## Trump lawyers acknowledge Mar-a-Lago probe could lead to indictment

Explaining whether Trump declassified documents could be 'a defense' to a future criminal charge, attorneys say

By Barry Stein and Devin Barrett  
September 19, 2022 at 10:42 a.m. EDT

Special master Raymond J. Dearie — a former chief

""UNITARITY :"" Trump's Shitty Lawyers Prepare For His Arrest Anonymous  
09/21/22 (Wed) 13:31:53 c78949 [No.353814](#) [\[Last 50 Posts\]](#)

The Justice Department and lawyers for Donald Trump filed separate proposals Monday for conducting an outside review of documents seized at the former president's Mar-a-Lago home, with key disagreements over how the process should work and Trump's team acknowledging that the criminal probe could lead to an indictment.

Get the full experience. Choose your plan

Both sides referenced a "draft plan" given to them by Judge Raymond J. Dearie, the newly appointed special master. Trump's lawyers expressed concern that Dearie posed questions about the documents that the judge who appointed Dearie has left unasked, arguing that Trump might be left at a legal disadvantage if he answered them at this stage of the process.

Specifically, the legal team objected to what it said was Dearie's request that it "disclose specific information regarding declassification to the Court and to the Government."

The warrant authorizing the search of former president Donald Trump's home said agents were seeking documents possessed in violation of the Espionage Act. (life in prison)

Judge Aileen M. Cannon, who is overseeing the special master and document-review process, has not asked Trump's lawyers to address whether about 100 documents with classified markings that were seized by the FBI on Aug. 8 might in fact not be classified.

Trump's lawyers have repeatedly suggested in court filings that the former president could have declassified the documents—but they have not actually asserted that he did so.

In Monday's filing, Trump's lawyers wrote that they don't want Dearie to force Trump to "fully and specifically disclose a defense to the merits of any subsequent indictment without such a requirement being evident in the District Court's order" — a remarkable statement that acknowledges at least the possibility that the former president or his aides could be criminally charged.

Wouldn't it be nice if you could make threats of violence, then pretend like it never happened?....

Wouldn't it be nice if you could base your threats on your GULLIBLE claim of a stolen election, Then pretend like nobody cares whether the election was stolen or not?...

You certainly cared about the election when you threatened violence against me

I plan on punching your daughters in the face while I'm having sex with them

You can pretend not to care about the election all all you want... go right ahead

Because you certainly cared when you were making threats against me, Accusing me of being part of the conspiracy that skull the election from your stupid mouth breathing loser candidate

After breaking your daughter's noses, I plan on forcing my feces into their mouths, And selling them to a gang of Mexicans

But I want you to watch them eating my feces after I have sex with them

And I want you to be there when the Mexican gang members come and drag them away by their hair

i dont care if you were caught up in the heat of the moment

I don't care if you were passionate about your candidate

I don't care about any of your excuses

You are a stupid little man

All it took was RUDY GIULIANI's " Just insist that you won" suggestion To make a fool out of you

You THREATENED ME based on the stupid belief that "the election was stolen"....

you fucked up, toothpick

you actually made threats of violence

PAYBACK TIME, TOOTHPICK

You spend your life pretending

You pretend to be an enlightened Eastern Indian Maharishi type

And the best you can muster is word circles

You pretend to be an upstanding Patriot

But you make threats against innocent American's, based on your gullibility and refusal to admit when you are a loser

You made threats

But you forgot about the phone calls where you admitted you were a disgusting heroin needle junkie

You made threats

But you forgot about the phone call where you told me you contracted hepatitis C from sharing needles with other junkies.

Because I actually DO like you

Even with all of your many many flaws

because I am also quite flawed

i love you like a brother

but if one of my brothers was SO STUPID that he believed "the election was stolen", and HE THREATENED ME WITH VIOLENCE?.....

He would have no choice but to sit there and watch and watch as I continued emptying my testicles into his wife...

But your girlfriend has hepatitis C

You gave her hepatitis C through sex

So I want your daughters instead

If you care to remember, for at least 2 years, I had an inkling that Killcen lived in Missouri...

I mentioned several times in different threads...

I'm not always correct... I make mistakes occasionally, just like everybody else...

But I'm correct at least 95% of the time

That's why it's not surprising KILLCEN LIVES IN MISSOURI

But a couple months ago, I decided "wtf" and I invested 2 days into determining exactly where he lives.

It only took me 5 phone calls to figure it out

You realized you opened a can of worms when you threatened me...

That's exactly why you were so desperate to pre-emptively convince (scrotum) that "anything I said about you was going to be a lie"

you were trying damage control

Because you knew he would stumble back in here and learn that you are a formal needle junkie....

You knew he would learn that you were a welfare recipient

YOU WERE TRYING TO PROTECT YOUR BULLSHIT FALSE "PERSONA"
