4511 A Military and Civilian Alliance to Defeat the Fake News Media Empire Q!!Hs1Jq13V6 24 Jun 2020 · 11:17:11 AM

This has never been attempted. Lists of general public to counter the narrative (propaganda) past by controlled media. Analysis (start to now) indicates situational awareness (decoupling of MSND control of information (channels 1-99)) of general public expanding at massive pace. Attacks indicate (can be defined as) loss of generalized information control. Need to expand communication (messenger network to defend and coordinate attacks) to counter. MLCW Alliance. Q

•SQUAD — target acquisition and provisioning
•ASSAULT — twitter accounts countering narrative
•FLANKER — hitting supporters' narrative
•OPS — meme jams, meme farming etc.

4509 Welcome to the Digital Battlefield - Together We Win Q!!Hs1Jq13V6 24 Jun 2020 · 11:01:36 AM

You have been selected to help serve your Country. Never retreat from the battlefield [Twitter, FB, etc.] Use other platforms as a form of centralized command and control. Organize and connect (bridge through linking). Source memos (gather) from battlefield and/or garage (highlight & share/basis & drop). Mission 1. Dispute [reject] propaganda push through posting of research and facts. Mission 2. Support one of our digital soldiers (line falls another stands (free)) Mission 3. Guide (awaken) others through use of facts (DECLAS 1-99 material and other relevant facts) and memos (disrupt MSND control of info stream)... ask counter questions to isolate thought vs repeat [echo] of MSND propaganda. Mission 4. Learn use of camouflage (digitally) primary account suspended/terminated. Use of secondary account. Mission 5. Identify strengths / weaknesses (personal and designated target(s) re: Twitter & FB (either) exchange re: memos) (failure to read through use of AI.GI (link from OADR master control program)... dependence on person to person capture (slow response time unidentified user(s)). Cyber theory. Information warfare. Welcome to the Digital Battlefield. Together we win. Q

Important to understand.
MSDNC [+social media] projection we are the minority is false.
WE ARE THE MAJORITY AND GROWING EVERY SECOND OF THE DAY.
MSDNC [+social media] projection we are divided is false.
WE ARE UNITED AND ONLY GETTING STRONGER.
People are awake and see what is happening.
Patriots have no skin color.
Humanity is good.

Worth repeating.
MSDNC pushes coordinated FAKE, FALSE, MISLEADING DISINFORMATION based on a biased [D] political viewpoint [controlled moutpleaks].
Blue checkmarks then defend and attack [target] opposing viewpoints using slander, aggression, suppression, group-think, etc. [suppression tactics].
Non-blue checkmarks then defend and promote attacker[s] [blues] viewpoints [leftwing 'cult'] to instill echo_chamber wall-to-wall amplified narrative for each designated subject.
Select [public discovery] topics are deemed and ranked in priority order [ranking determines use of assets [big-to-small]].
[How to herd the sheep [you] 101]
If you do not follow [remain in-line] with their political viewpoints you are deliberately made to feel in the minority [isolated] and inferior [using aggression-slander].
[If majority thinks x then x must be true ...projected false reality ...minority projected as majority using news ...social media platforms to spotlight designated viewpoints [the 'narrative']].
A public [person] that thinks for themselves [independent free-thought] is what they FEAR the most [loss of control].

If the news is untrustworthy, corrupt, controlled, and simply an extension [arm] of the [D] party...
How do you circumvent? [controlled lines of comm [propaganda]]
How do you communicate directly with the people?
Backchannels are important.
Information warfare.

In a jaw-dropping speech that amounted to culture war bonfire, President Trump used the backdrop of Mount Rushmore to frame protesters as a nefarious left-wing mob that intends to "end America." The speech laid out President Trump's consistently grim vision for an America in which he is not its President as he engaged in his usual amount of fact-bending and bragging to serve his rhetorical and political purposes, writes CNN's Chris Cillizza [cnn.com/2017/07/04/the-most-outrageous-lines-from-donald-trumps-mount-rushmore-speech/index.html](https://www.cnn.com/2017/07/04/the-most-outrageous-lines-from-donald-trumps-mount-rushmore-speech/index.html)

Are you sick and tired of the mainstream media lies, distortion, "anonymous sources," cherry-picking, open bias and outright contempt?
