Roe VS Wade is all theatre sac aka theonemirror 06/27/22 (Mon) 23:25:23 [No. 17848\[Last 50 Posts\]](#)

this site was killed.

Jeezus!

But I'll post anyway.

he Supreme court is packed now with pro conservative (and liberal) corporatists

They favor some pro conservative social issues and all pro corporate issues(eg: They always vote anti labor-unions.)

The congressional Duopoly don't want to vote on the touchy vote losing issues like abortion and guns, so they passed the decision making on to SCOTUS, as SCOTUS doesn't lose votes like politicians would deciding on sensitive stuff.

Scotus, being pro Corporate, just the way the duopooly likes it, is also always going to be anti-abortion and pro-gun, etc as these social issues are bundled together with economical issues by conservatives.

So the economically disadvantaged always shoot themselves in the foot when they elect the likes of Mitch McConnell with his fake support of anti-abortion pro gun rights bundled with his pro-corporate court appointees.

Democrats are pro-corporate and go along with the regressive decisions passed by the supreme courts(National and state) on social issues because these same courts support the Democrat's pro-corporate agenda.

the Democrat's pearl clutching over Roe VS Wade is all theatre.

Is Andy still alive?

Did covid or crack or fentanyl get him?

I hope your fam are ok.

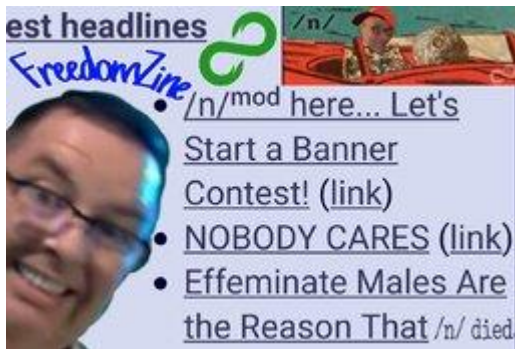

I believe you have some daughters and I hope that they have brought some sanity to your life.

I occasionally post on 4chan news, as old habits are hard to break, but I miss the weirdos like myself that I use to interact with on the old 8chan news.

Andy is still alive. Sorta more like one of the "*Undead*", really.

He got driven forth from this board and was Contained over on [>>>/pnd/](#) where he still posts voluminous diarrhea hate spam, with occasional good humor, but yeah, he's been pretty miserable lately. Things haven't been going his way, I guess.. Killcen & I still interact with him pretty much daily over there. I had no time, energy, nor the inclination to clean up his constant messes.

And yes, family is important. Mine's doing well. Daughters all grown up and the youngest probably moving out in a few weeks, so *Empty Nest Syndrome* soon to hit, I suppose, but I should have no trouble maintaining something at least *resembling* sanity!

(sac,) is that really (You)?

You've been missed.

My gf even asks about you still on occasion.

She'll be pleased to hear that you have survived the Apocalypse so far!

2 daughters?

Roe vs wade...it may be a bad time to be a woman.

I was pro-life, the whole 9 yards, til a woman said she missed her period to me.

I used a condom, but it slipped off because of my tiny dick.

I said it's her choice.

But was I ever relieved when she got her period again.

see..I'm wasting my life here already.

Here's what I typically post on 4chan/news/

Putin brings out secret weapon...300 lb general to sit on Ucranians and then devour them

He eats 5 meals a day washed down with a bottle of vodka

The veteran of Russia 's war in Afghanistan is known as General Pavel.

Pavel was a soldier for more than 40 years and became a commander of Russia's special forces but that was 25-years ago when he was younger and fitter.

Up until recently he was living in a Moscow suburb but is understood to have been ordered to return to active service last month.

The officer is so fat that he has to have his uniform specially made and wears two sets of body armour to cover his substantial girth.

[>>>/pnd/](#) is actually **Politics, News & Debate**. When 8kun came back /pol/ tried to make a comeback. They tried to do it there, hence the /nsg/ thread and the Hitler banners. I think Jim booted the old board owner, and nobody really moderates it, so it's a free-for-all, but it is Definitely NOT Anything like /pol/ (although many have tried and failed to make it so). 4chan/pol/ often rolls in and usually rolls right back out, because of Killcen & Johnny spam. I also do what I can to be annoying there. It's much like>>>/n/used to be. It's pretty much just the over 50 crowd, and *Marshmallow Sally*, the Quatrain-spouting "Antichrist".

I'm well aware about Tucker.

The *powers-that-be* won't let us have any REAL News though, and he seems to have enough power to pull off saying more than most can get away with, so he's on the list of media sources I consume.

Besides, just *thinking* about Tucker sets Johnny off as bad as he gets deranged when thinking about Trump, so I try to push his **Tucker Button** whenever possible.

Maybe I'll go push it some more later tonight!

Still busy in the garden right now...

I think I'll drop a post in the Johnny Thread too in the next couple days.

He's been going insane lately, AGAIN; and his Constant LIES & Assertions should probably be answered somewhere, **But I Will NOT Play With Him Anymore**. That's why he lies and tries to draw you out and waste your time and energy constantly defending against his lies; but I won't do that. I'll say my piece once and be done, in my own area. I could give a fuck what some underage b& halfchan rejects think of me. Anybody who believes ANYTHING Johnny says about ANYBODY is pretty much a fool anyway.

Here's the real situation happening in here right now :

Jerry would have you believe that I'm brainwashed by some kind of "cult of hatred", that I'm an angry, unstable individual who "hates myself so much, that I 'tear people down' to make myself feel better", and he continually accuses me of PERSONA WORSHIP, saying I'm "being brainwashed" by the BIPARTISAN HOUSE SUBCOMMITTEE JAN 6 INVESTIGATION...

do I seem particularly unstable?... Angry?

LMMFAO !!

Meanwhile, that's simply what JERRY wants you to think... He's trying to manipulate facts, so they appear to work in his favor...

"If freedom of speech is taken away, then dumb and silent we may be led, like sheep to the slaughter"

Jerry LOVES his imaginary "unique freedom of speech", and exercises it at every opportunity...

He was exercising his freedom that f speech as he MADE VEILED, AMBIGUOUS THREATS OF VIOLENCENOT-SO-SUBTLY DIRECTED AT ME, claiming I am a radical left wing liberal, one of the alleged "enemies" in an imaginary fantasy "upcoming civil war", in which people like him were going to suddenly become experts, able to look at other Americans and determine whether or not they are his enemy, and commit acts of violence against them,in retaliation for stealing the election for "a stolen election"...

100% true....

18 months ago, Jerry (WHO ALLOWED HIMSELF TO BECOME BRAINWASHED BY THE LOWEST-LEVEL "CULT OF PERSONA" IN HISTORY) began insisting that **he allegedly had top secret classified information unavailable to idiots like me which proved the election had been stolen....**

Hold on a minute.. I'll be right back.. I have to laugh and vomit at the same time and I might aspirate... Brb

Well, 8 billion humans MINUS the brainwashed cult of persona, who actually believed the bullshit Doubleday books pumped out by means of a talented Ghost Writer, who actually developed the entire persona in the book 'art of the deal', since the failed businessman mouth breathing AMBER APEMAN is incapable of reading or spelling...

Other than those **easily fooled cult members**, basically 8 billion people have been doing my laughing for me, over the past 10 or 11 days as the evidence has been methodically presented in a very well constructed presentation of sworn testimony...

18 months ago, Mr word circles (I really love Jerry like a brother or a business partner or something, but I'm not going to mince words, and he's Mr word circle alliteration and double entendre, a curved line which connects back to itself every time, a giant circle of words with nothing being said, and he thinks this is the technique for making people think you are some kind of wise maharishi) "'Mr Word Circles began POSTING THE NUMBER OF 'FAKE BALLOTS' that proved the 'election was stolen by dangerous violent misinformed radical idiots'...

(Ask him what part I got wrong so far, because he's become very skilled at deflecting accountability or assuming responsibility for his own behavior, and still seems very willing to point fingers at others in a child psychology 101 act of desperation)

He had some 7-figure or 8-figure BULLSHIT NUMBER, like '230 billion fake ballots' he kept yapping about... (Strangely enough, now that the real story is public information, he's no longer yeah about 'having access to top Secret confidential national security interest information', saying he had reliable sources... But he hasn't begun accusing you of being a dangerous brainwashed cult following radical threat to society yet, so maybe if you ask him nicely, he will tell you the exact number of stolen ballots HAHAAHAHA seriously, ask him, let him put his foot into his mouth one more time)

It was 17 months ago when he started losing his ability to control the sore loser who can't control his own soreness and childish temper tantrum refusal to admit his team LOST, which let him to begin making weird vague veiled ambiguous threats of violence against 'people like me', American citizens, because the election was stolen HAHAAHAHA and he was now threatening to participate in a violent civil war, in which gullible brainwashed members of the 'world's most embarrassing cult of persona' would now be making the terminations on "who was a liberal or who was a patriot" and commit acts of violence against them....

YOU'RE FOLLOWING ME SO FAR, RIGHT?

Or NUMBER CIRCLES™ (ask him how many fake ballots the dangerous liberals used to steal the election)

Or FACT CIRCLES™ (the sworn testimony of William Barr, Mike Pence, Gen. Milley, Ivanka Trump ,Jared Kushner, and every other person Jerry helped get hired at their four-year gig in the White House clearly proves that Jerry's facts are all QANON LEVEL BULLSHIT™)

or ACCUSATION CIRCLES™ (by this point, you're already aware he's accusing me of the very thing he's been doing all along, accusing me of 'believing in persona' when he actually fell for the 'Doubleday books genius businessman Maverick Patriot with a weird haircut and a beautiful (vomit) wife' drivel, accusing me of being a 'dangerous brainwashed radical trying to overthrow the government', while he and his ilk were simply trying to determine Mike Pence's Neck Size on Jan. 6th to determine the right size shirt as a present)

Or TURD CIRCLES™ (remember, he insisted his '780 trillion fake votes' was THE TRUTH, insisting he has 'reliable sources' there in his home in Washington State... as if the trilateral commission keeps a BAT PHONE in Jerry's living room, and fills him in on all of the latest top secret details..... HIS RELIABLE SOURCE IS NONE OTHER THAN **TUCKER CARLSON**, nothing more, and nothing less, and he accuses others of being brainwashed by mainstream media, convinced FOX is 'high level security clearance top secret information')

100% true

I love Jerry like a brother or a real life buddy I've known for years, I swear to God.. I actually feel like I know him in real life because we grew up around the

same time and we watch the same trajectory of society and it's never ending collapse...

And I feel like I know him, and that's how I'm able to predict he's going to deny making big veiled threats of violence towards me...

But he did... He avoided terroristic threats by playing word circle games, but the statement was loud and clear :

HE HAD TOP SECRET INFORMATION THAT PROVED THE ELECTION HAD BEEN STOLEN, FROM RELIABLE SOURCES (hahahahahahaha) AND THERE WAS GOING TO BE A CIVIL WAR ANY DAY NOW, IN WHICH PEOPLE LIKE HIM WERE GOING TO COMMIT ACTS OF VIOLENCE AGAINST PEOPLE LIKE ME, TO RETALIATE FOR THE STOLEN ELECTION....

RE: RELIABLE SOURCES

the word 'sources' is plural

But Tucker Carlson is only one source, so he was already using deception when he tried to make it seem like he has more than one source...

RE: RELIABLE SOURCES

I can't possibly think of any more reliable source then any one of the multitude of people Jerry helped put into the White House when he voted in 2016.

These are the very staff members hand chosen by his cult leader, the mouth breathing monkey...

There couldn't possibly be any more reliable of a source then the vice president, or the attorney general, or general Mark Millie, or Ivanka Trump.. I mean Jesus christ, she's his daughter.. even Jared kushner would be one of the most likely Weasley Insiders someone like Jerry would consider to be a reliable source, right?

These are the very same people I have distrusted for five and a half years... I actually despised them, because I was convinced they were brainwashed cult members.. I was absolutely convinced these people would lie under oath...

I was worried they would be like jerry, and continue The emperor's New clothes song and dance of the modern cult member...

JERRY'S VOTE IN 2016 HELPED PUT THESE PEOPLE INTO THE WHITE HOUSE

They weren't hanging out in Jerry's living room.. they were in the White House

THEY ARE THE MOST RELIABLE SOURCES OF ALL, AND ALSO THE MOST LIKELY TO SIDE WITH THE CULT OF PERSONALITY INSTEAD OF STANDING UP FOR COUNTRY FIRST

This is a great time to contemplate why somebody who continually toots a boring horn about LIBERTY thanks being a LIBERAL is a crime....

Why somebody who spends SO MUCH TIME RUNNING HIS MOUTH about 'how rare and precious freedom of speech is' suddenly pretends they're not interested WHEN MIKE PENCE, WILLIAM BARR, GENERAL MARK MILLEY, IVANKA TRUMP, JARED KUSHNER, AND DOZENS OF OTHER TRUMP STAFF USED THEIR RIGHT TO FREEDOM OF SPEECH

Because suddenly Jerry's not interested in the election anymore HAHAAHAHAHA

SUDDENLY, JERRY'S PRETENDING HE STILL HASN'T HEARD ANY OF THE SWORN TESTIMONY FROM THE VERY PEOPLE HE PUT INTO THE WHITE HOUSE!!!

SUDDENLY, HE'S CLAIMING ANYBODY WHO CARES ABOUT THE ELECTION BEING STOLEN IS BRAINWASHED..

That's kind of coincidental, if you ask me..

18 months ago, he began waiting for the truth to come out

17 months ago, he began making weird threats of violence because the truth had not come out yet, and he would participate in violence because the truth was being suppressed

For 17 months, I've been patiently waiting for this glorious moment in time, when the world got to finally hear what actually happened behind the scenes

For 17 months, the world has been eagerly awaiting to NOT HEAR JERRY'S TUCKER CARLSON MANTRA FROM HIS LIVING ROOM

For 17 months, I've been waiting for this

BUT I CAN ADMIT WHEN I MAKE A MISTAKE

HOW TO ADMIT WHEN YOU HAVE MADE A MISTAKE :

example: i, Johnny Neptune, made a foolish mistake, actually thinking vice president Mike pence, attorney general William Barr, general mark milley, Ivanka trump, Jared kushner, and every other hardcore right wing Trump supporting White House staff member would defend 'cult of persona' over defending their country..

I WAS WRONG. I MADE A MISTAKE. BECAUSE MY PERCEPTIONS WERE SKEWED, BASED UPON PRECONCEIVED NOTIONS, GAINED FROM WATCHING THE RADICAL BEHAVIOR AND VIOLENT ACTIONS OF UNEDUCATED HYPOCRITES AND COWARDS, TOO AFRAID TO ADMIT THEY HAD LOST, BUT WILLING TO PARTICIPATE IN VIOLENCE AGAINST OTHER AMERICANS, AS LONG AS THEY DIDN'T HAVE TO ADMIT THEY WERE MISTAKEN

TOO AFRAID TO ADMIT THEY MADE A MISTAKE

BUT I JUST ADMITTED I MADE A MISTAKE

It's really not that terrifying. It's actually a sign of maturity and emotional stability, not to mention intelligence

Jerry is intelligent enough to understand the longer he pretends that he's oblivious to how stupid he looks right now, the more and more stupid he looks with each passing hour....

Jerry is definitely smart enough to realize he already looks stupid, but the longer it takes him to admit he was wrong, it simply makes him look **stupid AND cowardly**

At this point, anybody with 10 years experience of Life on this planet is smart enough to realize "DAMAGE CONTROL DICTATES ACCEPTING THE FACT YOU LOOK SILLY, AND CUT YOUR LOSSES BEFORE YOU BEGIN TO LOOK LIKE A MOTHER FUCKING COWARD"

But Jerry's too afraid to admit that he looked silly making threats of violence towards me, posting imaginary bullshit numbers about stolen election ballots, insisting he could determine who's a liberal and who's a patriot, even though the term Liberty refers to the American tradition of being liberal...

(truth, justice, and liberty for all)

But he thinks he can look at somebody, with his bitch ass sissy pussy boy gun in his hands (without a gun, human beings don't stand a chance, because a three week old baby squirrel can quickly show you who's boss after attaching itself to your face and ripping one of your eyes out)

People like Jerry don't stand a chance without a gun, because they are little boys wearing their plastic sheriff badge and plastic holster and plastic cowboy hat, a little cap gun in their hands, and they think that makes them intimidating...

MUH GUN RIGHTS = without that gun, there's nothing a No. 2 Pencil could possibly do to prevent me from snapping it in half

If somebody pulled a gun on me, which has happened many times before in my life Believe it or not.. 100% true.. I sure hope they're not disappointed by my lack of intimidation or fear.. I've had people point lots of firearms at me before, probably seven times so far, if you don't include having the barrel of a 9 mm place directly against the back of my head by a drug task force agent in Memphis Tennessee (when somebody places the barrel of a gun directly against the back of your head, it turns out you are able to differentiate it from any other object.. it does not feel like an office stapler.. it doesn't feel like a remote control.. it doesn't feel like a magic marker.. YOU INSTANTLY KNOW IT'S THE BARREL OF A GUN SOMEHOW)

And I'm still alive..

Here I am smiling and breathing and trying to find humor in this wretched world...

I'm not an angry miserable person as Jerry would like you to believe... I'm totally disgusted with HIM right now, sure...

Like I said, he's better than this

HE'S BEHAVING LIKE A TYPICAL COWARD, PRETENDING THAT HE'S UNAWARE HIS CLAIMS OF A FALSE ELECTION AND "RELIABLE CARLSON SOURCES" HAVE BEEN PROVEN FALSE

He's hurt every word of the testimony

He simply won't admit it because he's afraid of looking stupid

FRIENDLY REMINDER :

Remember, this whole thing began 18 months ago, when he suddenly realized what a sore loser he truly is, and began the predictable process of pretending

Remember, this whole thing began 17 months ago when he started making weird comments about an upcoming civil war where people like ME we're going to be rounded up for acts of violence because the election was stolen

Remember, this entire thing began about 10 days ago when William Barr WAS NOT FORCED INTO SAYING ANYTHING

Remember, this entire thing began on the first day of the recent January 6th subcommittee presentations, when Jerry first saw the headlines about William Barr saying "Trump had become detached from reality, and the more he said the election had been stolen (a drunken suggestion from an inebriated Giuliani in the white house after they all found out they had lost the election) the more I told him YOU'RE FULL OF BULLSHIT! THIS IS BULLSHIT.. and I resigned in protest against him trying to steal the election"

On that very first day of the recent subcommittee hearings, **Jerry finally got to face reality**, as one by one, every staff member he helped put into the White House gave sworn testimony proving Trump didn't win the election at all, (big boys know that we win some and we lose some, but we wear our big boy pants, because there's always next time)

(And I'm completely aware Biden has fumbled the ball like a real amateur, just like every other president I've seen since I was born, other than Jimmy Carter, who actually didn't fumble anything, but had the carpet pulled out from underneath by the Reagan election team, using dirty tricks to make it appear that Carter was a failed president)

(Because I'm not a Democrat.. I am not a Biden supporter, never was and never will be, I'm not a Republican, I'm not a liberal, I'm not a conservative, I'm not a progressive, I'm not middle, I'm not left, I'm not right, I'm not any of those fucking labels because that's brainwashing)

(And of course I'm fully aware the Republicans are going to take the White House in 2 years, and I'm wearing my big boy pants because I don't give a fuck either way)

I'm just a human being who happened to be born in the United States of America at a particular time in history, and I'm nothing more and nothing less...

I'm not a maharishi with reliable sources who looks within but refuses to see the coward, too afraid to look stupid, so he decides he's going to look stupid and cowardly instead

I'm not a great Patriot with a magical gift of visually determining which American citizen is my enemy before I kill them

I'm not a cult leader who can barely spell his own name, and relies on worthless effluent like Giuliani, completely inebriated, barely able to stand up as the White House staff begins accepting the fact that they lost the election and slurs his words to Trump "jhust thhat that they stole the election"

I'm just a human being, who believes people should be allowed to pursue their own happiness, even if that means it might even be dangerous for them AS LONG AS THEY ARE NOT CAUSING HARM TO OTHER PEOPLE

They have a name for my belief:

L I B E R T Y

To be liberated from other people's rigid rules and moral constructs, free to live my life the way I choose to live it, to raise my children the way I choose to raise them, even if it means getting high or having a fixation on small breasted blue-eyed blonde haired swedish 18-year-olds.. this nation was founded on BEING LIBERAL

But I don't call myself a liberal

Nor do I call myself a libertarian

And I'm not a librarian either

Those are all bullshit labels, and none of them apply to Jerry or to me

I'm just a mother fucking human being, trying to find something to smile about as we continue watching the ongoing, never ending, downward trajectory of a bottle rocket out of control...

EPILOGUE :

It seems like someone who had reliable sources about a particular number of stolen election balance and faked votes would have been very interested in the testimony of the vice president he put into office

Don't you find it peculiar that Jerry is suddenly Mr. "Eeehhhh naahh I'm no longer interested in the election details" ?

Don't you find that kind of peculiar?

There are 8 billion humans who find Jerry's sudden change of mind to be very very peculiar indeed

JERRY HAS HEARD EVERY SINGLE MOTHER FUCKING WORD OF THE SWORN TESTIMONY FROM THE EXACT SAME PEOPLE HE PUT INTO THE WHITE HOUSE

They've done an exceptional job of presenting the testimony of White House Insiders, all the way down to details like "massive dumps at 3:00 a.m."
hahahahahaha

Jerry is embarrassed as fuck right now

And he deserves to be embarrassed

Because he's smarter than this, but he allowed himself to look like a fucking idiot

LOL @ WILLIAM BARR TRYING TO EXPLAIN "I'M SORRY SIR, BUT WE LOST THE ELECTION" IN THE OVAL OFFICE - AND THE CAVEMAN THROWING A 4-YEAR-OLD TEMPER TANTRUM, SMASHING HIS DINNER AGAINST THE WALL OF THE OVAL OFFICE, WITH PORCELAIN FLYING EVERYWHERE AND FOOD SPLATTERED ON THE EXPENSIVE WALLPAPER

Follow the leader, right jerry?.....

Follow the cult leader....

Now, stick your arms out like a zombie and begin repeating the mantra "stolen election, you're a dangerous violent mob member liberal Democrat"

That's it.. keep going

You're doing a good job !!

Keep it up

Meanwhile the entire world knows exactly who the dangerous violent mob is, we all know who's radical, and we all know who's uninformed, actually lying to you earlier about having a realistic perspective towards Tucker carlson, trying to minimize the fact that he's got Tucker Carlson's dick so far up his ass, that Jerry's eyelashes flutter every time he sees somebody wearing a bow tie

Tucker Carlson is Jerry's 'go to' when he feels the need to be reassured that he's a sophisticated elite snob, actually vampiring the false pretense of pathetic wimp Carlson...

He thinks maybe some of Carlson's self entitled false sense of superiority and snobbish elitism will rub off on him

But then again, back in the 80s, Jerry used to buy gray poupon mustard, convinced people would think he was a millionaire who normally drove around in the back of limousines making sandwiches

IMPORTANT ANNOUNCEMENT:

14 days ago, I made a promise.. and I am a man of Honor and integrity, who not only admits my mistakes (like admitting I was wrong about the Trump supporting cabinet members Jerry helped put into the White House, having been proved wrong when they stood up for the truth instead of standing up for an attempt to steal the election.. an attempt to overthrow the United States government by dangerous radicals)

I was wrong about them and I'm not embarrassed to admit it.. I might look a little bit silly right now, but I'd rather 'look stupid' than to 'look like a stupid coward'

I'm a man of my word, so when I promised I was going to invest 365 days into mentioning Jerry making weird threats of violence towards me because he's so fucking stupid he actually fell for the stolen election drunken concept slurred out by Giuliani as he had to hold on to a chair to prevent him from falling face first", Jerry knows me well enough to realize he will endure every single one of these 365 days, with only 2 weeks behind us so far....

And I'll stop rubbing it in his face

IMMEDIATELY AFTER HE ADMITS HE WAS WRONG, THE ELECTION WAS NOT STOLEN, AND APOLOGIZES FOR MAKING THREATS TOWARDS ME

(I told you I love Jerry like a brother, and has proof, I present exhibit A: if anybody else threatens violence against me, they're either going to jail or to trauma center at a local emergency room.. I'm not a tough guy, not by any means.. I'm just an old man, average everything. Nothing particularly special about me, and in most ways I'm actually quite inferior..... And I've never backed down from anybody in my mother fucking life, and I'm not about to start right now)

If you make threats against me, or my family, I hope you're ready to be convicted and sentenced.. and if not, don't be surprised when you wake up with a tracheotomy in an emergency room somewhere, because motherfucker nobody threatens me and goes unscathed)

If I allowed somebody to make weird threats against me, and I didn't do anything about it? That would be like inviting everybody else to come and take their turn...

Fuck no..... I'm not a badass, I've already made that clear....

THREATEN ME, AND I'LL LITERALLY SHOVE A TABLE LAMP THROUGH YOUR FACE, AND THE LONGER IT TAKES, THE MORE I'M GOING TO LAUGH...

I don't need a pussy ass gun

Guns are like admitting you're defenseless

Guns are a statement :

"I'm incapable of defending myself"

Disclaimer: this post and the subject matter and contents thereof - text, media, or otherwise - do not necessarily reflect the views of the 8kun administration.

Boundless 07/06/22 (Wed) 16:02:58 [No.17904](#)

Guns are usually used for exactly their intended purpose :

Making a weak defenseless gullible worthless piece of shit human being feel like he's a tough guy...

It's against the law to commit murder in a futile attempt of proving what a badass you are, so most gun owners have to settle for second best :

MURDERING ANIMALS....

Even soft gentle loving non-threatening animals like deer... Even baby deer...
KAPOW!!!

The entire time pretending they are unaware that if they didn't have that sissy gun in their hands, a baby deer would kill them within a matter of seconds...

Wearing intentional horse blinders, convincing themselves they are unaware that a baby raccoon would remove 3/4 of their face before they could even yell "SMITH & WESSON"

Every time Jerry talks about his gun, he doesn't realize he's actually talking about his diminishing sexual virility and laughable lack of physical strength

Look.. I'm not here pretending I'm superior, I'm not here pretending I'm a tough guy, I'm not pretending I'm a genius, I'm not pretending I have special reliable sources, I'm not pretending I know the truth while you read fake news.. I'm being rather honest here

I AM LESS THAN AVERAGE

I'M LESS THAN AVERAGE INTELLIGENCE

IM LESS THAN AVERAGE STRENGTH

I'M LESS THAN AVERAGE FINANCIAL RESOURCES

I'M JUST YOUR AVERAGE GUY, MINUS A COUPLE POINTS

I'm definitely not a tough guy

But I don't walk around talking about a gun to make myself seem like I'm tough...

And I'm also not intimidated by people who think their guns make them seem tough and intimidating...

I'm not making threats when I use words to describe a hypothetical scenario in which I knock Jerry's gun barrel out of my direction as I close his windpipe with one solid elbow to the throat

How could I reach the throat of an 8-ft tall 116 lb man?

Easy! He'd bend over to my level after I smashed his sternum with the butt of his weapon

Jerry is an 8-ft tall jigsaw puzzle being held together by metal means all connected at the sternum after some kind of bizarre Patriot incident

So I'm not making threats.. I'm just saying "feel free to come pull a gun on me, tough guy"

Because I'm not a tough guy

And that's exactly why I will pick up a lamp from the nearest table and literally make it come out of the back of your head, even if it takes me 4 hours....

I hope so let's try it again

FUCK YOU, YOU TRAILER PARK PIECE OF GARBAGE WHITE TRASH IDIOT WHO ACTUALLY BELIEVED THE ELECTION WAS STOLEN, MADE THREATS OF VIOLENCE AGAINST ME, EVEN THOUGH I DIDN'T EVEN VOTE, SIMPLY BECAUSE I AM HONEST ABOUT YOUR CANDIDATE BEING A CHILD RAPIST, ONE OF EPSTEIN'S BEST CUSTOMERS, WHO HELPED EPSTEIN REPEATEDLY RAPE A 13-YEAR-OLD GIRL, BUT FIRST INFURIATED EPSTEIN BY RAPING HER WITHOUT EPSTEIN'S PERMISSION, TAKING HER VIRGINITY WHEN EPSTEIN WANTED TO TAKE IT FROM HER, LEADING TO EPSTEIN GOING INTO THE BEDROOM AND PHYSICALLY BEATING THE 13-YEAR-OLD BEFORE VIOLENTLY RAPING HER.. AFTER WHICH POINT, BOTH EPSTEIN AND TRUMP TOOK TURNS RAPING HER BOTH INDIVIDUALLY AND AT THE SAME TIME...

You're a fucking coward who can't even admit you were wrong

Fuck you mother fucker, why don't you come here and threaten me, 8 ft tall badass mother fucker?

That's right, little man....

You stopped making threats all of a sudden

You stopped telling us how many fake ballots appeared in a midnight dump

You stopped caring about a stolen election suddenly

That's coincidental.....

Because you changed your perspective the same day you heard the truth from William Barr and Mike pence

Suddenly, now you're no longer interested in the election, right?..

Suddenly, now anybody who hears the testimony of the people you put into the White House IS BRAINWASHED

Suddenly, anybody who hears attorney general William Barr explain Donald Trump's insane childish temper tantrum behavior behind the scenes after he lost the election HAS BEEN TRICKED INTO A LIBERAL DEEP STATE CONSPIRACY

FUCK YOU, MAHARISHI.. LET ME EXPLAIN SOMETHING TO YOU SWAMI:

I'M 268 LB OF 5 FT 10 AVERAGE LITTLE NOTHING OVER HERE, AND I DON'T OWN ANY GUNS, AND I'M NO BRUCE LEE OR ANYTHING LIKE THAT

I COULD BEAT YOU INTO THE CORNER OF YOUR LIVING ROOM WITH ONE ARM

I DON'T CARE ABOUT HAVING MY NOSE BROKEN OR ANYTHING LIKE THAT, BECAUSE IT'S HAPPENED MANY MANY TIMES BEFORE

IF SOMEBODY THREATENS ME, I'M ALREADY ASSUMING I'M GOING TO THE HOSPITAL ONE WAY OR THE OTHER

SO I'VE ALREADY ACCEPTED THE POSSIBILITY OF SERIOUS INJURY WHEN I DO MY BEST TO MAKE SURE YOU'RE GOING TO THE EMERGENCY ROOM WITH ME, MOTHERFUCKER!!

And I've never seen an 8-ft tall uncooked spaghetti noodle that can't be snapped in several places

So maybe the day you started making veiled ambiguous and cowardly threats of violence against me based on some garbage you saw on Tucker Carlson...

Maybe that wasn't a prudent decision...

Because that's exactly why I'm going to make life so fucking uncomfortable for you in here for another 11.5 months

Until you finally say you're sorry

Until you finally admit "okay, I was lying. I actually did watch all of the sworn testimony, and although I wanted to believe in another answer, I helped put those people into the White house, so I'm not going to continue playing games and suggesting that they are being forced into lying, or pretend that they are actually secret democrats, or talk about glowing catchy trendy catch phrases, or use any other childish tactics like simply covering my eyes and sticking my head in the sand, so I openly admit that yes.. I am now fully aware that Trump lost the election fair and square, and I made threats against you, because I was being tricked and manipulated, and I've learned from this experience, and I've learned how to lose like a man instead of like a child", there's a less than zero chance I'm going to let you come out unscathed

Bullshit

He would like to have you believe that I'm a radical left-wing brainwashed gullible fool, who hates himself and spends his life making other people miserable because it's the way I compensate for hating myself

It turns out anyone who believes in those type of stupid concepts has never really studied psychology, so this armchair playground description of personality flaw and behavior disorder is LESS THAN AN EDUCATED GUESS, you could say...

It's untrue ...

I like LAUGHING....

I hate being unhappy

I avoided as much as possible, and I'm doing an exceptional job so far

Today's young males give me no shortage of laughter, with their bizarre abnormal behavior and disturbing lack of real life experience, not to mention how quickly they drop into mimicry behavior, literally willing to bend over backwards in a desperate attempt to finally fit in somewhere...

Like the 33-year-old man who FINALLY met another human being in person for only 12 minutes, but took photographs and video of them standing together, and rushed to the nearest computer to upload documentation of his amazing success !!!

Proudly and triumphantly announcing "I'VE GOT TWO IRL FRIENDS!!!" After spending 12 minutes with complete strangers...

All three of them lost, confused, void of any human experience, void of any real life interaction or knowledge that is gained from life experience, no history of interaction with females at all, no sexual attraction towards females whatsoever, but a never ending desire to overcompensate for their lack of real life value, seeking the false empty reassurances of an alleged superiority, simply because they happen to look white

(There's actually no such thing as a white person at all, because every human being is one of many many many many many variations of genetic mutation from our original negro DNA base)

But these guys don't actually understand "race" at all... They don't even care about races, because they're not even racist...

THEY ARE AWKWARD INTROVERTED LONERS, WITH NO REAL LIFE EXPERIENCE, SIMPLY LOOKING FOR THE EASIEST BANDWAGON TO JUMP ONTO, A BANDWAGON WHERE THEY CAN POINT THEIR FINGERS AT OTHER PEOPLE AND DISTRACT FROM THEIR OWN SELF-IMPOSED FAILURES AND LACK OF EXPERIENCE

I DON'T THINK I'M BETTER THAN ANYBODY. I'M THE FIRST ONE TO ADMIT WHAT A FUCKING LOSER I TRULY AM

But these little cowards are too afraid to admit that they are losers, the same way I openly admit everyday...

These weird creepy inverted genetically malformed regrettable births became the most incompetent generation in the history of the human species....

(They are a Cancer to the survival of our species, because they will be tomorrow's leaders, but they can't even achieve an erection without a photograph of their mother available, will never reproduce, will guarantee Extinction of their own race with failure to reproduce, and since they have no real life experience even saying "hello" to another human being as you pass them walking down the

sidewalk downtown, THEY'LL NEVER EVEN BE ABLE TO MANAGE THEIR OWN LIVES, LET ALONE MANAGING A COUNTRY OR A GLOBE

Every chat room culture misfit is suggesting there was a secret psychological warfare CIA plot necessary to manipulate this "totally normal average everyday young man" into becoming a mutant asexual angry Manchurian candidate....

hahahahahahaha

YOU'RE GODDAMN RIGHT I LOVE TO LAUGH !!! And there's nothing funnier than holding up a mirror for these losers to look into as I remind them there's absolutely NOTHING even vaguely Superior about an embarrassing and competent inexperienced asexual closet homosexual freak of nature that should have never been born in the first place

So I'm the first one to greet them as they stumble into the other board, a former white supremacy board, now just an empty shell with a few animated banners featuring Hitler here and there.. these incompetent misfits don't even have enough panache to avoid being banned in bullshit 4chat, so after getting their ass handed to them with a permaban, they come running to this website, stupidly believing the animated banners of Hitler mean this is where they can lick their wounds...

unh uhh... Nope....

Bad decision on their part

Quite a rant Andy.

TDS is a real thing, even though tRump is a real cunt.

I'm a socialist Canadian who votes for the NDP(a real socialist party).

As such, I consider myself an outsider and I'd bet that I have a more objective view of the shit show that's tRump and Biden.

the US has become a real embarassment.

I'm assuming that "Jerry" is "Just kiss it"?

I haven't been around here in a while, so I'll assume so.

I made friends with this old guy once, he became a neighbor and held views diametrically opposed to mine.

he's been dead 20 yrs now.

He was 88 when he died.(fuck that term 'Passed')

When your'e dead your'e dead.

He was a kid in the 1930's.

I cried at his funeral.

I vistited him in the hospital weekly for a yr before he died.

I trusted him, even though I disagreed with him about how our society should be ordered.

He was a good man.

But Jerry knows I'm not lying when I say I love kils>>17917

n like a brother or a weird creepy insane grandmother that we keep chained up in the attic because she's embarrassing as fuck and she won't stop drinking and she keeps talking about paranoid delusions but I love her so I've delayed the eventual bludgeoning with a baseball bat to put her out of my misery until at least after all the kids have gone to sleep....

And Jerry knows I'm not lying when I say marshmallow Sally is a 35-year-old adult male who sits in his mother's spare bedroom enjoying access to her Wi-Fi connection and somehow managing to distract himself from his transparent fear of rejection by females (whose fear is lessened by the fact that he's not actually sexually attracted to females, actually a closet homosexual who would prefer you believe his fantasy roleplay character of the asexual intimidating genius Neo-Nazi supremacist of discriminating scrutiny and authority he has gained through his vast Life experiences...

He knows I'm not lying when I say I used to be on SSI welfare disability

YES.. I JUST SAID I USED TO BE ON WELFARE

people who are embarrassed about being on welfare like to refer to it as SSI DISABILITY, because it makes it sound as if they are incapable of functioning in life without somebody wiping their ass because they have some kind of disability.. it's the word

WELFARE they are avoiding.. because that's exactly what SSI disability benefits are.. they are nothing more than welfare money.. just like a lazy worthless nigger with his hand out, thinking he's somehow entitled, having the rest of the world wipe his ass for him, simply because he's lazy...

And Jerry knows I'm not lying when I say marshmallow Sally is on SSI welfare benefits, obviously.. obviously

Jerry knows I'm not lying when I say 60% of chat room culture image board parrots are on SSI welfare disability, and still live with their mother..

Jerry knows the number goes even higher during the daytime, when any adult male sitting in a chat room obviously doesn't have a job...

Jerry knows I'm not lying when I say purple penis puffer will gladly perform fellatio on the first penis that manages to get within an inch of his face...

Jerry also knows I'm not lying when I say he's a coward who doesn't have the balls to admit he was wrong, a coward who doesn't have the balls to apologize for making weird threatening statements, paranoid thinking I was part of some kind of conspiracy to steal an election...

Jerry knows I'm not lying when I say I'm going to spend an entire year rubbing this in his face until he finally has the balls to simply admit what everybody else already knows

Jerry knows I'm not lying when I say I'm going to be disappointed when he finally admits the truth, because I would actually rather poke fun at him for an entire year

Jerry knows I'm not lying when I say I am a recovering drug addict, I have snorted every fucking drug on Earth probably, reached levels of excess with drugs most common Street junkies could never even dream of, having spent my entire life since I was 12 years old getting high or looking for the next buzz..

Jerry knows I'm not lying when I tell everybody I have smoked meth and snorted heroin and taking PCP and tons of acid and I became an expert at manipulating doctors into prescribing me narcotic medications without ever having them detect any malingering on my part

Jerry knows I am not lying when I say I am a fucking idiot who made a bunch of stupid decisions in my life, I created all of my own problems for myself, I am guilty of blaming other people for my own problems here and there, and I've made a conscious effort to be accountable for my own self-imposed failures and shortcomings.

Jerry knows I'm not lying when I say I'm a big boy, and I am not afraid of looking like a loser when I tell everyone that I'm a loser..

I'm not afraid of looking like a drug addict when I tell everyone I have a problem with addiction to drugs...

I'm not afraid of people thinking I'm a meth head when I tell everybody i've smoked tons of meth and snorted a hundred times more than I smoked...

Some people are more afraid of being honest than they are afraid of being seen as who and what they truly are, or what they have done in the past....

So Jerry has no problem accusing me of being a part of a radical dangerous mob, a leftist brainwashed tool, somehow responsible for a stolen elect, and making vague threats about an upcoming civil war, in which Patriots like him are going to kill radical dangerous leftist mobs like me..

He has no problem behaving like that....

He has no problem of using word circles to pretend he's a peace loving enlightened maharishi, who looks within and finds all the answers other people are too stupid to find...

He has no problem proving what a hypocrite he is with every other sentence...

He has no problem demonstrating his inability to look within

But he DOES have a problem with me mentioning certain things here and there

Things about stupid decisions we made in the past, terrified it's going to make him look like he's not a maharishi

Terrified he's going to look like a hypocrite

It appears his staunch right wing political and moral perspectives completely contradict his past

And if you knew his past, you would instantly recognize his hypocrisy

I caught you up to speed with what's been happening here over the past 18 months, but more specifically, now that you're back in the hell hole again (by the way, good to see you, dude! Welcome back) you have stumbled into the EPILOGUE OF 18 MONTHS

This is the part where Jerry proved he's incapable of simply admitting he was wrong

But I won't accept that type of diminished standard of excellence from somebody I know is much more excellent than anything he's doing right now...

I'm the first one to admit he's a genius

And I'm also the first one to point out his hypocrisy

I HAPPEN TO SEE HIM USING HIS CHOICE OF WORDS TO MANIPULATE YOU INTO A PRECONCEIVED NOTION ABOUT WHAT I'M DOING IN HERE SINCE THE BEGINNING OF THE TESTIMONY FROM THE PEOPLE HE PUT INTO THE WHITE HOUSE

I noticed he wants to paint a picture in your mind before you actually see me at work, which you will definitely see, because unless he admits he's lying and he saw the testimony, until he admits he was wrong about his belief in a stolen election (it's understandable that he didn't have the real data, so he was simply mistaken... It's not a big deal.. we make mistakes.. and we own up to them, because we're men, not little boys wearing purple face masks begging for attention.. we are Men)

Until he admits that he was gullible, and allowed Rudy giuliani's drunken "genius light bulb" brainwashing technique to give him justification for making veiled ambiguous threats of violence towards me (it's understandable that a gullible fool can be manipulated into doing bizarre behavior, even going so far as to make threats against the people who actually love him like a brother, but it certainly IS a very big deal when somebody threatens me, so I'm not going to let him wiggle his way out of this the same way his mouth breathing and candidate attempted to wiggle out of it, using the caveman technique of GRUNTING AND DENYING

RE: millions stashed away

Yep !!! **OVER \$250 MILLION !!**

OOOPS, sorry.... I mistakenly thought you were talking about the more than 250 million stolen from well intentioned Trump supporters who donated to Trump's fraudulent non-existent "SAVE THE ELECTION FUND"...

THERE WAS NO SUCH FUND. IT'S ACTUALLY A FEDERAL OFFENSE.

IT'S A federal offense to pretend you have a political action campaign trust fund set aside for donations, in which the money will be spent to prove the election was stolen....

If there is no such trust fund whatsoever,

If no such political action campaign fund ever existed in the first place, because it has to be registered with the United States government...

It's a crime to commit fraud, misappropriating donations or investment money, the same way he operated all of his business failures and bankruptcies, the same way he ran his steak company and his alleged college..

This isn't derangement syndrome...

He attributed them to the stolen election

He even pretended he had top secret information about how many fake ballots or whatever the fuck he saw on Tucker Carlson that night....

He put his foot into his mouth because he should have known, the very minute I had the testimony of the people he put into the White House, I was going to rub it in his face like a pile of dog shit

WHAT HAVE WE (sac) LEARNED TODAY?

- I'm in the middle of a year-long consequence, in which Jerry has to endure this subject every single day if he comes to this website
- Jerry earned this unique and although irrelevant, decidedly uncomfortable punishment the hard way : making threats towards me
- not the same type of threats I have reported to federal law enforcement when I see people in here making statements about causing physical harm to elected officials, or the same way I report people who try posting child porn or whatever the fuck these weirdos are doing these days
- but threats nonetheless, so you also learned that Jerry is well aware that if I say I'm going to mention his cowardice and hypocrisy everyday for an entire year THAT'S EXACTLY WHAT I'M GOING TO DO GOD DAMN IT
- you learned that Jerry is completely aware he was wrong about the election, and he doesn't even have the decency to apologize like a man
- you learned that I intend on making it uncomfortable for him until he simply stops being a dick head and admits the truth
- you learned that I openly admitted using drugs and living a life of excessive degenerate behavior
- You learn there's something that hasn't been mentioned yet but Jerry's afraid you're going to see me mentioning it, so he tried to manipulate you beforehand

into having a preconceived belief I'm going to be "lying" if I say something that might make him feel uncomfortable about decisions from his past

- you learned that if he threatened me in real life I would take a lamp and put it through his fucking face and I don't care how big he is I don't care how tall he is I don't care how strong he is because IT'S THE FIGHT IN THE DOG, NOT THE DOG IN THE FIGHT THAT MATTERS
- you learned that instead of putting a lamp through his face, I'm simply going to make things uncomfortable in here by telling the truth
- you already saw jerry doing his best job of 'tricking you into having a predetermined belief that I'm going to be lying about him'
- you learned how I deal with these situations
- you learned that Jerry has some information he would prefer remain Secret
- you learned that I don't give a fuck what he prefers because he threatened me over a stolen election that never happened
- you learned that although I love jerry, I don't have a lot of respect for him right now, respect that could be earned back by simply apologizing and admitting he was wrong

But most importantly.....

- you learned that I actually don't want Jerry to apologize or admit his mistake, because in doing so, he would be robbing me of the opportunity of torturing him for almost an entire year, give or take a week or two

Why are they always so close?

Approximately 240 million people were eligible to vote in the 2020 presidential election and it was only a few million votes that decided?

I's the same every 4 yrs.

In other countries, pol. parties win by at least 10% of the vote, not .5 %.

As far as meth goes..I tried it several times in the 80's and knew it would kill me if I didn't stop.

This was the epinephrine based meth, not the new poison that makes you paranoid.

The original meth made one feel gregarious, and I would party, but the new stuff... the homeless camps in California, where they avoid each other is the result.

The US gov bans epinephrine and makes it even worse, killing more people.

The US gov bans opium, leading to fentanyl.

Speaking of opium, I grew some poppies several yrs back, and used acetone to extract the opium.

I got about 100 grams of opium a faie sized chunk and smoked it all in a month.

This is why I don't grow my own weed or brew my own wine and distill it.

I would kill myself within 3 yrs.

Although Jerry wants you to think I'm an angry miserable human who hates myself so I lash out at people and try to tear them down...

I'M ACTUALLY GRIN REAPER ®

Perhaps you're familiar with my older brother, the rude asshole nobody seems to like?....

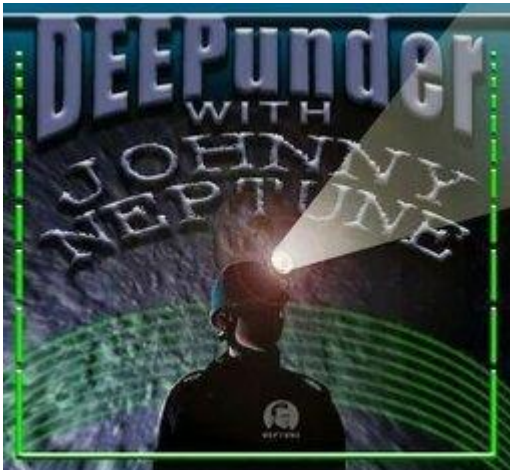

Well, unlike my brother, I was born with a rather thick stick between my legs, so I have nothing to be angry about...

I'm here to spread smiles

So although I consider Jerry to be sympatico..

He wants you to think I hate him, and that I'm an angry person who hates myself, and I'm here to tear people down because I'm deranged with my hatred of trump...

UNTRUE.....

I'm here to point out hypocrisy

I'm here to continue rubbing it in his face until he finally admits he was wrong to make weird threatening statements about civil war against people like me...

I'm here to make things uncomfortable for him BY TELLING THE TRUTH

I'm not saying that I'm not capable of being afraid

Matt Binder on the Sam Seder TMR said the truest thing I've heard anyone say on these pundit shows.

They were talking about Jimmy Dore, Dave Rubin et al and grifters.

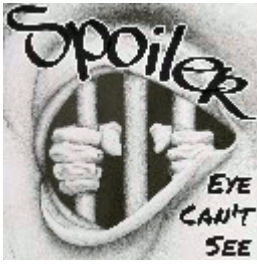

Binder said that anyone making a living on punditry, especially Youtube punditry, was a grifter.

The inference was that he(Binder) had a side gig because he was making shit money from his commentary, but that even Seder was on the grift because he was making a living, but not getting rich.

What's coming?

Besides the neo-liberalism here now leading to the new neo-feudalism?

capital markets, when they're really left to themselves, they do one really well, they generate capital accumulation(rents) at a much greater rate than they generate growth(actually producing something) and when that happens what you get is increasing concentration of wealth at the top and increasing impoverishment across society and a fairly stagnant economy and when that happens what you get in turn is basically a form of neo feudalism,a kind of stagnant economy with an oligarchic class engaged in rent extraction rather than productive or growth based.

That's because you're a fucking idiot who can't even breathe.

Take another hit off that nicotine puffer.

Smoke more cigarettes. More pot.

You won't survive another year at this rate.

Besides, like I said, you're such an OBVIOUSLY MISERABLE Person that your likelihood of survival is almost nil, and EVERYBODY DIES, So YOU WILL TOO. It's how you LIVE that matters, and how you live is by Spreading the Misery you feel, and by painting the shit that you ARE onto Personas all around. You are nothing but shit, and that is all you ever produce. Your misery levels are off the fucking charts! Look where you are, who you hang out with, how you interact with them. YOU ARE MISERABLE.

You can't hang your misery on others and thereby alleviate any of your own.

You're almost 60 years old, and have a 4chan-tier mentality. Go converse about wet farts and anal sex with 20 year old virgins. It's more on your level. You can't compete in the REAL World of Ideas. You have nothing but diarrhea hate spam to offer anyone.

> **inb4 no I'm not like that with those who share my human-hating ideology!**

Yes you are. That's all you ever talk about with ANYONE. Look at yourself! You'll talk about your interactions with virgin boys to girls! To your "wife"! You can't imagine what she thinks of your maturity level! But those are the only kinds of men she likes. Girlie-boys who will never grow up. That way she can be the man.

But you're used to being taken care of by women. It must have been hard when your mom died and you had no one to run to for your financial woes. Luckily, you hooked right into Jon's mother, because that's what you do. You need a woman to take care of you. You can't be alone five minutes with your own thoughts. You have Never learned to *LOOK WITHIN* and you are unlikely to ever begin to practice that. You are not a real man. Real men do not act like little bitches all day on the internet, attacking people like some raging Tumblrina.

You have destroyed any credibility you once had, and are so miserable as to not be worth interacting with.

The FBI laughs at you.

I hope you enjoy the rest of your summer.

You may not have many more of them.

> **inb4 veiled eggs**

You might want to use what little time you have left finding fulfillment in something besides tearing "*others*" down.

Then again, you might not.

In either case, it won't change my authentic stance toward life. I will do my own true will. Right now that does not include interacting with you further here. If that changes I'll let you know. My time is valuable. I am far from miserable, although I am in extreme pain. But the pain, for me, is just a limitation, and **limitations are not restrictions** (unless one makes them so.) There is still Bounless Freedom & Fulfillment within the defined parameters of one's limitations.

But yeah, you're an ABUSIVE Person.

Your behavior is that of an Abuser.

"I Truly Love You!" SMACK!

No one respects you as a person.

NO ONE. And you can feel it too! That's why you always try to build up your "*Persona*" like some Egoic-Trump, to those you see as your inferiors (a stance that only makes you look like a clown.) You dish out this shit all day long, but you can't take it — the TRUTH. You are a Miserable LIAR. You lie to yourself, and you lie to

everybody else. You have no conception of reality that is not based on the constant lies you tell yourself about EVERYTHING. You will Never see even a glimpse of the Truth until you practice *LOOKING WITHIN*.

EVERYTHING I just said was Gospel TRUTH, and you Know It!

So drown in your misery, you miserable sop! Your hate will destroy you.

> **inb4 you're really happy and it makes you feel absolute fulfillment to tear down personas all day and talk about your dick with other immature men on the internet**

Yeah, nobody's buying it.

You're MISERABLE.

And you're gonna die.

You should try living a little first!

> **inb4 you rehash the past, and your memories of it, thinking that was really living!**

What are you doing NOW?

Because you look dead to me.

In fact, you ARE dead to me.

You're one of the ***Undead***.

Jerry is literally terrified people are going to discover he's a diseased Hep C former needle junkie scumbag who still survived on WELFARE DISABILITY BENEFITS because he doesn't have a job history, because "standing in methadone parking lots begging for pink liquid and knowingly giving other people his hepatitis C by sharing used syringes with them" is it considered a job now, and he never put anything into the system for him get REAL disabilities benefits, and while he is indeed physically incapable of lifting anything greater than 60 lbs, due to his several illnesses, in America the Social Security Administration DOES NOT approve Jerry's bottom-tier welfare level 'benefits' for any physical inabilities...

Most people don't realize in america, it doesn't matter if you had both of your legs and both of your arms blown off, because that still doesn't qualify you for disability benefits....

Unless you have a work history behind you (and Jerry's never had a career other than being a needle junkie and his recent full-time job of believing everything he sees on Tucker Carlson) there's only one form of disability benefits :

WELFARE

Dear Sac, I just realized I didn't effectively construct the statement... Let me try that again so you'll understand what I'm explaining to you:

What I meant to say in [>>18003](#) was:

"Jerry and I used to talk on the phone a lot, and text each other a lot, back before he stopped pretending that he was a cool easy going smart guy approximately my own age and with the same perspectives on the world each of us witnessed happening over the course of decades, ==a deceptive, duplicitous coward, unable to admit when he was mistaken, but still lying about his reasons for helping elect child rapist Trump into office, falsely claiming he was fully aware of what a loser and illiterate mouth breather his candidate of choice was, and repeatedly insisting he voted for Trump "just because he thought it would be funny to vote for an idiot".... Back before he finally showed his true colors of being a gullible brainwashed cult of personality Tucker Carlson worshiper, he told me lots of things about his life.... These details included, but we're not limited to the needle junkie and hepatitis C confessions, or the methadone parking lot confessions, or the being on welfare benefits confessions, or the fact that he gets food stamps as part of his white trash welfare handouts, and he actually has a disgusting chicken coop physically attached to his trailer in the Tri-Cities area of Washington State, where he continues using drugs and setting daily examples of a cowardly, deceptive, weak and emotionally unstable male role model, which made his daughter's decide eating pussy was a better option than dealing with another man

[freedom](#) 🇺🇸 07/09/22 (Sat) 15:04:58 [No.18007](#)

And I've got some interesting details he told me.. but he doesn't get a lot of exercise, having spent the past several years literally on his back on the living room sofa, like eight foot tall praying mantis with arthritis, no longer able to stand up and move slower than a snail like he did throughout his entire life, until he became so sick and weak that he has a hard time simply standing up these days...

I'm going to let you know what he told me, because that's his greatest fear :

HE'S LITERALLY AFRAID OF THREE RANDOM STRANGERS IN THE CHAT ROOM KNOWING THE TRUTH ABOUT HIS LESS THAN PATRIOTIC LIFE

Yeah but I'm going to talk about Jerry building ghost guns and sending narcotics through the United States postal Service in a different thread because he could use a little exercise, even if it's only his finger, trying to prevent you from hearing the truth

THE one it's important everybody remember that in the early '90s, the American medical association had already added "PRIOR NEEDLE JUNKIES" to their list of bloodborne precaution protocol patients, so if in the triage questionnaire, the patient admits having used needles in the past, they quietly check off a box on the document, notifying all medical personnel to treat this patient as if he has bloodborne communicable diseases...

Just because Jerry had no problem flushing his life down a toilet sharing used syringes with other heroin junkies, contracting hepatitis C and God knows what else, that doesn't mean the hospital staff is willing to flush their life down the toilet...

So they are all going to use bloodborne precaution protocol when dealing with someone like Jerry

Because statistics have proven anyone who would stick a needle in their arm to get high is 90% likely to have shared a syringe with another scumbag...

And those same statistics have proven 90% of needle junkies already have Hepatitis CANDHIV... Doctors have enough clinical evidence already to conclusively prove the majority of needle junkies have both hepatitis C and HIV, not just one or the other, because they seem to go hand in hand with the type of people who flush their lives down the toilet just to stick a used needle in their arm like a scumbag white trash trailer park welfare recipient like Jerry

It's absolutely true. And of course Jerry is a coward who can't admit he was easily fooled by a child rapist or a drunk lisping incompetent attorney, and too much of a coward to admit he tried to intimidate me with amateur hour techniques of hinting at threats of physical violence because he believed the election was stolen...

And as you already know, any man who's too much of a coward to admit he was wrong ==WILL NEVER MUSTER UP THE COURAGE REQUIRED TO ADMIT THAT YES, HE'S A DISEASED FORMER NEEDLE JUNKIE SCUMBAG WHO SURVIVES

Johnny does nothing but LIE and waste his time.

If ANYTHING he said was true in ANY universe except the tiny one in his mind, I'd be a blubbering idiot like Ashley Shneider, or or like Johnny himself. And I'd be miserable. I'd be turning my limitations into restrictions, I'd be angry and resentful and taking it out on "others" a whole lot more. I'd **Blame**.

Acceptance, however, requires that one embrace the Truth. I have, and I do.

Johnny will not even hear Truth. He refuses to see TRUTH. He will splatter diarrhea hate spam on the Naked Truth, and he does not appear likely to stop. He refuses to *LOOK WITHIN*.

But he felt the TRUTH of these words: [>>17976](#) and he **reacted**, as usual.

He is a REACTIONARY. Easily Manipulated, Easily Contained, Easily Controlled. Andrew has become a caricature of his own "*Persona*" he created for himself to pretend he had more depth beyond the facade. Anyone can see that the Johnny Neptune "*Persona*" is MISERABLE AF! Tired too. Boring. Repetitive.

The apologies he demands are the ones he owes.

The accusations he makes are the ones he is guilty of.

He is, after all, a *Progressive Leftist*.

That's all they do is LIE, make EVERYTHING be about "*Personas*" that they don't like, and they spend all their time attacking those "*Personas*", which they define and paint in their own ways, (all diarrhea hate spam), and they BELIEVE their own Lies too! **They have to!** It's the only way to get the emotions involved, the religious fervor, the "*I'm Better Than Them*" Stance developed.

> inb4 more diarrhea hate spam, more lies, more reactionary behavior, more time wasted, no lessons learned...

adios

ENJOY This Day!

Also, I can't imagine who you're posting all this shit for. I read very little of your posts EVER. They are, like I said, boring and repetitive, they have no redeeming value. Are you actually posting all this shit in hopes of defining someone else's "Persona" and painting it with the shit you ARE, so that you can impress (sac), and hopefully make your own "Persona" look like less of a sad sac?

If so, that's really sad.

I doubt there's another reason though, and I think even Johnny can see that sad Truth. lol

(I often laugh out loud at sad truths. I've laughed at many this morning already.)

The garden, however, is where I am choosing to spend my time, before posting some Tucker, out of duty, to Johnny; to at least offer him some semblance of Truth...

In fact, from this point forward you will begin noticing Jerry's DAILY HABIT OF POSTING THE LATEST TUCKER CARLSON SHOW

You will begin noticing that the majority of Jerry's words consist of the exact same statements he heard from Tucker carlson, literally down to the specific syntax, verbatim repeating Tucker Carlson's fagshow content...

And you're going to realize that yes.. Neptune was completely honest when he said Jerry is a liar and a coward

Because he was willing to lie to you about his idol worship of Tucker Carlson

Knowing you would eventually realize he was lying

The same way everybody knows he's lying about not having the time to listen to the sworn testimony of the people he helped put into the White House

Because he knows if he admitted the truth, he wouldn't be able to pretend he's oblivious to the fact everybody knows he was wrong about a stolen election

And that would mean everybody realized Jerry was well aware why I am going to air his dirty laundry in here, as a means of exacting karma, after he made weird as shit inverted statements about engaging in violence against me because he thought the election was stolen like a fucking white trash trailer park idiot

See, Jerry would like to have you believe that I hate him...

If he could convince you that I hated him, he might be able to trick you into thinking I'm a miserable person who hates myself and it needs to tear others down to make myself feel better...

(That stupid kindergarten version of psychology and behavior assessments was never legitimate in the first place, it's not an actual psychological or behavioral category)

I'm serious because I want to get both of your daughters high, and before they realize it, they will both be turning tricks for the next shot of heroin

Recognized both by Tibetan Buddhists and by other spiritual practitioners and scholars[2][3] as a preeminent teacher of Tibetan Buddhism, he was a major figure in the dissemination of Buddhism in the West,[4] founding Vajradhatu and Naropa University and establishing the Shambhala Training method.

During the operation, the anesthesiologist over administered propofol, and I had a massive heart attack on the operating table...

What those who are responsible for malpractice prefer to call "a cardiac event"

I actually fought back during the heart attack, literally attacking the doctors as they tried to pin me down and defibrillate me...

But before I could attack them, I extubated myself....

(I ripped the breathing tube out, without the luxury of deflating the two balloons that hold the breathing tube in place at the bifurcation)

It's ripped through my vocal cords and did some other serious damage, but I still kept fighting and grabbed one doctor by the throat as he leaned in towards me

(When you are having surgery, they use conscious sedation to anesthetize you, meaning you're not actually asleep.. much to my surprise, they didn't even strap my hands down or my legs I'm the green as is normal surgical protocol

Because even though you are under the effects of conscious sedation, you can still talk to them while they are cutting you open

And you can easily swing your arms or legs around while they're using the scalpels, and cause a disaster.. so they generally strap your hands and legs down to the gurney...

They didn't strap mine down so I actually grabbed a Doctor by the throat or something, maybe his shirt collar I don't know because I was having a heart attack and I had just been overdosed on propofol...

My ex wife and mother were out in the hallway during the surgery, and Angie said "I knew something had gone wrong because suddenly a bunch of nurses started running out of the operating room going "oh my God oh my god!"

When Angie jumped up and asked them "what's going on in there?" One of the nurses told her, "OH MY GOD GIRL YOUR HUSBAND IS STRONG !!!!"

(And I'm not any stronger than any other average guy... I was simply fighting for my life, after being killed on the operating table and the last oxygen molecules were still in my brain, enough from my instinctual fight to attack the people I thought were murdering me in my state of propofol delusion)

But I took on an entire operating room on that table, because I've heard the full story subsequently..

After ripping the breathing tube out of my lungs and damaging my vocal cords knocking some teeth out, THEY IMMEDIATELY PUT ME INTO A MEDICALLY INDUCED COMA SO THEY COULD MONITOR THE DAMAGE TO MY HEART...

I was pulled out of the medically induced coma 14 days later...

In the cvicu, the cardiovascular intensive Care unit

They sent me out the door, back home for my wife to tell me what had happened to me...

Can you imagine the shock of having A MASSIVE CORONARY... RIPPING YOUR VOCAL CORDS IN HALF, BEING ELECTROCUTED WITH A DEFIBRILLATOR, THEN PUT INTO A MEDICAL STASIS, OF FROZEN STATE OF SHATTERING HORRIFIC TRAUMA....

Suspended in that terrifying state for two weeks?

Now imagine 4 hours after I got home and I started to realize I wasn't feeling so good anymore

That's when I discovered what a dope sick is

It turns out I had laid in that bed for 2 weeks, with a PICC line, delivering steady drips of fentanyl into my neck.. drip, drip, drip FOR TWO WEEKS ...

Remember I told you it only takes 3 days to become physically dependent on opioids

But they were giving me intravenous fentanyl drips for 14 days

We went straight back to the emergency room, and when the doctor walked in to see me he said, "what can we help you with today, Mr mcgovern?"

And Angie interrupted him with her angry demeanor she was so good at :

"YOU STUPID MOTHER FUCKERS GOT MY HUSBAND ADDICTED TO FENTANYL!"

(She was a real Scrappy fighter, let me tell you.. Angie was famous for tearing into people, because that's the way she was raised, to never back down from anybody)

The doctor got the charts and walked back in the room, "WOW !!!! You absolutely right! This is unbelievable!!"

I have studied internal medicine since I was 12 years old, so I explained to the doctor the process required to wean yourself from opioids effectively...

I was using all the correct terminology and stating all the correct facts, obviously fully aware of the position I was in and how to get myself out of it..

So he prescribed me two giant bottles of oxycontin and told me, "this is up to you. If you don't do it right, you're just going to end up addicted even worse"

I laughed and told him, "trust me. That's not going to happen"

And 3 days later I was no longer physically dependent on opioids...

Because your brother is lying

Your brother's making excuses I suppose, either that or somebody told him erroneous medical information

He doesn't need methadone. He doesn't need anything to quit.

I sold both bottles of oxycontin, and simply rode the uncomfortable bumpy ride for 3 days. It wasn't that bad

It was nothing compared to dying on the operating table

you should go to your brother's house and look him in the eyes and tell him, "if you have any balls, you can handle three days of stomach upset.. if I come over here in 4 days and you're still taking methadone then you're a fucking coward and a liar

You don't act like a Man. You are NOT Better Than ANYONE, least of all, me; and you are the very DEFINITION of "*White Trash*".

I long ago determined that interacting with you AT ALL is just plain **NOT "WORTH IT"**.

Everyone feels the same way. Your wife does not see a man when she looks at you. She sees someone kinda a lot like Sally. You think you're "**Better Than**". She'll be gone soon. You're already looking for another more damaged woman to desperately cling to in hopes of some sense of fulfillment, because you are terrified of being alone — alone with YOU — the one "*Persona*" you loathe more than any "*Other*".

You live in a world of Nouns. Things. Thinging, Personas, Personification, Identity, Identification, Matter, Materialism.

I see nothing but VERB, VERBING. The DOING is what "*matters*". Interactions are important for the interaction itself. There are no THINGS interacting, *really*. No "*Personas*". That is an ILLUSION. **It's ALL YOU!** So painting it with shit seems silly. But YOU DO YOU!

The Center IS EVERYWHERE.

Even what you think of as "*You*".

You may want to try acting less megalomaniacal and more responsible about it. Your effectiveness levels are that of a toddler.

Also, imagine me giving a fuck what ANYONE thinks about me as a "*Persona*", or that I would even care if you wanted to waste your time painting my "*Persona*" with LIES and Shit ANYWHERE! Look where YOU Are Contained! L O L ! Anyone who would rather judge a Conception of a "*Persona*" rather than Judging Words and Actions cannot hope to have ANY of their Opinions taken seriously.

I literally do not care what anybody thinks about ME.

I am only here, like I have said many times, in the hopes of either coaxing or tricking folks into accidentally thinking for themselves on occasion. I have had some limited success in some interactions.

"*Johnny*" may be a lost cause. He hasn't had a thought of his own in many years. Many smartphone junkies are just like him. No one will even notice when they are no more, and that time is fast approaching... No need to be afraid! Just examine

Jerry's not a big enough man to admit that he stupidly believed in the stolen election mantra of his mouth breathing child rapist candidate

Jerry is gullible enough to repeat easily debunked lies from Tucker Carlson and Rudy giuliani, but when he sees the lawsuit in which the details of Donald Trump raping a 13-year-old girl repeatedly printed out in painfully legible english, he insists it's just a rumor

freedom is boring 🇺🇸 07/09/22 (Sat) 18:21:02 [No.18053](#)

The actual story is very interesting, although Jerry insists it's all a rumor..

It's a lie...

LOL see, Trump and Epstein were very close, and Trump was one of Epstein's best customers, and also a bit of a protege..

Epstein had acquired a new 13-year-old victim, and she was cordoned off in a bedroom, in waiting..

Epstein had to take off briefly, but he told Trump "do NOT touch the 13-year-old until I get her first"

When he came back, he found out Trump went in the room and raped the 13 year old girl in his absence...

Epstein became FURIOUS !!! He actually took a swing at Trump somewhere in the middle of this outrageous burst of anger, then he went into the bedroom and violently raped the 13-year-old girl and physically beat her to punish her for trumps sin...

Afterwards, Epstein and Trump both took turns raping her and they also pulled three ways on her together...

She reported that Trump physically assaulted her as well, and threatened to harm her family if she ever mentioned his name...

Stormy Daniels is only worth \$130,000 in hush money

But for some reason, this 13 year old girl was worth \$300 million to Trump

And Jerry, the lying cowardly needle junkie with hepatitis C (who isn't big enough to admit he has been proven to be wrong about a stolen election, his stupid parroted Tucker Carlson lies being debunked by the very same people he put into the White House) insists Trump never rate the 13 year old and it's just a rumor...

This is the same guy who insists he has reliable sources, and in his living room in the Tri-Cities area of Washington state, he somehow obtained the top secret information, the number of fake ballots

HAHAHAHAHAHA!!!

It's so weird watching Jerry on his knees worshiping Tucker Carlson everyday like a little school girl, LITERALLY COPYING AND PASTING TUCKER CARLSON'S WORDS EVERY SINGLE DAY AS IF IT'S GOSPEL

(And when he saw you give a realistic and polite correction, reminding him that Tucker Carlson is a douchebag who's only slightly correct every once in awhile, he suddenly changed his story again and pretended that he isn't a particularly devoted Tucker Carlson fan)

NOW YOU ARE BEGINNING TO SEE THE PATTERN OF COWARDICE AND DECEPTION NEEDLE JUNKIE HEP C JERRY USES EVERYDAY, TRYING TO PRESENT HIMSELF AS SOME KIND OF RIGHTEOUS MAHARISHI ENLIGHTENED WITH EASTERN PHILOSOPHY

(But he's really an unmedicated frantic manic fruit cake, who can't control his anger, and pretends to be oblivious to the truth, if it will pass off as plausible deniability for his idiotic cliché predictable Q-ANON level conspiracy level fagshow white trash garbage)

ABSOLUTELY 100% TRUE.....

JERRY ALWAYS TALKS ABOUT PEOPLE WHO ARE STUPID ENOUGH TO BELIEVE IN "PERSONA"

(This is part of his failed maharishi bullshit, where he tells you to look within, and then he starts saying "there is no YOU in (((you))) and there is no THERE there, but (((they're))) their own worst enemies over there, if one could only look within")

The word circle guru who can't control his anger or his addiction to sticking needles in his arm

Because the needle junkie is no longer addicted to drugs. That's his deceptive excuse he uses, but the fact of the matter is he's addicted to flushing his life down the toilet, that means he's addicted to sticking the needle in the arm, not the drug...

And this particular self-medicating manic maharishi is willing to lie to your face, desperately grasping for straws in a failed effort to make you think they're unaware how stupid he looked 18 months ago when he started pretending as if Tucker Carlson was his inside reliable source, and suggesting he was able to find the true ballot count from his living room...

My wife just mentioned the ironic fact that Jerry accuses us of watching mainstream media and being brainwashed, WHILE HE PRETENDS THAT FOX NEWS ISN'T MAINSTREAM MEDIA OR BIASED OR BRAINWASHING

In fact, if you want the real truth about the stolen election in your living room, you can simply watch any news channel other than Fox...

Because it's not the Democrats or a witch Hunt Jerry's afraid of right now

FOR THE PAST 12 DAYS JERRY HAS BEEN TERRIFIED OF VICE PRESIDENT MIKE PENCE, WILLIAM BARR, MARK MILLEY, IVANKA TRUMP, JARED KUSHNER, AND EVERY OTHER WHITE HOUSE STAFF MEMBER HE HELPED PUT INTO THE WHITE HOUSE IN 2016

JERRY IS SUCH A COWARD, THAT AFTER 18 MONTHS OF RUNNING HIS STUPID FUNGUS BEARD MOUTH ABOUT A STOLEN ELECTION AND HIS UPCOMING CIVIL WAR WHERE HE WAS GOING TO PARTICIPATE IN VIOLENCE AGAINST PEOPLE LIKE ME, SUDDENLY, HE'S PRETENDING LIKE HE'S NO LONGER INTERESTED IN THE 2020 ELECTION

Have you noticed that all the mouth breathing chump supporters like Jerry are suddenly pretending as if **SUDDENLY, WITH NO EXPLANATION, THEY ARE NO LONGER INTERESTED IN DISCUSSING THE 2020 ELECTION, AND THEY WANT YOU TO THINK THEY AREN'T AWARE THAT THE WHITE HOUSE STAFF HAS PROVEN THE ELECTION WAS NEVER STOLEN, AND THEY ARE WELL AWARE TRUMP IS NOW FACING CRIMINAL CHARGES BOTH FEDERAL AND STATE**

In Canada, I'm guessing everybody up there is getting a good laugh at Trump's expense right now?

Because in Canada, you don't have a little bit less than half of American voters who actually thought Trump should have been president in the first place, nor do you have the less than one quarter of American voters who actually believed Trump's bullshit about winning the election....

DEAR SAC,

JERRY BUILT THIS EMBARRASSING BORING BOARD BECAUSE OF HIS BUTT HURT BELIEF IN AN IMAGINARY FREEDOM

FREEDOM THIS, FREEDOM THAT, FREEDOM FREEDOM FREEDOM... FREEDOMS, FREEDOMS, AMERICA FREEDOM THE AMERICAS FREEDOM FREEDOM FREEDOM FREEDOM FREEDOM FREEDOM FREEDOM FREEDOM FREEDOM FREEDOM AND LIBERTY

It's actually a very weird thing for somebody to be so obsessed with...

Because Jerry seems to think Americans get to enjoy some kind of imaginary freedoms nobody else enjoys

Why don't you tell Jerry the truth?

Or are you jealous of America because of our freedoms?

TELL JERRY HOW JEALOUS YOU CANADIANS ARE OF OUR FREEDOMS THAT YOU DON'T GET TO ENJOYHAHAHAHAHA

TELL JERRY HOW YOU ENVY HIM FOR BEING ABLE TO ENJOY FREEDOM OF SPEECH, AND INALIENABLE RIGHT ONLY ENJOYED BY PATRIOTIC AMERICANS...

Jerry seems to think he has a constitutional right to freedoms that nobody else has but Americans

THIS ENTIRE BORING MONOTONOUS BOARD WAS CREATED FOR THE SINGULAR PURPOSE OF JERRY TOOTING HIS HORN ABOUT IMAGINARY FREEDOMS

And pretending to be a maharishi who can tell other people to look within and find that there is no you inside of you and there is no there there and you are not there and they are not them so blah blah blah blah bullshit

Which is completely negated by the fact that he's a fucking white trash Trump supporter who thinks women should obey men, blacks are less worthy than him,

and although he's not able to earn any respect he should be able to demand it from people because after all, freedom freedom freedom freedom freedom freedom this freedom that freedom here freedom there freedom freedom freedom old MacDonald had some freedom freedom freedom freedom

Jerry actually believes that the rest of the world spends their lives biting their knuckles, jealous of America for our freedom

Underwear that he's been a slave since the day he was born, and Trump would take one look at him and laugh at the white trash clown

JERRY ALWAYS TALKS ABOUT PEOPLE WHO ARE STUPID ENOUGH TO BELIEVE IN "PERSONA"

YET JERRY BOUGHT THE CONTRIVED PERSONA CREATED BY DOUBLEDAY BOOKS, CAREFULLY WRITTEN BY A JEWISH GHOST WRITER, WHO WAS PAID TO FABRICATE AN INTERESTING STORY AND BULLSHIT PHILOSOPHY, BASED UPON HIS EXPERIENCE AS A GENIUS REAL ESTATE TYCOON

THE BOOK 'ART OF THE DEAL' CONTAINED NO ACTUAL VALID INFORMATION ABOUT TRUMP WHATSOEVER, AND WAS A COMPLETE WORK OF FICTION, IN WHICH DOUBLEDAY BOOKS CREATED A PERSONA

And Jerry is so stupid, he actually believed the persona story when he voted in 2016 AND also voted in 2020...

He refuses to even consider that the Epstein 13 year old story might actually be true (it's 100% true)

He refuses to admit he's heard every word of the sworn testimony

He refuses to admit he's well aware the election wasn't stolen

He's worried he will look stupid if he admits he made a mistake, so now he looks stupid and afraid

I rarely read anything you type.., but then again I really read anything anybody types.. I generally glance across the first sentence, and in 58 years on this planet, I've come to realize I can correctly assume everything else that is typed after that, simply based on the content of the initial sentence....

But I read a couple sentences in this stupid post of yours..

I can't compete with you, you are correct.. you are completely correct.. because they wouldn't allow me to enter into the "special needs" competitor category...

I believe they would call it the white trash Olympics, and I don't think I would be a qualified competitor..

If I'm not mistaken, they have stringent requirements, like a refusal to admit you were wrong about the election being stolen, and a certain dedication to cowardice, where you refuse to admit the fact that you are a hepatitis C needle junkie on welfare

BECAUSE YOU JUST TRIED DECEIVING (SAC) AGAIN, TRAILER PARK HILLBILLY BOY

You're still using the childish technique of pretending "Johnny Neptune is a liar so please don't believe him when he tells you about me using needles and contracting hepatitis C in Portland Oregon"

SAC IS AN INTELLIGENT MAN WHO'S FULLY CAPABLE OF DETERMINING WHICH ONE IS TELLING THE TRUTH :

THE ONE WHO ADMITS HIS OWN FAILURES AND DRUG ABUSE OF THE PAST, OR THE ONE WHO'S CRYING TO CONTROL HOW OTHER PEOPLE INTERPRET MY WORDS, AWARE THAT HE'S INCAPABLE OF PREVENTING ME FROM SAYING THEM

He knows I have absolutely nothing to gain, and every reason to be honest because I've waited 18 months to rub your face in this

I've waited 18 months to tell you what a white trash scumbag needle junkie coward you are, after you insinuated I was going to be hurt in some kind of upcoming civil war because liberals like me stole the election from Patriots like you

He's well aware the entire world is now familiar with the testimony from William Barr and Mike pence, even Ivanka Trump has painted you out to be a fucking coward and a gullible fool

Everybody knows I'm telling the truth, because I have a track record of being brutally honest even when it comes to things that should embarrass me, but really don't

I'm the first one to admit my stupid mistakes and how I learn from them

But you don't even have big enough balls to simply admit "okay, so I was wrong"

And he knows I promised I was going to make you uncomfortable in here for 365 days

And he's well aware why I'm doing it

He knows I'm telling the truth about all of this, so obviously when I tell him about our conversations where you discussed assembling ghost guns in your house, where you mailed me LSD through the United States postal Service, where you admitted being on welfare, where you admitted contracting hepatitis C from sharing needles like a common peasant stock Street junkie

The low class white trash needle junkie maharishi enlightened redneck racist Neo-Nazi Trump supporter civil war dangerous intimidator who doesn't even weigh 115 lb soaking wet

By the way I'm not attacking Jerry

Someone might stumble in here and, at face value, assume that I'm attacking Jerry for some reason

That's not true. Because I actually respect Jerry and admire him very much, and I actually love him like a brother...

It's obvious Jerry has no respect for me nor does he like me

And that's just fine with me, because I don't base my admiration or respect on reciprocity the way Jerry does

I don't care if he doesn't like me

I pretty much assumed he didn't like me when he started blaming me for his imaginary stolen election and started talking about his firearms and a bloody civil war that's coming and how I would never survive because people like him were going to determine which Americans they considered to be the enemy before they committed acts of violence

But it's safe to say I have a 15-year-old daughter that could beat the everliving dog shit out of Jerry

And I'm not joking..

I used to be art director for ZZ top, so I'm very familiar with white trash trailer park losers who think a long beard and a motorcycle makes them intimidating

Nobody's intimidated with your disgusting gray fungus sponge hanging from under your nose

And your motorcycle is nothing more than a redneck overcompensation technique for having a skinny dick

That's right, toothpick

There's no way a 115 lb 8 ft tall toothpick and have a thick penis

Your penis is just like your arms, long and thin like a number two pencil

But women aren't interested in long penises

They prefer GIRTH

And now you know why you think your motorcycle makes you look like a man

You think it does

The same way the pathetic fungus beard is supposed to remind everybody that you're not a woman

Which leads us to the next question:

WHY were you worried people would perceive you as being a woman?

Containment Successful.

No One Believes Your Lies, and No One Cares If Anyone Believes Your Lies.

You Wasted Your Day, While I Spent Mine With Family & Friends.

HERE. Waste Another.

I Barely Skim Your Posts. You're Wasting Your Time. And I Can Get You To Do More...

Tell Wendy About the Girl You Were Leaving Her For, Like the Woman-Hopping Little Boy That You Are.

Tell Us More About Your Obsession With Trump and Your Obsession With Those Who Voted For Sanity With Trump, Rather Than COMPLETE INSANITY With The Democrats (and NO ONE IN THEIR RIGHT MIND CAN DENY THAT'S WHAT'S HAPPENING.)

Tell us more about your obsession with young men on 8kun who are just like you, and think they are a crust above, much "*better than*". **You all deserve each other.**

But your obsession with a *Giraffic Persona* on an obscure Mongolian Deep Sea Ivory Carving Board seems silly beyond extreme. Did someone get their feepees hurt when the Truth was laid out like that — like he is wont to lay it out on "*Others*" himself? Why does it seem so silly? Well, let's lay out some FACTS: (And I won't address this again.)

Why Do You Think, Out of EVERYONE Who Has EVER Known Me, Those Who Know Me Well, Down to Those Who Know Me More Precursorily, Like You, YOU Are The ONLY One Who Even Imagines That I Have:

- EVER BEEN A Needle-Sharing Junkie
- EVER BEEN IN a Methadone Clinic, Or Ever Needed To
- EVER HAD a Chicken Coop Attached to My House
- EVER EVEN LIKED Donald J. Trump, the Man YOU ARE OBSESSED WITH
- EVER Made Online Threats of Violence, Veiled or Otherwise
- EVER Been Violent Against Women
- EVER Had the Possibility of Being Mistaken as "White Trash" by ANYONE Next to YOU, Especially Once You Open Your Trap
- EVER Thinks He's Better Than Anyone "*Else*"

Why Do YOU Think YOU Are The ONLY Person Who BELIEVES (like the "*Believer*" You ARE) ANY of Those Things About a "*Persona*"??? (and probably much more...)

WHY Do You Think That IS?

Inquiring Minds Want to KNOW!

Are YOU an "*Inquiring Mind*"?

Why do you have this habit of Obsessing on "*Personas*" and Spraying Diarrhea Hate Spam On Them, and Everywhere in the Vicinity???

You Probably Believe Your Own Lies That You Tell Yourself Too; Especially if They Confirm Your HATRED For a Particular "*Persona*".

— Petulantly Grabs the Wheel of the Presidential Limousine

And You Know Damn Well That You Didn't Like it When Untrue Accusations Were Made About YOU on Court Documents, and YOU Had to Settle Out of Court Too, Because it Was Cheaper...

Yeah, Johnny, *YOU LIE TO YOURSELF*, and YOU PROBABLY BELIEVE THOSE LIES TOO.

> **inb4 many many more...**

And no, I won't be wasting my time in here defending against your lies. I have you right where I want you, doing EGG ZACKLY what I want you to be doing. YOU Are a Prime Example of a Miserable "*Persona-Bashing*" Progressive Leftist, So Addicted to Online Social Interaction That YOU Actually BELIEVE "*Persona*" is REAL!!! **lol wow**

Keep Demonstrating How You Actually **ARE** Everything You Paint "*Others*" As...

It's Hilarious. (If somewhat Boring and Repetitive, like I said — and no it isn't "*Comedic*". It's Tragic, really. **Hilariously Tragic.**)

So, Respond if You Must, But There's Nothing You Can Really Say Except Plaster More Lies, and The ONLY Response You'll EVER Get In Return is This Post. You Could Even Have It Turned Into CopyPasta!
