Some Try to DDoS the FREEDOM of "Others" Boundless 10/22/22 (Sat) 15:43:18 [No.18826](#) [\[Last50 Posts\]](#)

Leftists LOVE to Actually DDoS Reality!

They Will NOT Tolerate ANY Thoughts In ANYBODY Divergent to Their Own Contrived, Handed-Down Reality Based on Nothing But CONFORMITY to Their Own Hateful & Divisive Ideology.

Let me give a brief analogy that relates to how *Leftists*, like "**Johnny Neptune**" interact with "*Others*" in the area of "*Freedom-of-Speech*"...

Let's say there's a crosswalk crossing the street. You have the Freedom to cross the street on the crosswalk, and people who are driving vehicles have kind of an unspoken duty to stop for you and not run you down. What if, however, you choose to exercise your "*Freedom to cross the street on the crosswalk as a pedestrian*" over and over and over again, by walking back and forth across the street over and over and over again, until you are **DEFINITELY Impeding** on the Freedom of "*Others*" to drive down the road!

> **inb4 cars are bad, mmmkay?**

> **inb4 moar Diarrhea Hate-Spam from "*Johnny Neptune*" because he is incapable of grokking the above analogy, that even a child could understand – and EVERYONE Can See How the Analogy Applies to HIS Actions!**

As for the attached Video, EVERYONE Could Learn MUCH From Watching It.

We ALL Have Our Own Special Relationship With "Persona" and perhaps we ought to examine that relationship more, on occasion...

Here's another example of someone taking the stance of trying to Control the Behavior of "Others", and literally **DDoS**ing theirFREEDOM, then denying that that's what he's doing! Lying, and **B**lame-ing it on "Others"!

it is neither wrong nor delusional.

cults have and require followers. anon abhors followers, and truth needs no such lemmings.

But as you remember, after the 2020 election, I was getting under your skin, and you actually said some weird shit about guns and people like me being killed soon when people like you start some kind of trump Civil War garbage

And that's what I've been punishing you for, giving you shit anddoing everything I can possibly think of to piss you off

It's got lyrics but I never got around to that part. It's a metaphor comparing relationships to playing the roulette wheel

Boundless 01/25/23 (Wed) 18:43:22 [No.38771](#)

By the way, that song called Nasty Rhythm by the DJ creative thieves is one of my favorite fucking songs ever....

WHY ITS ONE OF MY FAVES :

It begins with water

And slowly gelatinates into the most hypnotic of melodies

And the black female vocalist is dynamite

100% authentic Groove and funk

And the lyrics of the song say it all

" it's the nasty rhythm. It's the hot stuff! "

The perfect groove while fucking your girl

It's the theme song to fucking

But then the interesting part happens:

GRANULATION

Her vocals suddenly become sliced with a razor blade, with the empty sections being so small that they are almost imperceptible

Sliced into digitally Surgical 32nds Segments

And as the mathematic equation continues, those tiny splices grow larger and larger, more empty space and less noise

The grains of sand are wearing down, and the empty spaces between them become more and more pronounced

Until her voice is so fragmented, that it's more reminiscent of nitrous oxide at the dentist office than an actual song
Anymore

in fact, I love NASTY RHYTHMSO MUCH

That I included it in two of my songs this past year

This Is My remix of I remember, and if you listen to the original song, then and probably only then will you be able to recognize how much of this remix is actually me, and how little of it is the original song...

Again, I refuse to go back to computers to sequence my music

I'm the one man Army against using computers

They serve no purpose anymore, clumsy and tethered and pretentious

So basically everything you're hearing in this song with the exception of the woman's vocals is actually me.. not the original song

I started from the ground up recreating the drums and ethereal synthesizers, then I added my own elements, like the grand piano and an even bigger half Tempo drum track, and a big fat 303.. then I went old school and sampled the lyrics "here come the best" from a HYBRID orb remix

So yeah.. I love the song Nasty Rhythm so much that you can hear it towards the end of this number

I like including it in everything now.. it's my theme song because I am basically a walking fuck stick with feet these days

So if you listen closely, you will hear a nasty rhythm in this song and it fits perfectly.. in fact, it fits so well you might not

even recognize it while it's happening.. but it's in there, so listen to this one more time, and keep an open mind about it

I included nasty rhythm in my talk talk remix of life's what you make it as well

This "**Johnny Neptune**" Persona is an insufferable Cunt who most intelligent people realize is not worth interacting with whatsoever in any way.

All he does is Attack Personas and LIE.

Case-In-Point:

> **you actually said some weird shit about guns and people like me being killed soon when people like you start some kind of trump Civil War garbage**

An oft repeated lie he continues to portray as some kind of truth, yet has never been able to back up his assertions with so much as a screenshot, let alone a link to said threats, because these threats only exist in his pathetic TDS imagination, where everything in the Universe is about the object of his obsession, a Persona named Trump, and the Hatred he feels toward anyone who does not Hate Trump as much as he does. **A Pathetic Lie and a Cry For Help.**

[>>38750](#)

> **I promise I won't be an asshole anymore**

But he won't be an asshole any less either!

Just Like the Serial Abuser his Persona IS.

[>>38752](#)

> **Notice that I've been an unimaginable abominable asshole to you, but I never made a threat**

This is one of the biggest whoppers he's ever made.

Andrew McGovern, aka "**Johnny Neptune**", has made repeated threats against me, my family, and most every single person he has ever interacted with in his life, at least online.

And I **WILL** Post PROOF! (Unlike him, because he *has* none for any of his assertions.)

This entire thread, in fact, relates to his idiotic behavior: [>>4373](#)

And here's two posts in that thread with attached PDFs showing the kind of threats he makes:

[>>18557](#)

[>>18594](#)

He threatens a LOT of Physical Violence, Including Repeatedly Threatening to Rape my daughters; especially when they were still minors.

The Stance that his Persona continuously takes is pathetic, weak, and hate-filled.

There is no reason that *anyone* in their right mind would *ever* interact with someone taking that Stance.

[>>38753](#)

He should be more concerned about his *own* health; especially his **mental health**.

[>>38754](#)

[>>38755](#)

[>>38756](#)

[>>38757](#)

How *little* he knows of ANYONE'S "**Conditions**"; including his own!

He mostly makes assumptions based on the LIES he's told himself, and repeated over and over and over again. Pathetic.

[>>38758](#)

[>>38759](#)

[>>38760](#)

[>>38761](#)

[>>38762](#)

[>>38763](#)

[>>38764](#)

[>>38765](#)

[>>38766](#)

[>>38767](#)

[>>38768](#)

[>>38769](#)

[>>38770](#)

[>>38771](#)

[>>38772](#)

[>>38773](#)

He's wasting his time. I don't even click on any of his shit anymore.

I haven't found any value in *any* of it for quite some time.

[>>38774](#)

He thinks he knows where I live! **He doesn't.**

But he *is* correct about Yakima & Tri-Cities. **They Are Shitholes.** (I've been to both places.)

Luckily, I've never lived in those cities, and never will.

Not really into Cities of *any* kind.

The funniest part is that this "**Johnny Neptune**" Persona actually lives in Atlanta, Georgia!

And I realize he's going to insist that he lives in a different area (North Atlanta, Buckhead, which is rapidly turning into a worse shithole every second!) so it looks different there

But that's not true. The entire Atlanta, Georgia area looks so damn depressing and dismal and dehumanizing and deplorable

That's my opinion, and I'm sticking with it.

We *can*, however, agree on one thing:

[>>38775](#)

> **It's a real shit show out there**

Mostly because:

[>>18826](#)

> **Some Try to DDoS the FREEDOM of "Others"**

with their shit-show.

Just like this "**Johnny Neptune**" Persona constantly does.

TUCKER CARLSON'S SECRET TEXTS EXPOSED IN LAWSUIT 02/17/23 (Fri) 20:00:06 [No.38914](#)

what the Fox News documents revealed:

■ "Watching Giuliani! Really crazy stuff. And damaging," Rupert Murdoch said in an email in mid-November, as the network he founded broadcast a lengthy, rambling press conference in which Trump lawyers Rudy Giuliani and Powell made allegations of hackable voting machines and a wide-ranging conspiracy involving foreign communists.

■ Tucker Carlson told a producer soon after the election that Powell “is lying” about voter fraud, the documents show. Carlson would text Fox News host Laura Ingraham the same thing later in the month, adding that “it’s insane” and “it’s unbelievably offensive to me. Our viewers are good people and they believe it.”

■ “She is a f-- nutcase,” wrote Carlson’s producer, Alex Pfeiffer, referring to Powell.

■ “This dominion s— is going to give me a fucking aneurysm,” Ingraham's producer, Tommy Firth, wrote at one point, according to the filing. Firth had concluded the Dominion claims were false, according to the filing.

In the filing, Dominion alleges that Fox News actively participated in shaping the narrative of a stolen election, even as Powell was sending hosts outlandish claims.

In an email Powell shared with Fox News host Maria Bartiromo ahead of an appearance on the network, a "source" advances allegations about Dominion alongside claims that U.S. Supreme Court Justice Antonin Scalia, who died earlier that year of a heart attack, had been murdered in a "human hunting expedition" and that she communicated with "the Wind."

< **While Johnny continues to smoke joints of disgusting vegetable matter, on top of his crippling emphysema!**

I don't think he has long for this world, and he *knows* it. Not that he cares. He hates humans anyway. He's just waiting for the suicide pods to be available here too. **His misery is so obvious.** I tried to help him, but he's not interested in anything but spreading negativity and hate.

> **Just busy creating a positive future.**

As we *all* should be doing.

Have found that exercise is the best pain reliever. That, and *pranayama*. **Highly Recommend.** (Look Up *Tummo*. Even

the Wikipedia article has got a lot of good information. On certain subjects they still do. Their article on *Mahamudra* isn't bad either.)

Keep Posting REAL News, Killcen! If, for no other reason than to give Johnny something to direct his childish attacks toward. I just don't have the time to interact with him.

Johnny is still unaware that Raffensperger is actually the one who committed crimes! He still thinks he's been posting the "full tape of the phone call", when it was obviously edited to try to make Trump look bad.

I have *never* liked Trump, the *person*, or the *persona*, but **no one can deny that President Donald J. Trump is on the side of *The People***. Can any of the so called "*leaders*" that Johnny supports give off that impression in any way whatsoever? **There is soon to be a Reckoning.**

lol @ him thinking that the Tucker Carlson texts prove anything besides what he repeatedly said on air, in public! EVERYONE Has ALWAYS Thought That Sydney Powell Was a Buffoon!(With the possible exception of many Qwards; but everyone thinks they are buffoons too. **Controlled Opposition.** They actually don't know that they're following and believing in the content delivered by bots. **The evidence is quite clear.**)

I'll be back on occasion to post things I consider important, and to push Johnny Neptune's buttons, for his own spiritual growth, of course! I can't say that he hasn't helped with mine!

He may be a miserable cretin, but as an example for how **NOT** to act as an adult, his stance provides excellent specimens.

There's some shit going on with this site again (and I don't think Jim likes me very much, considering he's still courting the Qturds), so may make myself scarce while I concentrate on more important things for awhile...

More examples of what was referred to in OP.

More Projection, Fixation & Obsession,tearing down *Personas* with Diarrhea Hate Spam, **like the schizo bot does.**

I've already deleted many hundreds of its posts from this very thread in the last several months, and will be brutally deleting many of these too; but I'll be nice enough to archive it first so it can't whine about "muh freedom of speech".

The mental illness is beyond apparent; and there is no reason to let the schizo bot get comfortable with posting its diarrhea hate spam on this board or in this thread, so a brutal **Delete by IP** is Incoming...

If you'd prefer to read something more enlightening...

In fact, some of this will be much more likely to get your voluntary Janitorial attention more than other parts, I'm sure

No need to take out the old toilet plunger when one of my turds mentions voting Republican in 24

But suddenly when I start expressing myself artistically, you insist the toilet is clogged with my feces again

Isn't that right?

.....Isn't that peculiar?

Unless I'm mistaken, for some strange reason it seems that you only want to delete content that mentions your past history with drugs

But anything leaning towards your particular fanatic political beliefs is deemed acceptable free speech

You only delete the things that you're embarrassed about

It's strange how you are so pliable when it comes to standing up for your constitutional rights

If I didn't know any better, id almost think you won't even allow people to ask simple honest questions

That's like squashing freedom of the press.. you're trying to obstruct investigative journalism with your censorship

Instead of Simply answering the questions

That's your version of constitutional rights?

Obstruct investigative journalism and squash freedom of speech? Really?

I'm not making any accusations, and there's always a possibility this reporter could be "barking up the wrong tree"...

But as Killcen explained recently, **Leftist communist Democrats are trying to determine who can and who cannot be a journalist...**

And I know how important the Constitution is to you

What with the freedom of press and freedom of speech and freedom of this and that.. the freedom of whatever..

Those constitutional rights you're so concerned with....

Certainly you're not going to censor a budding Young up-and-coming investigative journalist like me, when I'm simply doing my job.. right?
