

Who is Q?

1) Q is a small group of mostly Military Intelligence personnel working with President Trump to legally remove a corrupt network spanning all political parties from positions of power, in order to end human trafficking and other evils, and return control of the United States government back to the people. Corrupt entities will be replaced with new ones responsive to the people. The initiative includes countering false narratives from the mainstream media with open-sourced facts. Q's Socratic questions point to areas for investigation. Q inspires anons to do our own research, be logical, and think for ourselves.

What Does WWG1WGA Mean?

WWG1WGA stands for "Where We Go One, We Go All". United, we are strong. United, we can overcome the corrupt ones who want to hold onto power by keeping us divided against one another. The fate of our planet and the people rests in our hands.

Who are Anons?

1) The Anons are a relentless group of anonymous worldwide researchers who explore Q's questions and clues, to uncover terrible truths about corruption in the world. We compile Q's posts and our research, so that everyone may learn the truth. We are motivated by a strong belief that DARKNESS will be defeated by LIGHT. We fight on the front lines of an intense cyber war against those who want the people to remain blind. Anons pay the price for others by facing the darkness within the storm. We remain unknown, put honor above self, and seek no recognition or compensation. We are of every race, religion, creed, and nationality. We give freely of their time, energy, and creativity to make the world a better place for all of humanity. "The time is near. Be ready. Prepare. For God & Country. For Humanity. We FIGHT! YOU ARE NOT ALONE. -Q"

3) We are the Q anons. We are all colors, races, backgrounds, economic levels, ages, political parties, and religions. We do not blindly follow anyone. Q encourages individual research to discover facts for ourselves. We have uncovered open-source evidence of a two-tiered system that undermines our constitutional republic. We watched for years as connected politicians and the wealthy committed crimes you and I would go to jail for, yet they are still free today. Our research pointed to far worse crimes that never gained media attention. The MEDIA is complicit in covering up CRIMES of the ELITE. EVIL is far more prevalent than we ever imagined. We share our findings with those who choose to know, to soften the shock of eventual exposure and prosecution.

What is the Q Movement?

The Q movement is made up of individuals ("anons") who follow documented, verifiable evidence about the truth of our history, to expose the corruption and evil that has plagued our world for generations. We are not told what to think, or how to feel, about a topic. Q simply posts questions and information for analysis and thought. We research for truth, and present findings for peer scrutiny and further corroboration – doing the investigative job that our mainstream media refuses to do. The Q movement is not about violence, subversion, or control. Some of the findings have been terrifying. The choice to know what has been found, verified, and presented is entirely up to you. What is dark will come to light.

Why All the Frogs?

The cartoon frog Pepe expresses anons' reactions on an image board, and 'Kek' is a satirical thought-form representing the anons. Q quoted the Bible: "...and frogs to destroy them." However, every thread on Q Research begins with the declaration "We are researchers who deal in open-source information, reasoned argument, and dank memes. We do battle in the sphere of ideas and ideas only. We neither need nor condone the use of force in our work here." Thus, the anons destroy false narratives by confronting them with the light of truth.

What are Q Proofs?

Each Q Proof links a specific Q post with a specific communication from President Trump, validating Q's authenticity and trustworthiness. The statistical probability that these linkages are due to chance is vanishingly small. Q Proofs can be found at <https://qanon.pub>, [QProofs.com](https://qproofs.com), <https://bookofqproofs.wordpress.com/>, and the Book of Q Proofs [https://mega.nz/#F!af1SyCoY!6N1Y\\_fcYFOz4OQpT82p2w](https://mega.nz/#F!af1SyCoY!6N1Y_fcYFOz4OQpT82p2w)

How Can We Know if a Post is Really Q, on an Anonymous Message Board?

The boards where Q posts feature an authentication signature called a "tripcode". Q signs his posts using a password known only to Q, which the board software converts cryptographically into a unique, unforgeable character string.

Is Q Anon a Cult?

No. If it were a cult, it would be the only one in history that brainwashes you to think for yourself! No one has met the leader. It promotes non-violence and truth. Its sole weapons are logic, research, and information. Anons pay no dues, nor do we receive pay or glory. Freedom is the reward, and peace is the prize. We share bits of information to reveal a bigger picture. We encourage people everywhere to investigate, find the facts, and uncover information for themselves. People all over the world are waking up to truths that had been hidden.

What is the Q Clock?

Q's posts contain clues about clocks, time lines, mirrors, etc. Q said "Future proves past". Some anons tried a "clock" system to cross-reference related Q posts, seeking clues to additional meanings. Many anons believe the meaning of a cryptic Q post - in advance of the event - will become evident AFTER that event has occurred, proving that Q knew about the event long before it happened. Trust the plan.

What is a Red Pill?

"Red pill" comes from The Matrix movie. The character has to choose between a blue pill to remain oblivious, or a red pill to awaken to the truth of his existence (he chooses the red one). Q and the anons are working to wake up all people, in order to end human trafficking and restore our Republic. And, eventually, to free other nations.

Why Does Q Say "Wake Up!"?

To "wake up" is to see the world with an alert mind, to question your reality, and to recognize that some of what you believed was untrue. We have been duped by criminals who want to keep us asleep and blind. Look past all the pushed narratives and propaganda to focus on truths that you can verify. Research and learn! A corrupt group has infiltrated organizations worldwide. By controlling media, governments and corporations, they painted a false picture of reality, to conceal horrible crimes and retain power. As long as most people stay blind to the deception, society decays, corruption grows, and terrible crimes remain unpunished. Until now. People worldwide are learning to distinguish facts from propaganda. To "wake up" is to see the world with an alert mind, to question your reality, to realize motivations behind certain narratives, and to see past them to the facts.

Why Does Q Post on Message Boards?

Q chose an open platform in order to communicate free of censorship. The uncensored message boards where Q actually posts are not very user-friendly. Moderation is kept to an absolute minimum, only removing content that is prohibited by law. It is an acquired skill to read the board without being triggered by enemies' nasty trolls always trying to tarnish and disrupt. At times, the board is

dominated by hateful posts having nothing to do with Q or the anons, whose sole purpose is smear the anons and discourage participation. "...How do you 'safely' & 'securely' communicate through a backchannel w/ the public and bypass the FAKE NEWS MEDIA? How do you 'safely' & 'securely' communicate w/o breaking the law and violating NAT SEC? >Add multiple layers of 'coincidences' which mathematically proves legitimacy (standard deviation)< At what point do people wake up? Q"

Who Owns the News?

Most major media organizations are controlled by only six corporations that coordinate their messaging/propaganda.

"What happens when 90% of the media is controlled/owned by (6) corporations?

What happens when those same corporations are operated and controlled by a political ideology?

What happens when the news is no longer free from bias?

What happens when the news is no longer reliable and independent?

What happens when the news is no longer trustworthy?

What happens when the news simply becomes an extension/arm of a political party?

Fact becomes fiction? Fiction becomes fact?

When does news become propaganda? ...Q"

Straightforward reporting of facts, diverse editorial pages, and investigative journalism are virtually gone. Today's "news" outlets report only what their corporate owners allow and their advertisers wish to sponsor.

"Only when information [truth] becomes free [uncontrolled] will people awaken to the levers of control placed upon them. Only then will people find the will to change. Only then will people regain control [power]. Q"

Q challenges us to replace the mainstream media. Be the news. Investigate and share facts. Handle with care.

What is Project Mockingbird?

Project Mockingbird was initially a CIA propaganda operation that used news media and entertainment outlets to spread desired messaging to the American people and to the world. It arose in the 1950s and has continued in some form up to the present. Other corrupt organizations also use news, entertainment and social media, to distribute false information with the goal of controlling what you believe.

What is Censorship?

The suppression of speech, public communication, or other information, on the basis that it is objectionable, harmful, sensitive, undesirable, or inconvenient, is a tactic to control people by limiting their ability to access and share information. "YOUR VOICE AND YOUR VOTE ARE WHAT MATTERS MOST. [WITNESSING] ATTEMPTS TO REMOVE BOTH. 1. CENSORSHIP [FASCISM] [AUTHORITARIAN] 2. DEPLATFORM/REMOVAL [SILENCE] 3. MAIL-IN-VOTE FRAUD [DILUTE] [WATER DOWN] CONSTITUTIONAL RIGHTS? FREEDOM OF SPEECH? WILLFULLY BLIND OR WILLFULLY ACCEPTING? Q"

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances." The First Amendment guarantees freedoms concerning religion, expression, assembly, and the right to petition. It forbids Congress from promoting one religion over others, or restricting an individual's religious practices. It guarantees freedom of expression by prohibiting Congress from restricting the press or the rights of individuals to speak freely.

This means we, the People, have the right to resist unconstitutional censorship and freely express our views.

What is a Patriot?

A patriot is one who loves his or her country. America, and much of the world, is under attack from a patient and determined enemy that has infiltrated all our social systems, including government, commerce, news, entertainment, education, and social platforms. Their aim is to tear apart our country and put new systems in place with their group firmly in control of the population - a New World Order. The very things that make the U.S. such an amazing place are threats to their plan. We are strong, stubborn, independent, creative, innovative, united in many of our core beliefs, and united in our firm conviction that our amazing country is worth saving.

"What does the word 'Patriot' mean to you? LAND OF THE FREE. HOME OF THE BRAVE. Now is not the time to be complacent. Will you answer the call? "Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free." – Reagan -Q"

What is the Great Awakening?

The Great Awakening is the expanding worldwide awareness that a small, powerful elite group has assumed control over key social structures, now dominating education, finance, government, healthcare, and media, seeking full control over what we think and feel about our world. Evidence of this takeover can be shocking enough, but the disturbing truths about what kind of people the elite are can be even more challenging to accept. Q has been prompting us to research, to see past the picture painted by elite-controlled industries, and to share the truth, to wake up others. Q also battles to save children, expel the darkness, and reclaim our country/world.

Where Can I Learn More About Q?

Many people all over the world compile information about Q in various forms. All of the Q posts are available at <https://qanon.pub> or <https://qmap.pub>

These videos may help:

How Can I Help Q?

If you want to be part of taking down the Deep State, ending human trafficking (saving children), and restoring our country to the citizens, start with these things:

- 1) Question everything and research!
- 2) Learn to recognize when the media, politicians, or others are lying to you.
- 3) Share what you learn with family and friends so they can wake up, too.
- 4) If you know something, say something. Report criminals so they can be charged.
- 5) Pray every day.

Why Should I Help Q?

What if there were a sick arsonist setting fires in daycare centers, and you as a special agent had to see horrific films of babies and young children set on fire? You would become determined to stop the killing, save the children, and bring the arsonist to justice. You would make it your mission, and not stop until justice is served. Well, something just as bad or worse is actually happening to children, and Q wants to stop it and make the guilty people pay. So why WOULDN'T you want to help?

What is the "Cabal" or "Deep State"?

The terms "Cabal" and "Deep State" refer to a group of people who have systematically infiltrated governments and organizations worldwide to gain positions of power and control. That's not the worst part. The worst part is that they worship Satan and commit horrible atrocities against innocent people, often children. Help Q stop the Cabal!

What do These Symbols Mean? (owl, pyramid/triangle, horns)

Because owls and horns have various meanings for different people in many cultures, both positive and negative, we must be a little cautious in making assumptions/accusations regarding their use. That being said, certain people do use these and other symbols to signify their allegiance to the Cabal (Dark Cult, Satan worship). The owl can mean wisdom + darkness, dark arts. The Y-head can mean stag head, Satan/Lucifer, multiple personality victim of MK-ULTRA mind control or other forms of satanic programming. "Their need for symbolism will be their downfall. Follow the Owl & Y head around the world. Identify and list. They don't hide it. They don't fear you. You are sheep to them. You are feeders. Godfather III. Q"

These symbols (upside down cross, upraised index and pinkie fingers a/k/a devil horns, etc.) are also used by followers of Satan. They believe he is real and their "worship" can involve rituals of unmentionable horror. "We haven't started the drops re: human trafficking / sacrifices [yet][worst]. Those [good] who know cannot sleep. Those [good] who know cannot find peace. Those [good] who know will not rest until those responsible are held accountable. -Q"

If you are religious, pray. And then help the people trying to rid the world of this evil.

Is this Movie Rated?

Yes, definitely R rated, due to highly sensitive material dealing with ritualistic torture and sexual abuse of small children and babies by evil corrupt people. But, there are also some great, suspenseful scenes leading up to the capture and prosecution of the perpetrators. And President Trump saving the kids. "Got popcorn? Enjoy the show. -Q"

What is Pedophilia?

Pedophilia is a psychosexual disorder characterized by sexual interest in prepubescent children. It's an obsession with using children as sex objects. Pedophilia is not "love" or "attraction" between an adult and a minor. It is child abuse. It is an adult using an innocent child or baby for sexual gratification. It may involve rape, anal penetration, and torture. It is not harmless. Babies and children die of horrific injuries at the hands of abusers. Those who survive are left with permanent emotional scars. The FBI published a bulletin identifying pedophile symbols. Symbols and logos used by pedophiles to identify sexual preferences. Spiral triangle = boy lover. Drawn spiral triangle = little boy lover. Heart within a heart = girl lover. Butterfly heart = "non-preferential gender child abuser". These people are sick!

"A little perspective... Patriots are dying to defend this great country and the FREEDOM she provides. Children are being kidnapped, tortured, raped, and sacrificed in the name of PURE EVIL. Stay the course. We are FIGHTING a deeply entrenched enemy.... -Q"

What is Human Trafficking?

Human trafficking is criminal activity in which people are recruited, harbored, transported, bought, or kidnapped to serve an exploitative purpose, such as sexual slavery, forced labor, or child soldiery. Where do you think the Satanists get their victims for ritual abuse and human sacrifice? "My Administration will focus on ending the absolutely horrific practice of human trafficking. And I am prepared to bring the full force and weight of our government, whatever we can do, in order to solve this horrific problem." President Donald J. Trump.

Are Q Supporters Right-wing Nut-jobs?

No! People who are interested in the Q posts come from all walks of life, from all over the world, and include some from the Left who were horrified to learn what has been going on and what Q has been fighting. These issues truly affect us all. Anons are PATRIOTS - people who care deeply about our country, and about protecting our children. (OK, in every group of any size, there might be a few nuts who don't represent the others. The Q movement for sure has infiltrators whose job it is to disrupt and discredit the group by planting posts that the anti-Q press can use to smear us.) Part of learning to see the truth is learning discernment. Just know that if someone is spreading hate, they are NOT what Q is all about.

Is the Q Movement Violent?

No. We do not support, condone, or tolerate violence of ANY kind. Our movement is founded on peacefully sharing information and informing the public, to create a better world for people of every race, religion, gender, and culture - for everyone worldwide. It's likely that there could be false flag events (staged tragedies) before the 2020 election that the media will be quick to blame on Q supporters. Orchestrating these events and blaming them on Q will allow the media to further censor the flow of information that our movement shares. [They] will do whatever it takes to keep the people from being exposed to the truth prior to November 3rd. Together we win. Where we go one, we go all.

Why are Q Anons so Hopeful?

With all the bleak and disturbing news that Q hints at, it might at first seem amazing that people researching Q are so very hopeful. Once you see the truth of what is going on in the world, the nonsense makes sense. Instead of desperately trying to understand how such terrible things could happen, instead you grasp how evil has infiltrated all our systems and is purposely orchestrating the mayhem. Knowing that this evil is an organization that can and will be defeated gives us hope! Q makes it clear that progress is being made, and that the swamp that had invaded our government is actively being drained. Most people are GOOD. When the Deep State is defeated, the world will be a much better place for everyone.

What is Meant by "Drain the Swamp"?

"Drain the Swamp" means removing or reforming "bad actors" (criminals) from influential positions so they can no longer commit crimes or ignore the law and protect other criminals from facing charges. "Think: re: why [no] arrests (justice) yet? What if (almost) every critical position [sr] within the US GOV apparatus was infiltrated? WHAT MUST BE DONE FIRST? THE SWAMP RUNS DEEP. -Q"

Why Should I Believe You?

Do NOT take our word for it! The whole point of the Q posts is to get people researching facts for themselves, rather than passively receiving spoon-fed information. On the other hand, there is SO MUCH to find and digest that it can be helpful to access information

that other people have uncovered. If you want to browse through some of what the anons are digging on, visit

<https://wearethene.ws>

Is Q Dangerous?

Well, that really depends on whether you have recently committed treason or harmed children... All kidding aside, NO. Q and the Anons are not violent or scary. Our path is to gradually awaken the people and raise awareness of serious issues. We seek transparency and equal justice under the law.

What is Treason?

"Define 'Treason'. [Fact] : the offense of attempting by overt acts to overthrow the government of the state to which the offender owes allegiance, or to kill or personally injure the sovereign or the sovereign's family : the betrayal of a trust : treachery" -Q

What is the "Silent War"?

We are currently in a civil war at the top of the United States government. On one side is President Donald Trump, the commander in chief, with the military, aided by the National Security Agency (NSA). On the other side is the deep state or establishment, aided by the mainstream media and holdover rogue elements within the intelligence agencies, including CIA, MI6 (British), and Mossad (Israel). Q is a military intelligence program to disseminate information to the public, as the fight for control of our country continues. Urgent Message!

No matter what your race, gender, or religion, or who you voted for, or whether you hate Donald Trump, or whether you hate cops or government in general, no matter if you love the news on CNN/MSNBC and hate all other channels, no matter if you are young or old, no matter if you give a damn about politics, world peace, rape or corruption: Very soon, terrible news will spread. It will seem impossible to believe. Horrible, sickening, unbelievable things. It will shake your world and may turn everything you believed in upside down. Well-known people **Hollywood actors, politicians, journalists, pop stars, charities, religious leaders, institutions, heads of state, police officers, etc.** will be accused of monstrous things.

Good people have been fighting a silent battle behind the scenes to save the world from terrible horrors. It was a lonely and silent war. Chances are, you did not even notice it. But you will soon. That's why we're warning you, and why you must hear us out. We're merely a bunch of anonymous people from around the globe. We don't want money or fame. We just couldn't watch the world burn down and do nothing. That's why we are trying to warn the people.

We have been supporting our President, Donald J. Trump, in his efforts to drain the swamp. We don't care if you like our president or not. But know that he will protect you, regardless. Horrible things happened that will come to light. Please don't be afraid. You will be safe. Bad actors will be brought to justice. Good people will prosper and live happy lives. Children and adults in slavery will be liberated. If you want to know more, search for #QAnon. Be prepared for what you will find: some truths are hard to swallow.

Remember to inform your friends and family. Stay calm and inform yourself. Your President works day and night to protect you from unimaginable horrors. This will all be over soon; we are winning BIGLY!
