Will nick and Luke be at Sunday school as well? I can get them from CC first?

05-26-2017 15:44

My crazy self that makes up phone and text records by coordinating with Apple and AT&T. You say enough is enough but my God you know how much it hurts to see you called him and texted him--- no group text after the things he said and did to me in front of the kids and you console him and make me out to be a monster - why is all I ask what does he offer you in friendship in fun in confidence that makes you choose him over me in secret time and time again. What makes you tell Liz that I'm not the stand on father figure the kids need or you want.

05-26-2017 15:55

Stop this is stupid.
Both kids left and have plans till later
tonight. You coming soon? What
time?

05-26-2017 15:58

Ok Hallie I'm over it. Hope it was
worth it my love.

I'm not being even slightly dramatic
I'm heart broken over and over again
by you're selfishness. And then you
make me out to be unstable tell Liz to
ask Brett to ask Richie to be my
sober coach. You talked to Richie
about my addictions and never told
me. I'm lost.

05-26-2017 17:25

I just figured out why you have a problem with me and listen it's because you have spent. Tire life going after in the end but not with the guys that she would like the first third and 15th do you have fuck them all he never told her so you seem to just be as deviant deceptive.

03-13-2017 19:59

Wow that made no sense / basically was saying that you basically fucked or fooled around with nearly every guy Liz ever liked or hung out with/ from her first fuck to David. And you - -like usual--think everyone would betray even their sister for a secret fuck. It's called projecting.

03-13-2017 20:28

I understand that you are having a rough time, but no man should talk to a woman the way you have been talking to me. I love you

03-13-2017 21:04

And I'm sorry I rushed you

03-28-2017 10:39

I know you love me and you know I love you desperately. I think you want me AND your dark world where you finally feel freed. I don't want to stop you from doing anything that you want to do. You will just resent me, lie and keep it as your secret world. That is not healthy for you or me. I guess I am a dreamer in the sense that we would be able to fulfill every desire for each other. You have filled me completely but you have other desires. That is ok. It's not bad or wrong, but it just makes me feel bad about myself when I try to accept it. Because deep down it hurts even if it shouldn't.

03-28-2017 10:41

Does that make sense to you? Not that it is right but that is how I feel

04-05-2017 17:42

You ok?

04-26-2017 07:56

So the way in which you just left this house son self righteous and sure of yourself means ill never have a chance of getting though too you. Here is what I'm sending to david.

04-26-2017 07:57

Just saw him at stArbucks

04-26-2017 08:06

You truly are like a brother to me., I would not and never have said that about anyone else. And to think that in my greatest moment of need you choose a fantasy of a relationship over me. You lie to me you lie to yourself you literally take other her side in private and publicly when you know that what I'm saying is actually true- but you also know that I'm troubled and everyone will believe that and no one will believe that you would ever lie to me about your friendship with hallie the friendship you felt you needed to lie to me about over and over for any reason no matter what. And I give you chance after chance and you refuse to take it. And then Hallie says it out loud- maybe now she pretends I put words in her mouth maybe the two of you just decided that as long as I'm a crack addict loser that all you have to do is stick to your guns. I don't care anymore. You both just lost the greatest most loyal loves either of

you ever had for what? Heart breaking isn't even close.

04-26-2017 08:25

Hallie Arte you ready for me to tell everyone that in fact Ashley was right about you that every word she wrote was actually; y truth. I hope you are b/c you're not going g to fucking spread lies and truths about me anymore the ones that everyone uses against and that give you the permanent way out. What more could I have done to love another person and I alwasysd will but my god at least realize for your own sake for the kids sake that Unka was never going to be with us for long and there will be a new unit one day just not the crazy brother of your daddy's. I choose you over my children you choose david Walsh over me. Do you realize how insane that makes me feel for feeling the way I feel about you how much I now know that I will never believe my heart assassin I will never fucking love anyone again. Because of you because you choose david over me and still do this very moment I found out that there is limit too my girls love for me.

04-26-2017 08:27

You cannot imagine the pain my brother would be so disappointed in me- I ruined everything- why did you do it

Why turn to me that night

04-26-2017 08:41

So you're good with me sending this david

04-26-2017 08:43

Can I just ask him yto come here and you at least have tyhecourtesy of telling what I do know so he doesn't get ton do what he's done all along which is belittle me behind my back. You know rob said that to me and I fucking told him he's crazy and basically haven't had a real conversation since.

04-26-2017 08:56

I love you and want to be by your side for the rest of my life. I'm truly sorry and I know I have so much learning and growing to be your partner. Please accept my apology. You can still be upset and mad and hurt and angry. I was wrong and selfish. I don't want to keep getting my back up now and don't know how to talk to you without me seeming righteous, it is horrible and I don't want to be that person. Can we now try to start to be the persons we both know we can be? I want to move forward with you.

04-26-2017 09:37

I am the person. I want to be.

04-26-2017 09:41

You turn out to be not just dishonest but almost a soulless person. Having nothing to do with this. And wtf you still can't

04-26-2017 19:05

Bring fabreeze change of clothes for me personal hygiene items sprays tanner and a bottle of vodka

04-27-2017 19:35

Don't call me back please

04-27-2017 19:37

Ok, I don't mean to work you up. Put on location please as I do fit you. I love you

04-27-2017 19:39

Your love is more pain than it's worth

04-27-2017 19:46

If you wanted to do damage to me even worse than anything Kathleen has done these past 2 years I would have said impossible--/- but you are topping her cruelty by 10.

04-27-2017 19:56

Please stop and let's be calm and remember we will always be together. Where are you? Are you doing dinner or sleepover with maisy and Finn?

04-27-2017 20:03

How many people like Devin do you think were in shock about us not because of the in law piece but because of the way you acted and the things you said while we lived in secret. "Wow that must be really Freeh between them b/c I was out and saw Hallie..." name the place the party the side porch the country club the gathering the whatever the fuck and still to this day you acts single and available Wilmington woman when im not around and you enjoy that attention you craved before beau. It is obvious to anyone around you. And there's nothing wrong with what you are doing if you take me out of the equation. Like you just said I am an embarrassment I'm not one who should expect anything from the woman I love because I am so obviously a bad man. And look at saint Hallie nursing another biden. And this time we just don't even know what she gets in return. She deserves to be happy she deserves to let loose and he would be such an hypocrite to be upset. It's David's line of thinking and every other person who hasn't seen me do a drug do a woman do a bar in 20 years.

But you're embarrassed of me.

05-03-2017 18:39

She is at my moms for the night but thank you!

05-04-2017 14:27

05-04-2017 14:51

Of course -

05-04-2017 14:53

I just assumed she would come whenever it worked for her -

Took care of Cabo bill yesterday. Total bill for food and liquor at house, xtra staff hrs and transportation was \$7543.44. I took care of staff tips of \$2700 and tipping all drivers. If I figure out cost per person per day comes out to \$2157.86 for you, hunter, hunt and Natalie. I took care of all costs for Liz and lily. No hurry for a check as I already paid the bill so whenever is fine. Hope you had a great time. I know all the kids did. Sorry if I wasn't feeling great. Still not feeling great so scheduled a few doctor appts for me mentally and physically to figure out why I am not feeling well. Loved having you all!

And you will pay for sitting around why WATCHING my other brother kill himself! Do you not think I hear everything! Everyone is talking + Hunter making scenes at restaurants. People are worried. YOU are the problem. If something happens to my brother- I will literally...

This isn't love. This is my brother high.

11-14-2016 22:06

The only way the family will ever believe it's real or be slightly ok with it- is if hunter gets sober + you get help. The kids will not be any where near you. And so- your chooses have caused a ripple effect that has severely damaged Everyone. You need to think is someone/anyone but yourself. If in 6 months, after hunter gets the help he needs- you still want to pursue- fine!

But really have you lost your god damn mind!? Who are you!?

11-14-2016 22:08

This isn't how my family operates. You better come to your senses.

02-13-2017 21:04

You are welcome to come over here. Let me know when you would like to see them.

02-18-2017 15:12

What Beau would want?! Ashley, beau would be horrified by your reaction, behavior and treatment of both Hunter and I. As well as your "rescue" of the girls and nothing at all with Natalie and Hunter - they feel the stress and divide from you. They haven't seen you in months other than at family events. I'm glad that you are realizing how hurtful rather than helpful you have been to everyone.

04-10-2017 17:43

Of course

05-04-2017 20:31

I miss you guys. I just drove by street + was overcome with sadness. I want my family back- even if it looks different these days.

I am heading to canyon ranch with mom from sat to Wednesday. But maybe we can find some time when I return.

I hope you are well. Xo

05-04-2017 20:37

And as I pressed send. This song came on. Sorry for my voice. Beau. Telling us to not give up.

05-08-2017 12:52

05-08-2017 13:17

I don't know who going. I'll be there and whoever else can make it. Come if you can, otherwise don't worry. You are suppose to be relaxing!

05-08-2017 18:50

I haven't and don't ever hear back from hunter and you aren't too far behind the non-texting back act so I am just going to plan Mother's Day and love if you are able to join.

11 am at lake. If you would both rather have it another time/place- text soon or forever hold your piece.

05-10-2017 15:04

I haven't figured out the day yet.. but yes, go ahead and plan it 11:00, hopefully we will all make it work!

05-26-2017 15:40

Can I spend some time with noodles? I don't want to overstep bounds but from experience, I know that posting body/bikini pics isn't conducive to a healthy teenage image. I know I'm protective but think I can be helpful in this arena. I don't want noodles to make same mistakes and/or bring on hurt that isn't true to her nature. Would you be ok with this?

05-26-2017 15:41

I created the sexting pamphlet for beau's office lol. He made me. Send is 4eva

05-26-2017 15:47

Yes of course. But just remember, as you know, every every every girl from their age to finnigan's all post bikini pictures. She actually has a very positive body image of herself. Instead of having an agenda, maybe ask her what she would like to talk about. I'm sure there is a ton! But for the moment, her body is not on her mind.

05-26-2017 16:52

Ok. Makes me feel better. And I know. The age of technology just scares me so.

Is she around tomorrow at 1 pm?
Going to head down to beach

Good morning everyone! I wanted to touch base about next Saturday April 8th. It looks like Leigh and Rich can make it and will arrive around 6:30. I am working on plans (very hard to get a reservation for 10!). Let's plan to meet at my house between 6 and 6:30 (or whatever time works best for you). Depending on restaurants - I was also thinking of having a catered dinner at my house (boys sleeping out Saturday night). I thought that could be fun. Hope that sounds good?!

04-05-2017 13:06

Sorry for phone tag! I am around. I will see you on Saturday?

04-28-2017 09:45

Can I call 11:00?

I am open starting at 11:30. Does 11:30 work?

I'm just really off, feel like a huge cry is on the brink..

Come cry here. Xoxo

04-03-2017 15:03

And add Sheridan school to the list...

05-09-2017 20:21

Field is \$45,000 per kid

05-09-2017 20:44

That is expensive. Most are 37-40---
except some of the religious ones are
that expensive.

Sheriden 35

05-09-2017 20:45

What's maret

05-09-2017 20:46

36 for Hal and syd I think and 37/38
for lilly? Around there. I'm not sure
exactly.

I was just thinking if u are going to
have to come down twice anyway to
see schools you should at least
check out maret. We love it and it
would be great to be at the same
school. At least put it on your list.

And see what u think

05-12-2017 16:31

I'm seeing both st pat and field on
Monday, if I'm not wow-ed, I'll look at

Thoughts?

Sweetheart if you had just called me and said hey brother how should I handle this-tell mike what your the kin g because I know your just trying to do right by everyone. Thats all I ask ash no big deal no crazy demands. On the other hand while finny is hurt and has reason top be I'm her dad and its between us and sat the end off the day I will respect her opinion I as a father cant be controlled by her emotions. When you validated her emotions but don't try top explains my love and good intentions that n you give her reason to be 100% righteous and that means she has a the right to make ridiculous Julius demands and hold her love for me hostage u less they are compiled with. Not healthy for anyone./

I actually thought this morning was nice. And all I've wanted is my family back. My brother. I don't think anything breaks my heart more. Beau wouldn't stand for this. I have no one + hope that still we would

rise. It's all just a dream. You guys make it impossible. I bow out gracefully.

[+12156961996](#)

[IMG_3493](#)

05-14-2017 18:14

[+12025529396](#)

Ashley please stop the drama and what beau would want and all the other bullshit. Just tell me before you talk to my children.

05-14-2017 21:06

[+12156961996](#)

And I love you guys. But please know that I am with you not against you. I feel so anxious, like everything I do, I do wrong. And all I try to do is just listening + assure everyone that things will work out. Finnegan telling me that you are moving to dc, was a surprise, first I heard + didn't have an answer for her. Just listened + tried to walk her through some mindfulness. That only thing she can control is reaction + I didn't have much to say about moving. I hadn't heard it before.

But, you need to believe me when I say that I just try to be there. No judgement + if I know what's going on, am better prepared to respond to fears etc...with loyalty to my blood. My brother. Always.

So- you let me know what I am supposed to be doing + what I'm not. I don't speak badly about you to your

children or anyone. Please believe that.

We have been through so much, let's just try not to assume, ok? If you want me to know something or respond a certain way or know how to best support you- just communicate to me. Will eliminate a lot of stress + hurt.

Good luck tomorrow. I was just so shook up because felt it was a good morning + then heard that I was saying things or reaching out when I'm not + I didn't.

05-14-2017 21:18

[+12156961996](tel:+12156961996)

And hunter. Please know. That I am just their aunt. I couldn't never and would never try to compare - there is

no comparison. Remember that I feel like you + the kids also raised me. I lived with you guys on + off + have ALWAYS been close to the girls. I have been one of the "kids" for 35 years. I adore them. Because they are your children. They are you. You made them. And made them the women they are. I always thought that me being there for them was important to you. I don't see/talk to them as often as I want....but it's a relationship that has given me much strength my whole life.

I feel like you don't want me to be in touch etc..and that breaks my heart. Because it used to be so important to you. You taught me that.

It's difficult for me because I feel totally misunderstood. And it's real lonely.

And I am sorry that I wasn't around

with Nat + Hunt but I was also in a bad spot. I wasn't well. And I am sorry. I hope to be able to be a fixture in their lives again.

It's just gonna take time. We all see things from our unique perspective + experience. Let's just move in honesty.

And I wasn't mad at all this morning. I was sad. Miss our beau. Life is short. If we learned nothing else...so...

I want to support you. So you just let me know how.

04-27-2017 21:10

Can/should kids and I come to dc Saturday day/night? Love you and want to be near you

04-27-2017 21:48

Goodnight I love you

04-28-2017 04:45

I hope you have faith in me and know I am yours and never leaving. I believed that from the first moment we kissed. I have had doubts about the reality of us but have know deeper that I am yours completely. My love-I would grant you the decency of my truth about David. I would never humiliate you and not tell you If I had physically been with him. I would not do that to you ever. As I know you would grant me that respect as well. I deeply want you and love you, I will never let you go.

I'm sorry Hallie but the truth is that I simply don't believe you. I think your affair with David started innocently enough- it was nothing it was familiar it was friendship and fun and you could rationalize it all by saying I am free to be whoever I choose however I wish and my pain and suffering grant me A license to make adult decisions about adult affairs. And David was discreet and available and had as much to loose and had a reason to be at the house and out with you and etc... The perfect Todd for a grown up. The problem was you and me? But at that time you didn't owe me anything you didn't think that we were a real possibility or that I would even commit the way I said I would commit. So where is the harm neither one of us had any inkling about the others neither one of us

could have ever imagined that.

And in bet he still doesn't even know that you came on to me a week after.

That's why I could never understand the condoms and the men's clothes upstairs and the whatever that's all

besides the point. That's why I never understood the weird jealousy with Liz or the way in which you always took his side and he always took yours. It all fits perfectly now.

And I remember things like this--"no one can ever prove we you fucked unless they actually witnessed it." An odd and simplistic quote of David's. Odd because no one had to prove anything in our situation b/c suspicion was enough. But people were actually questioning you and David being together so much and you blew it off - someone so obsessed with their image not bothered by people seeing David coming out of your house in boxers when just the two of you were alone at the house over night. You weren't bothered because you knew you everyone believed that to beneath you. The garage I know you were there. You could care less about Lisa b/c this was the furthest from a romantic relationship- it was deeper in a way it was a friendship that included fucking.

And the truth is sex is irrelevant David is irrelevant the only thing I cannot abide by is the lie and then the lie about the lie and on and on. That is the only thing I truly care about

Instead of yelling, you could be understanding. I feel awful and would have really appreciated you being here. Sorry to have asked anything of you.

05-09-2017 20:13

I guess not on train. So then stay till you need to and then head to DC and see your kids. Don't come to see me and make me feel bad. I love you but I don't want to pull you away from things you want to do

I understand, I'm fine, seriously. It is hard when you tell me you are coming and it gets delayed over and over. If you had told me you were going to dc, it would have been fine.

05-28-2017 10:09

It's me again. Took Hallie, Nicole and Claudina home. Kids and dogs at home were taken care of! Mati reached out a few times yesterday and again this morning to check in the girls. Since I have a close relationship with her, I felt like I should tell her myself what happened with the girls. I told her I was not sure how you were going to deal with the other moms and to please not say anything until you two had a chance to talk. I hope that was okay?! If it had been Natalie, I would have wanted to be the one to tell you too. They are such cute girls and they just made a mistake that hopefully they will learn from!

05-28-2017 10:14

I understand, no worries. You handled everything beautifully. Thank you so much.

I checked out the Field School website. Seems like a great program. Need to make sure the kids mesh with your kids. Make sure you visit with kids in session. You are an expert in that area so I'm sure you already thought of that 😊

05-02-2017 06:38

What are a few things that I ask that I'm looking for? ie.. Help with reading for npb, organization support for hunt.. what else?

05-02-2017 06:41

I think it sounds like they individualize very well so asking for specific support may not be something you want to talk about...but yes...agreed that they will need those things. Hunt needs the bond...he need to trust his teachers. I can write his rec...I wrote Nick Marvin's too.

05-10-2017 07:55

Let's connect so I can help Hunt with his math project.

05-10-2017 07:56

Hi Halie
We are scheduled to arrive at 10:30.

The bus will drop us off in front of the castle. Hunter will need to be there exactly when we arrive so that he can put his bagged dinner on the bus. He can't carry food through the museums and we won't have access to the bus until 2:40. If you can make that work we look forward to having him join us on the trip. He will be in my group.
Lauri Leary

05-15-2017 16:59

We will be there - on time I promise.
What is the castle? What is the address so I can GPS. Will he need packed lunch and dinner or just dinner?

05-15-2017 17:03

Great!
Address:
1000 Jefferson drive SW
We will stop there, use the bathroom and then eat our lunch on the mall.
So yes he will need two separate bags. One for lunch and one for dinner that should be placed on the bus for later.

05-16-2017 10:08

My gps says we are due to arrive in 20 minutes. We are on a Werner bus.

05-16-2017 10:09

Mine says 30 min till we get there. Will they be doing bathroom break?

05-16-2017 10:10

Yes but the bus will leave.

05-16-2017 10:11

So what about food?

05-16-2017 10:15

Maybe we will hit traffic and it will take longer. Try your best to be there when we get dropped off

05-16-2017 10:16

If not what museum first? I can leave it at front there. We in VA and traffic horrible

05-16-2017 10:18

The second museum will be the natural history museum.

What first

05-16-2017 10:20

First we are eating lunch on the mall. Then going to the air and space museum. Then to the natural history museum. Then back on the bus to go to the zoo.

05-16-2017 10:22

Ok so I'll go to mall

05-16-2017 10:35

We have arrived.

05-16-2017 19:35

Just a reminder to send script for
new pill. Just got huge brakethrough
period! Thanks - hallie

04-28-2017 08:50

Done, sorry, not sure why electronic script I sent yesterday didn't go thru!! I changed you to a little more estrogen and a 24-4 prep. Means 4 placebo days instead of 2 like LoLo. You should still get very light cycle. Also it's the same progesterone as LoLo so u shouldn't see any new side effects like mood change, weight change etc. let me know how it goes....

04-28-2017 08:53

Is more estrogen? Is that what I need?

Yes
