

Separation or Death

Caught the Roman Catholics at the Roman Catholic Election stuffing Ballots took pictures, they tried to kill me so I hollered enough to attract witnesses so they then called the Roman Catholic Mafia Protection(RCMP) who locked me up for a day and a half, now on May22nd I have Court in Grande Prairie Alberta with a Roman Catholic Judge, a Roman Catholic Prosecutor, two Roman Catholic Police Officers, Roman Catholic Court Staff, a Roman Catholic Witch and Her Boyfriend pressing Assault Charges with as many Roman Catholic Witnesses as they want to go against me, any Non Roman Catholics who would like to be witnesses the Case will be around 1pm will update.
