United States, our constitutional warp is straight, it is the woof that’s been infiltrated. And a primary duty of the infiltrator is to force the change our nations warp, and to accomplish this, while Americans slept, they came desensitizing our population with their rebellious woof. This has been part of their plan for decades.

“The kingdom of heaven is likened to a man which sowed good seed into his field: But while men slept his enemy came and sowed weeds among the wheat...”

Moreover, since the sole responsibility of the infiltrator is to force change to our constitutional laws, by whatever means necessary, we need not look any further than those which push change to our laws. Take for example politicians and corporate bureaucrats, and by example, consider who wants to change 1) Freedom of speech, 2) Right to bear arms, 3) Unlawful search and seizure, 4) Due process, 5) Right to a speedy trial by jury, 6) Exact no more than that which is appointed to them. Did any names come to mind? **These are your infiltrators.** Below is a tweet which precisely points to the current warp and the woof of our nation:

Lin Wood @LLinWood · 2h
Our Nation is at a crossroad. Are we a nation of laws or a nation of lawlessness?

If US Supreme Court does not stay Electoral College, @realDonaldTrump is bound by his oath to do so by imposing partial martial law.

President has duty to make certain our laws are executed.

“Cross”road = *the woven work*
Laws = *the WARP*
Lawlessness = *a corrupt WOOF, infiltrators*

The Union of WARP or the WOOF

Returning to our example in Leviticus 13:47-59, it states, the plague can be found in either in the warp (the law) or the woof (the violators of the law). It can also be found in my warp (my individual thoughts) or my woof (my individual actions). And if the disease is found in either the warp or the woof, my thoughts or my actions, instructions are given on how to deal with the person or garment which has the disease. How can a garment have a disease? Quite simply, your thoughts and actions combined produce the spirit you dwell in at any given time. Your warp threads (your thoughts) and woof threads (your actions) create the cloth which produce the garment covering you dwell in (your spirit).

We have a heard the expression, “the guy has a warped mind”, or “I’m not breaking the law, just bending it”. In both instances these are steps toward corruption. Another way to describe this is to have something that was once straight, but now has become crooked, and if something which was once straight has now become **TWISTED**, the re-straightening of that must occur **QUICKLY**. In America, and throughout the world, the manifestation of corruption is two-fold: 1) a twisting of the implementation of our good laws, and 2) the laying down unjust pieces of legislative.

Bringing this back to Leviticus 13 again, if arbitrary statutes or mandates are imposed to afflict law abiding citizens, the disease is in the WARP, it is unclean. And if good laws for the nation are not adhered to by individuals, societal groups, or infiltrators, especially officials of enforcement, or judicial, legislative, executive powers, than the disease is in the WOOF, it is unclean. Take for example, Section 230 of the Communications Decency Act. That piece of legislation clearly shows that the disease is in the warp, it is unclean, *even the title of the legislation is deceptive*. And for the legislators which voted to pass such an *indecent section to the act*, the disease was in their woof, they are unclean. They are unclean because no upright individual would pass such legislation unless they were infected by bribe, blackmail, or threat...the China Virus. However, if we recognize the unfair law by either eliminating it or changing it to be a just piece of legislation, then we have cleansed our legislative process, the plague is stayed, and we are pronounced clean.

- ✓ Scriptural principal: Unless an individual or nation becomes clean, the disease or plague speaks to the last standing position just prior to death or banishment.

As individuals, if we have a corrupt thought (such as unkindness), the plague is in the WARP. If we follow that thought and show unkindness toward another, then that plague has spread to the WOOF, we are unclean. But if we have the unclean thought and do not express it towards others, then we have washed our mind of that thought, the plague has been stayed and we are clean.

WARP or WOOF: Summary

President Trump and his team have showed us that the Constitutional Laws are the foundation upon which this great nation is built. The concept that “we are a nation of laws” and “one nation under God” really mean something if we are united, not divided. Our constitutional laws are straight, they’re sure, and they are right. They represent the freedom, transparency, and the truth that all men are created equal, if in fact, the law is applied equally to all men. The infiltrators of our nation have loosed the weave by not enforcing our laws properly or equally. They have become the creators of division. Corrupt individuals and organizations have twisted our laws with their deceptive actions. President Trump has brilliantly cornered these individuals and forced them to shine a light on their own corruption. Beginning with the Fake News Media, then all the alphabet agencies, local through federal law enforcement, executive, legislative, and judicial branch officials, BigTech, leaders of other countries, bureaucrats, corporate executives, and even individual citizens. We now know who has the China Virus. They were put to the test openly and they showed us they are infected. “I caught them, I caught them all.” And last, OPERATION WARP SPEED is intended to make sure the WARP of our nation remains straight, and the WOOF our nation is no longer perverted by the actions of traitors.

SPEED

Translated meanings to the English language, the word SPEED means:

Hebrew: to light upon, bring about, impose, **befall**, **bring to pass**, promptly, hurry, swiftly, soon, **to flow**, bargain, suddenly, to be alert, **courageous**, to make **strong**, **prevail**, diligently, tremble, vex.

Greek: in a manner most quick, as soon as possible, as in a greeting to be well (Godspeed), a brief space, without delay, fleet.

Speed can mean many things, including the rate of movement within a span of time or space. In a basic sense, speed represents the variableness of time-space. Describing speed generally helps others to understand the velocity at which something is **going out, or coming in**; or coming down, or going up. Speed can be described in either numbers or words. For example, traveling through an equal measure of space: The word “patience” is a functional element of time which tells us that time will expand if we go slowly. But the word “NOW!” means the space of time is short, we are *forcing* a contraction of the time needed to move through that same given space...*SPACE FORCE*, if you will. Speed can also be a symbolic term, such as in Warp Speed.

The term Warp Speed carries with it the idea we are travelling into a new dimension. It means that the time and place (space) which we now dwell in is being transformed into something new. In other words, we are going out of one space of time and coming into another time in space. We are going out of darkness, and coming into the Light. We are going out of an evil time, and coming into a good time. Out of a time of affliction and into a time of prosperity and blessing.

This transition period from one dimension to the next is exactly the time we live in today:

From the Book of Deuteronomy, we read an account of the EXODUS from Egypt.

*...We were Pharaoh’s bondmen in Egypt: And the Lord brought us out of Egypt with a mighty hand: And the Lord shewed us signs and wonders, great and sore, upon Egypt, upon Pharaoh, and upon all his household, before our eyes: And he **brought us out** from thence, that he might **bring us in**, to give us this land...*

Egypt, Pharaoh, and the house of Pharaoh, is a foreshadowing of the now current corrupt world system (the swamp), the greedy swamp masters which empower that system, and all the marginalized swamp dwellers which follow orders for personal gain. And not by coincidence, just as Pharaoh and his people had plagues upon themselves then, the infiltrators of our nation today are the recipients of plagues today (CHINA VIRUS!). Furthermore, in the pursuit of the people exiting Egypt, every last one of the Egyptians were swallowed up in the Red Sea (RED WAVE! Great Awakening). The account of the exodus also says that along with the people came a “mixed multitude” (Hypocrites looking for a way out!). It says, “*The Lord brought us out from thence, that he might bring us in...*” (Dark > Light!)

And at what rate of speed did the Exodus occur?

Deuteronomy 16:3 ...*for you came out of the land of Egypt in HASTE...* (Took flight quickly)

Later, after the time of the prophets, and following the captivity from Babylon, at a time when the border walls and gates were being built up, and the breeches stopped, came Ezra the scribe (executive orders?), a principal officer, and chief among the people.

Ezra 7:25-26 *And thou Ezra, after the wisdom of thy God, that is in thine hand, set magistrates and judges, which may judge all the people that are beyond the river; all such as know the laws of thy God; and teach ye them which know it not. And whosoever will not do the law of thy God, let judgement be executed **speedily** upon him, whether it be unto death, or to banishment, or to confiscation of goods, or to imprisonment.*

From the text of Ezra:

- ✓ Law of God (Good Warp) + Those that will not do the law of God (Bad Woof) = Prescribed Judgement executed speedily
- ✓ Is it some great marvel that the infiltrators to our nation have been trying to do away with President Trump since even before the election? Who are they? Those you trusted most? Judgement is coming speedily and it will not be stopped.
- ✓ Biblical PROMISE: Every man is given according to his works.

Genesis 26:12 *And Isaac sowed in that land, and RECEIVED in the same year a hundredfold: and the Lord blessed him.*

The word *received* in Genesis 26:12 is the same Hebrew word as **speed**, as in “brought to pass”. This happens in a specific land (or space), sowing speaks to the beginning of the work, and hundredfold speaks to the completion of the work, or realization of the fullness of the effort.

- ✓ The operation which has been started, and the full execution of it, will be brought to pass, and with the passing of it will be prosperity and blessing. (Peace is the prize!)

The word SPEED represents the lifting up of Spirit of our nation. And not only our nation, but the seeds being planted here today are now bearing fruit worldwide. You are witness of how our national spirit has grown since Donald Trump became our President. Speed represents the LIFE of our country. Warp Speed means that there is more strength in the good people working on this operation than there is strength available to the infiltrators attempting to stop it. Warp Speed is Godspeed, and Godspeed is a salute to be well, and represents the healing of our nation which includes the curing and/or removal of the diseased infiltrators. The nation is healed while the infiltrators are heeled. It represents the velocity at which the STORM will hit; the rain, the flood, and the *whirlwinds of change* that come with it. Speed is a synchronous event which represents the rooting out and consuming of corruption while the incorruptible things of our nation are gathered and put back into store. Speed is the razing of down evil by the raising up of good. It’s an ingathering of all that is good, and a casting out of all that is corrupt.

*“Let both the **weeds** and the good **seed** grow together until the harvest: and in the time of the harvest I will say to the reapers, Gather first together the weeds, and bind them in bundles to burn them: but gather the wheat into my barn.” **WARP SPEED, WARP SPEED***

- ✓ SPEED represents the life our country and the lifting up of the spirit of our nation after decades of oppression.
- ✓ SPEED represents the sum of the gathering together again those things which are upright, and the destruction of those things which cause instability.

- ✓ SPEED represents the velocity of the WAVE which is sweeping our country
- ✓ It's a battle between the weeds and the seeds. We already know how this ends, we knew it from the beginning!

OPERATION WARP SPEED: SUMMARY

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.”

- ✓ Operation Warp Speed is our declaration of independence from the corrupt world system.
- ✓ Operation Warp Speed represents required actions being performed which will return our nation back to the based principals of our founding fathers.
- ✓ Operation Warp Speed is a complete restoration of law and order in the United States, and a replica of the original Republic of the United States as it was imagined to be.
- ✓ Operation Warp Speed is a biblical pattern. It's an operation happening in each of us, and in our republic, simultaneously.
 - Good Thoughts + Good Actions = Good Spirit (individual)
 - Good Laws + Following of those Good Laws = Good Spirit of the Nation (society)
 - Good Warp + Good Woof = the Good fabric of society
- ✓ Your Spirit is a part and parcel of the spirit of your nation, it identifies to others the rate at which you are going out of darkness and coming into the light.
- ✓ Operation Warp Speed is uplifting of your own Spirit, and assisting of those around you, which lifts up of the Spirit of your nation.

Operation Warp Speed is an affirmation to our Declaration of Independence. It is the execution of a military offensive which will return our Republic back to the rule of constitutional law, and adherence of that law according to its original intent. It is the resurrection of the Spirit of 1776.

AMERICA FIRST, and the community of world nations will follow.

GODSPEED TO OUR PATRIOTS

Pray for the corrupt souls that they be given a willing ear to hear wisdom, and the good courage needed to save themselves out of their darkness and come into the Light.
