I gave up my salary from BS half the other that's cut in half and while you were smart enough to marry someone with a little drive to make cash I gave away 85 cents of every dollar last year and I'm literally running out of run way.

So please man please I really have nada. What can I do and I hate having to ask. And truth is asshole you never had to ask me.

Oh by the way — guys you're up against are all over me along with. 6 of their overseas counterparts and the NYT WSJ etc....

And if I so choose I do not have to call anyone today— and anyone who may call me I can ignore because everyone single one of them want money from me.

How are you?

Love you my brother. I'm doing the same. And everyone wants the same. I really miss you.

Sep 23, 2018, 11:14 PM

Malibu why don't I you come here

Flying back from London now. I will. How about 1st week of October?

Sure if I'm still there. Man I'm so incredibly confused by the choices she makes and by the way she purposefully insinuates herself into my most important relationships. And I don't know how those people choose her lies over the truth they must have known of me..

Well rest assured I haven't spoken to her since we were together in NYC this summer. Not one word so your truth is all I got and have no intention of believing anything otherwise.

Sep 24, 2018, 3:40 PM

Miss you my brother

Nov 15, 2018, 2:35 PM

Nov 18, 2018, 4:41 AM

What's your plans next couple days

In Purchase today for lacrosse tournament, tomorrow Cooper is coming into NYC, NY Tuesday and then out to Long Island Wednesday for the giving. But flexible dependent on where you're going to be. Wednesday

1. I need a job.
2. I am almost definitely certain he is in.
3. I need a real job.
4. I mean 99% certain.
5. I need an income.
6. I need a plan because I am 99% certain.
7. I need straight up work.
8. I need a plan that includes a script and a title and a schedule and a big fucking salary..to pay my big f'ing alimony and tuitions.
9. I need Work that is obviously understood by any reporter.
10. I'm needy

And when you're referring to "I" are you talking about me or you?!!

Ha

Me

Ahole

And me. Let's get together

Where are you next few days? You going to Nantucket?

Plum island MA alone

Ok. Let me figure out how to get up there this week. Geolocating now

Dec 5, 2018, 9:21 AM

Dec 5, 2018, 3:50 PM

Why are banks closed?

And thanks

No worries. Open tomorrow. Bush memorial services day of mourning

Dec 6, 2018, 9:38 AM

Dec 7, 2018, 12:34 AM

Yes thx man

Dec 10, 2018, 5:50 PM

Any news about anything

Dec 10, 2018, 8:49 PM

Trying to close this ePlata series A. Tough but hopeful something will drop.

How much

Dec 11, 2018, 4:53 AM

5-10mm

Dec 11, 2018, 6:06 AM

How much money am I supposed to do if the phm closes?

I can find out but assuming slightly more than the last closing because it's at a significantly higher valuation (but you were diluted).

Why was I diluted

Because with each partial sale the investor has purchased some of the overall equity in the company. So everyone is pushed down in their overall shares.

Whats up with American Well? Wow should check that shit out.

And I thin k I may go to Dubai for this meeting

I don't know the details but basically the first sale was 30% by blue cross blue shield at 250mm Val, second was PE at 400mm and third (next is at 850mm)

Just to show mum face and play it really low key and not hang or drink at all with them

Not sure in American well. I've called the investor relations in the past but never got back to me. I will try again because haven't tried in a while

Trying to think of some guys in greek community who might. Be interested

Yes good

Are you around Thursday?

Yes for sure

Dec 13, 2018, 7:04 AM

Nice quote from uncle jimmy. I hope you thanked him for that 😊

Dec 13, 2018, 8:16 AM

Took it totally out of the context actually the text itself that it was said in

Either way yeah I'm delighted

Dec 16, 2018, 9:51 AM

You going to make it down to NY this week?

Dec 17, 2018, 10:28 AM

When does Burisma money come?

It should have gone out. I'll check now

Dec 19, 2018, 6:56 AM

Wire has gone out

Thug buddy really appreciate

No worries. Also just asked Vadym again but haven't heard back

Just got confirm wire completed

Vadym said wire went out yesterday.

Dec 20, 2018, 6:35 AM

So what does that mean In terms of hitting my account? Today by 2?

Mine should have hit yesterday morning and B today at some point. Went out Tuesday from there.

So what do they do split mine on two and send half direct to you? Or does my bank split it?

Or does Kathy split it

We have not been splitting for past few months but generally yes she sends half after it gets to your account.

I don't understand why is that? Why is that and where does my other half go then. Half of 5 right?

Half of 5 is around 40 before taxes right and then we split which nets me around 12 p/m right?

Did they cut me in half again? Where has you \$ from then been coming?

What's app

I haven't been getting shit unless from you. Not sure but fairly sure they didn't cut you. I think it's around \$42-45k gross monthly depending on the euro. Let me ask Vadym today. No idea where your half is going.

Your other half because it hasn't been me since May I think.

But I am going to find out right now

Dec 20, 2018, 9:34 AM

FYI...The total amount monthly is \$40k ++ depending on the dollar euro exchange to sum to \$500k annually gross. Verified with Vadym and Katie. That hasn't changed and Katie hasn't sent me half since May 2018.

Why?

And Katie has no fucking clue b/c she told me she has no idea and that it was all handled by Cindy at the bank?

Call me

Call you in 10 min. Just wrapping up.

Dec 20, 2018, 1:33 PM

So I don't get it when you said "Mine should have hit yesterday morning and B today at some point. Went out Tuesday from there." What are you talking about? Call me buddy.

You asked about the wire and I sent you \$2500 wire yesterday and should have hit same day and then secondly Burisma's wire should hit today

Dec 24, 2018, 11:32 AM

Merry Christmas brazzah!

Mar 6, 2019, 6:25 AM

Why did your dad's administration appointees arrest me and try and put me in jail? Just curious. Some of our partners appointees arrest here.

Why would they try and ruin my family and destroy my kids and no one from your family's side step in and at least try to help me. I don't get it. And I'm depressed. Bunch of these Asians getting in my head asking me the same so just curious what I should answer

Mar 6, 2019, 7:56 AM

Buddy are you serious. Because. There's no connection or control between the two, the same the justice department can investigate and prosecute this president and his family it does for all administrations. It's democracy. Three co equal branches of government. You are always more vulnerable to the overreach of one of those Co equal branches when you are in power. Every presidents family is held to a higher standard is a target. It's the price of being the most powerful group of people in the world. It's why our democracy remains viable. It's unfair at times but in the end the system of justice usually works and like you we are redeemed and the truth prevails. The unfairness to us allows for the greater good.

I'm depressed

I love you anyway. Everyone other than you sucks including them all

And your brother was with me

Yes he was and I always am and turn the discussion around Devon. Every great family is persecuted prosecuted in the us— you are part of a great family—not a side show not deserted by them even in your darkest moments. Thats the way Bidens are different and you are a Biden. Its the price of power.and the people questioning you truly have none whereas you do through perseverance and poise.

Love you bro. Sorry. A long way from home for a couple weeks and demons are talking to me.

Mar 6, 2019, 5:07 PM

I love you too buddy. And know that I understand, but please of all the people in the world to decide to put the blame on please don't let it be me. Almost Every other person in my life has done that and I'm somehow the source of all their disappointments. I'm beginning to believe all of them. And we aren't a banana republic buddy. The powerful are targets in this country the more powerful they become. But the truth prevails if you have the stamina and guts and enough love to stay the course.

I never blame you btw.
