## QAnon, Deep State, Human Trafficking, Global Pedophilia & Satanism

- America is facing a threat that could destroy us from within, yet most are unaware.
- Enemies of America have infiltrated our highest levels of government and media.
- The world's richest families, including the Rothschilds and the Payseurs, are Luciferians and control most of the world's largest corporations and media. It runs much, much deeper than George Soros.
- Main stream media is no longer reliable. Their narrative is controlled from the top. That's why you hear the exact same news from all sources.
- Global human trafficking and pedophilia pandemic is real. Trump arrested over 10,000 human traffickers since entering office, huge spike.
- PizzaGate is real. Children are being abused and killed by psychopaths.
- Satanism is prevalent in these circles. It's becoming bolder, operating in the open. Just because we live in an advanced society, doesn't mean this old religion has gone away. The oldest, richest families and secret societies are intertwined in the occult.
- Some of America's most influential people (Clintons, Podestas, etc) attend "Spirit Cooking" parties, which are satanic events disguised as "art".
- [Podesta's art](#) is littered with very dark images of children, some dead.
- A silent coup was attempted on President Trump. Obama conspired with Hillary to spy on Trump before and after the election, in an effort to keep him from being President.
- The Obama/Clinton network seeded people at the highest levels in the CIA, FBI, DOJ and other agencies. (Brennan, head of CIA was a self avowed communist and reportedly a convert to Islam. He refused to be sworn in on the Bible).
- Admiral Rogers of NSA identified that a non-authorized contractor associated with the Clintons was accessing their database to spy on Trump. Trump Tower operations were closed and move to Bedminster, NJ where they began their counter-offensive.
- There are over 50,000 sealed federal indictments with names withheld, that everyone is wondering what it is. (The average is 1,000) Huber and Horowitz, Inspectors General, work under Jeff Sessions with a \$100,000,000 budget and 470 attorneys working on "anti-

corruption”, but nobody knows what they’ve been doing for the past 18 months. People believe the sealed indictments are connected to them.

- Theory is Trump has been playing “kabuki theater” with the public, pretending to be enemies with Jeff Sessions, while Huber and Horowitz continue expanding their net. Trump’s performance allows the Deep State to feel complacent, as they are being surveilled and targeted for prosecution. Deals are made, people rat, and the net widens. All the while, 5,000 more sealed indictments pile up each month.
- Trump and the good guys are about to spring their trap. The theory is, as soon as Kavanaugh is confirmed and the Supreme Court is locked in, Trump will unredact the FISA memo, which will expose deep corruption ties, and the public round up will begin.
- Much of the info released will be shocking to the American public, because there were some very evil things done, including treason, pedophilia and human trafficking. Half of the nation idolizes Hillary and Obama. Therefore, Trump needed a slow release of info to soften the public, before the FISA release comes and public arrests soon follow.
- Military tribunals could ensue, since this involves treason.
- QAnon is a backdoor information channel from the President. As we all know, the President loves to tweet. But he can’t tweet on secret matters. So he has someone in intelligence leave “clues” for the American people to do their own research and find out what’s going on. Q tells us this includes some disinformation, because enemies are watching his drops too. Plus, I don’t think they were 100% certain that they would win this war. So these Q drops were a form of insurance that the truth would get out.
- QAnon movement started in October, 2017. Thousands of info drops have been released since then. Many “Q Proofs” exist that demonstrate that Q is not a larp, but in fact in Trump’s inner circle.
- You need to come to your own conclusion. This is too much of an assault on people’s common knowledge, so I don’t expect you to believe me. I just ask that you look into this, research some of these stories, and evaluate the facts yourself.
- The Q movement has grown to millions of people worldwide. It has recently become mainstream. However, mass media continues to censor it. The censorship is real, and it is scary. It demonstrates how deep this corruption goes.
- There is no violence associated with Q. They are an “Army of Citizen Journalists”, as General Flynn described it.

- Please read the following paper for more info. The attached paper barely touches on the details surrounding these topics. It is a brief summary of some very deep topics that you would need to explore further on your own, and come to your own conclusion.
- I feel compelled to share this, because I have spent hundreds of hours researching these topics, and I believe they are true. Please forgive any typos or errors in this paper.

# Overview

## QAnon, Deep State, Human Trafficking, Global Pedophilia & Satanism

### What is QAnon?

The QAnon movement is a community of non-violent, patriotic, online researchers in search of truth and justice. They follow information “drops” from an anonymous person named “QAnon”. “Q” stands for the highest level security clearance in the Department of Energy. QAnon is supposedly a high level person within Trump’s inner circle, giving the American people clues about a Deep State plot to overthrow our President. The Deep State works in coordination with some of the richest and most powerful families in the world, including the Clintons, Rothschilds, Payseurs, a Saudi Arabian billionaire, and others.

The theory is that America is at war. In today’s information age, a silent “bloodless” coup was launched against President Trump. Admiral Rogers of the NSA met with Trump soon after he was elected to warn him he was being spied on in Trump Tower. That is why all of Trump’s strategy meetings were being leaked to the press- he WAS being spied on. Ever since, Trump and the military intelligence have worked together in a stealth operation to identify the perpetrators and the extent of their network, and coordinate a sting to round them up.

General Flynn even referenced this in a recent speech.

<https://twitter.com/inthematrixxx/status/1042386171211468800?s=12>

Q movement is becoming mainstream.

The Q movement has grown so fast because, deep within us, we feel like something just isn’t right in America. The lies and deception runs too deep. The American people are being divided against each other. Our media, schools and institutions celebrate things that run antithetical to our traditional beliefs and teach our children to hate the President. The radical left has spawned hate groups like Antifa and Black Lives Matter, while patriotic groups like the Tea Party who stand for traditional values are ridiculed.

Q followers have banded together to try to get answers to questions such as these:

- Why does corruption in government keep getting worse?
- What do the >50,000 sealed indictments represent (50X the average)?
- Why does the main stream media parrot the exact same talking points?
- Why are there so many pedophiles being arrested in positions of power?
- Why does the main stream media promote left wing radical thought?
- Why have American values been completely flipped on its head?
- What future does this hold for us?

The premise is that the main stream media (MSM) cannot be trusted. It has been caught lying to us, censoring out conservative thought, and indoctrinating our citizens and pushing their agenda across all platforms, including all major news outlets, Facebook, Twitter, YouTube, Reddit and others.

Main stream media agenda includes:

- anti God / pro-humanism
- anti-conservative / pro liberal progressive
- anti-American/pro World Government
- anti-U.S. citizen / pro illegal immigrant
- anti-police / pro-criminal
- anti-National Anthem / pro flag burners
- anti-white heterosexual male / pro gender-bending

Almost all of the values of Christian society are under attack by the main stream media. Q followers don't believe this is right. Most of the country doesn't follow these values, yet main stream media keeps pushing it in our faces and indoctrinating our children.

In October 2017, “QAnon” started posting comments on the 8chan board (online community of free thinkers with no censorship of thought).

I know this sounds conspiratorial, but you really need to research the Q movement, outside of the slanted main stream media channels (like Google), and come to your own conclusion. The people who follow Q are average ordinary people. Some are very smart analysts who are connecting the dots in pursuit of truth, and coming up with some amazing results—eye opening results. The Q followers bounce ideas and theories off each other to refine their conclusions. Nobody is above the level of scrutinization. I just ask that you keep an open mind, get past your initial instinct that “this is all crazy”, and actually look into this.

Normally I wouldn’t bother you, but I believe this is one of the most important threats to ever face our nation. I invested hundreds of hours since June researching this, and I believe it’s true. Every week that goes by, more “QProofs” occur. One simple example, Q posts often occur a few seconds BEFORE Trump posts on Twitter. This has happened so many times that it’s almost statistically impossible. Other examples are pictures posted by Q from Air Force One. Other examples of Q Proofs are posted at [www.qproofs.com](http://www.qproofs.com) (sorted by topic).

[Note: You may want to start with the YouTube video by @[Praying Medic](https://www.youtube.com/user/PrayingMedic) , [QAnon for Beginners](https://www.youtube.com/watch?v=QAnonforBeginners) which explains much more about QAnon]

# Why You Shouldn't Just Use Main Stream Media (like Google) to Make Your Decision

- Main Stream Media (MSM) has been actively screening out conservative viewpoints and slanting results, including Google, Facebook, Twitter, YouTube, and Reddit. Just like the news is 90% against our President, Google results all show that QAnon is a stupid right wing conspiracy theory perpetrated by a larp (live action role play)- basically a scam artist. After four months of research, I believe it's true, not a larp.

- *Why do I believe Q is real?*

- ✦ Primarily, the information is so extremely detailed and sophisticated, that nobody could make this up. Plus Q has strategically outlined and predicted so many things.
- ✦ The QProofs that continually happen to show that Q is connected with Trump.
- ✦ Trump has not disavowed Q. Instead, Trump has repeatedly pointed out people with Q tee shirts and signs and waved to them or walked over to point them out and shake their hand.
- ✦ It has been a year, and Q has not ever asked for money (larps always want money or fame)
- ✦ Q never uses his name or looks for any personal gain. His message is always about love of country, protection of our President, and faith in God.

- You need to at least listen to the point of view QAnon researchers are presenting, because you will NOT get this info by googling it. YouTube is better, as you can watch videos from Q experts who do overviews of the Q drops. [Although that could change soon. Twitter has been Shadow Banning conservatives, including three House of Representatives Conservatives. Reddit just shut down the main QAnon research site with 300,000 people on it. Rumors that YouTube will soon follow.]
- MSM has been infiltrated by CIA. Program called [Operation Mockingbird](#). This has been going on for decades. The Church Commission was a Congressional hearing in the 1950's to find out if the CIA has infiltrated US major media outlets. CIA confirmed they had. This created alarm, because CIA was supposed to just do this in other countries, not the US! They put CIA operatives in management levels at most of the major news organizations. As with most CIA operations, they said they closed the program, but Q says they did not. To many Americans, it's pretty obvious the media is extremely slanted today.

- Watch this for more info on why you should [not trust main stream media](#):
- And [this video](#)
- “Mockingbird” media is demonstrated in real life by this: time after time, many of the major media outlets report the EXACT SAME WORDS in their talking points of the day. Literally word for word. It is reported that there are 4AM “orders” from above on what the talking points should be, and all of these media outlets parrot the exact words. Researchers have put these into video collages where 30 different news channels are literally saying the exact same thing.
- Independent polls even prove it (90% anti Trump). So Truth-Seekers are following the info drops that Q provides to see what is going on.

# Military Intelligence Vs. Civilian Intelligence

- The civilian intelligence has been infiltrated by criminals (CIA, FBI, DOJ)
- The military intelligence (NSA) is battling them. Admiral Rogers of NSA skirted his two bosses to go directly to newly elected President Trump to inform him he was being spied on in Trump Tower. Rogers didn't know if he could trust his superiors (Obama linked), so he broke protocol to meet directly with Trump. (Military NEVER breaks protocol) Next day, Trump team moved base of operations to Bedminster, NJ and began a counter operation with NSA. Basically, military intelligence saved the day.
- Lots of evidence exists about corruption in FBI, DOJ and CIA. I can provide you more info on that as needed.
- The Council on Foreign Relations is working against America's interest, and instead working for the interests of the [Illuminati \(Payseurs, Rothschilds, secret societies\)](#). "The CFR is the promotional arm of the Ruling Elite in the United States of America.

## The Council on Foreign Relations

- Illuminati front working in the US for world government.
- ALL member companies are owned by the Payseur family.
- This is their second attempt for a New World order.
- Their counterpart organization in England is called the Institute for International Affairs.
- CFR is a private club for the heir Trustees and Managers of Payseur Companies.
- Source for the 5 bullets above: *Illuminati paper on CIA website*
  - This paper recently appeared on CIA website. Researchers believe it is a clue to the people who are researching this stuff. No reason provided for why it appeared. Connections have been verified by researchers.
- Largely unbeknownst to the general public, executives and top journalists of almost all major US news outlets have long been members of the influential Council on Foreign Relations (CFR). [Source](#)
- CFR Ultimate goal: Control through New World Order and single currency.
- Federal Reserve is NOT owned by the U.S. Gov't. It is owned by private international banks. Congressman Louis McFadden, House Committee on Banking and Currency Chairman (1920-31), stated:

“When the Federal Reserve Act was passed, the people of these United States did not perceive that a world banking system was being set up here. A super-state controlled by international bankers and industrialists...acting together to enslave the world...Every effort has been made by the Fed to conceal its powers but the truth is-the Fed has usurped the government.” [Source](#)

Quote from [McFadden speech](#) in 1933:

"Some people who think that the Federal Reserve Banks United States Government institutions. They are private monopolies which prey upon the people of these United States for the benefit of themselves and their foreign customers; foreign and domestic speculators and swindlers; and rich and predatory money lender. In that dark crew of financial pirates there are those who would cut a man's throat to get a dollar out of his pocket; there are those who send money into states to buy votes to control our legislatures; there are those who maintain International propaganda for the purpose of deceiving us into granting of new concessions which will permit them to cover up their past misdeeds and set again in motion their gigantic train of crime.

German news magazine *Der Spiegel* once [described](#) the CFR as the “most influential private institution of the United States and the Western world” and a “politburo of capitalism”. Source: <https://cfrmedia.com/>

Harvard economist and Kennedy supporter, John K. Galbraith, [confirmed](#) the Council’s influence: “Those of us who had worked for the Kennedy election were tolerated in the government for that reason and had a say, but foreign policy was still with the *Council on Foreign Relations* people.” Source: <https://cfrmedia.com/>

And no less than John J. McCloy, the longtime chairman of the Council and advisor to several U.S. presidents, [recalled](#) about his time in Washington: “Whenever we needed a man we thumbed through the roll of the Council members and put through a call to New York [i.e., the CFR headquarters].” Source: <https://cfrmedia.com/>

## 50,000 Sealed Federal Indictments

- This is one of the main tenants of the QAnon movement. The theory is that AG Jeff Sessions hired two people (Huber and Horowitz) out of Utah and Texas, supplied them with \$100,000,000 budget and 470 lawyers to combat corruption. This has been going on for over 18 months and we haven't heard a peep what they've been doing. However, we can see that approx.. 5,000 new sealed indictments are added every month for the past year. It's up to over 50,000 sealed indictments, and nobody knows what it's about, because names are not being released... yet. The average # of sealed indictments is only ~1,000/year, so this has spiked off the charts.
- [Raw data HERE](#)
- The story is that Huber and Horowitz and their team of lawyers have been rounding up bad guys for a year, trying to get them to talk and broaden the net. In August 2018, we just added 5,500 more.
- As soon as Kavanaugh is confirmed for the Supreme Court, the Trump Administration is going to pull the trigger. They'll have majority votes in SC. The net crosses party lines, so it will get ugly. Both Democrats and Republicans are involved in the corruption. Hillary and her cohorts tried to take out an incoming President. That is treason. There could be Military Tribunals involved. It was important for these cases to be dealt with OUTSIDE the corrupt Washington DC court system. That's why they're being handled out of UT and TX.
- So be prepared. Very soon, prior to November elections, the trap will be sprung publicly, and it could cause mass hysteria in the U.S. Literally half of the US population idolizes Hillary and/or Obama, and it is believed they will both be rounded up and dealt with.
- There could be riots in major cities (paid organizers like Antifa), and there could be temporary martial law imposed. But don't worry, that will be handled appropriately. Hopefully it won't come to that.
- There has been a concerted effort to do a "slow bleed" of information, so soften up the public for what's coming. A few more emails come out each day showing the corruption. But the big "MOAB", as Q calls it, has yet to come- the release of unredacted FISA documents and emails that will lead to high profile arrests.
- Bottom line, Q says be prepared but don't be scared. Help others to stay calm when it happens. And PRAY constantly. It runs much deeper and darker than what I am describing here, so we need everyone praying constantly for our leaders and the good guys fighting this silent war.

# Good Vs. Evil

- This is a “good vs. evil” situation, not a Republican vs. Democrat situation. Q says there are many corrupt people on both sides of the isle.
- Many people in gov’t are actually Satanists. I know this sounds hard to believe, but Satanism has existed for thousands of years, and there is evidence it still thrives today, possibly worse than ever. People are just not aware of it.
- The richest families in the world (Rothschilds and Payseurs) are behind many of our corporations and politicians, and reports show their bloodlines are Luciferians.
- When Hillary lost, nobody could believe it. The media said she had “99% chance of winning”, and Trump had “no path to victory”, in an effort to steer votes away from Trump. But she lost. That started the coup. Their contingency plan was to “frame” Trump with fake Russian collusion story. It has recently come to light that the Clinton Foundation paid for a fake dossier, funneled it back through the UK (Steele) and used her corrupt people in FBI and DOJ to push this fake narrative to undermine the incoming President.
- [Marina Abamovic](#) is a satanic “artist”. She masks her satanism in art. Her popularity among the rich elite, Hollywood, and even politicians is enormous. They all attend her satanic parties and love taking pictures with her. Even in some of the high schools, art teachers teach the children about her. Satanism is being cloaked as “contemporary art”.
- [Video:](#) Pastor covers Podesta emails uncovered in WikiLeaks and Marina Abramovic
- Pictures of Marina’s “spirit cooking” parties that John Podesta and Hillary Clinton attend:

- Clintons' connection to the occult:-
  - Bill Clinton wrote a book talking about his interest in voodoo in Haiti. Research it. He and Hillary even met with voodoo priests:

# PedoGate & PizzaGate: Systemic Global Pedophilia Exposed

- I originally thought PizzaGate was a conspiracy theory. It sounded too crazy to be true. But then I spent many hours researching it, and I now believe it is true.
- This is how I first got involved with QAnon. I had stopped watching TV news on TV because all of the channels were spouting the same nonsense over and over.
- I was also very angry at the recent rise in pedophilia arrests, including a 19 year old Ivy League student from Florida named Joel Davis, who was the *founding* executive director of the international organization [Youth to End Sexual Violence](#). He was also the [youngest person to ever be nominated for the Nobel Peace Prize](#). He was arrested for soliciting sex from a father who was selling his 9 year old and 2 year old baby for sex on the dark web. THESE PEOPLE ARE SICK AND MUST BE STOPPED. That's when my research began.
- If all Americans raise awareness to this threat and each do a very small part, amazing things can happen.
- Since President Trump has entered office, [over 10,000 people have been arrested for human trafficking](#). This is MASSIVE, and not being reported on the news. 2,300 were arrested just this past June, in Operation Broken Heart III. Every week, hundreds more are being arrested. The news stories are only shown locally or on internet (Twitter, etc). MSM completely ignores it. <https://www.justice.gov/opa/pr/more-2300-suspected-online-child-sex-offenders-arrested-during-operation-broken-heart>
- Pedophiles are rampant in the U.S. and worldwide, and they have put themselves in positions to abduct children and use them as sex slaves, and even murder/sacrifice them in satanic rituals.
- These pedophilia networks are directly involved with [human trafficking](#).
- Hollywood is deeply involved with this.
- Watch this video: [Systemic Global Pedophilia Exposed](#)
- And this video: [Entire Town Run by Satanists- School, Police, Hospital](#)

- The term Pizza is introduced because this network of psychos orders children like “pizzas”, using code words. Emails from members of Congress that were released from Wikileaks shows them using these cryptic terms (John Podesta and others).
- Doughnut shop called Voodoo Doughnuts is also involved. Voodoo Doughnuts uses actual FBI registered pedophile symbols on its doughnuts, a mini child’s coffin of doughnuts, etc. It goes much deeper, but you must do your own research.
- [ElsaGate](#) is another sick tactic they used to influence our children. After watching childrens’ cartoons on YouTube, it would automatically start playing dark, twisted cartoons on autoplay mode to influence kids minds. Nobody knew where they came from or how they got positioned as “next up” so often. Thankfully, these were recently stopped.

# MK Ultra

This last topic is frightening and real. Rather than me try to describe it, I'm pasting *excerpts* from articles on this subject:

## Article 1: MK Ultra -- The CIA's Mind-Control Program that's Probably Still Operational

*MK-Ultra involved sexual and physical abuse, drug testing, hypnosis, mind control, and other types of torture.*

*The particular project within MK Ultra that the prostitutes were involved with was called Midnight Climax. This eventually turned into full-blown brothels in the U.S. run by the CIA, whereby the women working there would lure men into them, but instead of receiving sexual favours, were unknowingly drugged and then observed by CIA agents.*

*Though the History Channel provided a fairly accurate depiction in the role LSD played in MK Ultra, it left out all of the brutal torture, sexual abuse, and other immoral tests performed on these patients. MK Ultra wasn't an unsuccessful program, either; CIA agents were able to successfully mind control many victims, many of whom were children.*

*A 1975 document addressed to the President [stated](#): "The drug program was part of a much larger CIA program to study possible means for controlling human behaviour. Other studies explored the effects of radiation, electric-shock, psychology, psychiatry, sociology and harassment substances.*

*Most of the documents regarding MK Ultra were destroyed by the CIA, which isn't surprising given the nature of the experiments. It wasn't uncommon for unwilling patients to be forced into sensory deprivation or electroshock therapy. Of course, the test subjects reacted negatively, with many ending up [permanently comatose](#). Anton Chaitkin explains in his essay "[British Psychiatry: From Eugenics to Assassination](#)" under the MK Ultra section: "Cameron would drug his victims to sleep for weeks on end, waking them daily only to administer violent electric shocks to the brain. . . . Patients lost all or part of their memories, and some lost the ability to control their bodily functions and to speak.*

*I have gone from someone kind of neutral, and not knowing what to think about it all, to someone who clearly believes ritual abuse is real. . . .What they basically do is they will get a child and they will start this, in basic forms it appears, by about two-and-a-half after the child's already been made dissociative. They'll make him dissociative not only through abuse, like sexual abuse, but also things like putting a mousetrap on their fingers and teaching the parents, "You do not go in until the child stops crying. Only then do you go in and remove it."*

*They start in rudimentary forms at about age two and a half and kick into high gear, it appears, around six or six and a half, continue through adolescence with periodic reinforcements in adulthood.*

You can read more about MMC in our CE article [here](#).

## **Article 2: Mind Control and the New World Order**

### **Controlling Human Behavior**

*The MK-ULTRA program was instituted on 13 April 1953 by CIA Director Allen Dulles, ostensibly to counter the brainwashing techniques of American prisoners being held by the North Koreans during the Korean War, and to duplicate those techniques on enemy prisoners, i.e. the creation of "Manchurian Candidates." This was the claim used to obtain funding for the project. However, the Prisoner of War brainwashing program was just the tip of the iceberg, and the CIA-sponsored experiments ventured far and wide into areas of Mind Control under the aegis of MK-ULTRA that had little or nothing to do with methods of interrogation.*

*The Colby revelations were part of a sweeping investigation of the CIA in January 1975 by the "Commission on CIA Activities Within the United States," chaired by Vice-President Nelson Rockefeller. The subsequent June 1975 Report to the President said: "The drug program was part of a much larger CIA program to study possible means for controlling human behaviour. Other studies explored the effects of radiation, electric-shock, psychology, psychiatry, sociology and harassment substances."*

*Even though the program got off to a rocky start with the Olson affair, it recovered quickly and became an umbrella project with 149 sub-projects. The overall guiding principal was succinctly stated in an internal CIA memo dated January 1952: "Can we get control of an individual to the point where he will do our bidding against his will and even against fundamental laws of nature such as self-preservation?"*

Source: <http://www.globalresearch.ca/mind-control-and-the-new-world-order/31569>

Now we know there WAS a secret CIA program called MK Ultra, which splintered into 149 sub-projects, that TORTURED people in order to SPLIT their personality, so they could CONTROL them. This is BEYOND EVIL. The people who could do this have NO moral limits. They have no conscience. They are the embodiment of evil.

For all of the secrets that we have learned, imagine the rest of the story that we DON'T KNOW? Be honest with yourself. If people could run an evil human experiment like this, right out of a horror movie, where would this end? What we know has already crossed all moral boundaries of God and humanity. PLEASE do your own research on this topic. Americans and the world need to understand the extent of the evil we are facing. It is our obligation to shine light on this, for the sake of the victims, our country, our integrity, and our salvation. Turning a blind eye to these evils, will simply let evil grow bigger and more powerful. It's time to share the truth.

## Conclusion

This paper just scratches the surface. There is a wealth of evidence behind these topics if you choose to look for it. Deep down inside, many Americans feel that something just isn't right with our nation. The more you research, the more awake you will become to the reality that is operating under our very noses. That's why this truth movement is called "The Great Awakening". I now feel compelled to tell everyone. We need America, and the rest of the world, to wake up and understand what is going on and shine light on this darkness. The best way to defeat evil is to shine light on it. We have a moral obligation to learn the truth and hold evil accountable. If anything, do it for the children who are being tortured and killed every day.

These are hard truths to swallow. Many people won't be able to handle it. But good people must pursue truth and stand up for what's right. Please take some time to learn about the greatest threat to ever face our nation and the world and make a stand! Darkness thrives while the masses are lulled into complacency. Plus, others will need our leadership if/when things get difficult.

*Why am I so passionate about this ugly topic?*

*"The only thing necessary for the triumph of evil is for good man to do nothing"*

Edmund Burke

*"So, because you are lukewarm, and neither hot nor cold, I will spit you out of my mouth"*

Revelation 3:16

*"Take no part in the unfruitful works of darkness, but instead expose them"*

Military Intelligence.  
No media.  
No leaks.  
How many MI generals have been in/out of WH in the past 30 days?  
Focus on Flynn.  
Background and potential role.  
What is the common denominator in terms of military backgrounds close to POTUS?  
Why did Soros transfer the bulk of his 'public' funds to a NPO?  
Why is this relevant?  
Who owes a lot to very bad actors?  
How can she repay as payment was made under promise of victory.  
What cash payments occurred by BO during the last 90 of his Presidency to foreign states and/ or organizations?  
What slush fund did AG Sessions (through DOJ) put an end to?  
How does Soros, Obama, Clinton, Holder, Lynch, etc all net many millions of dollars (normally within a single tax year).  
What was negotiated on the tarmac between BC and Lynch?  
Remember it was expected HRC was going to win during this time period.  
What if the wizards and warlocks tipped off a local reporter as to the supposed unscheduled stop?  
What if the NSA under the personal direction from Adm R had this meeting miscat and logged under a false identity to prevent bad actors from locating while also verifying to said players all was clear \_ no logs.  
What really happened when the wizards and warlocks revealed what they had?  
Was Comey forced into the spotlight shortly thereafter not by choice? Right before the election no doubt which would cast suspicion?  
These are crumbs and you cannot imagine the full and complete picture.  
If Trump failed, if we failed, and HRC assumed control, we as Patriots were prepared to do the unthinkable (this was leaked internally and kept the delegate recount scam and BO from declaring fraud).  
Dig deeper - missing critical points to paint the full picture.  
There is simply no other way than to use the military. It's that corrupt and dirty.  
Please be safe and pray for those in harms way as they continually protect and serve our great country.

**Note:** Q posts/drops use a lot of abbreviations. "BO" = Barrack Obama early on, but later BO referred to Bruce Ohr (in context). WH = White House HRC=Hillary Hussein=Obama MSM=Main Stream Media Clowns=CIA Wizards/Warlocks = nickname (The analysts explain it all, so just watch their YouTube or Twitter analysis)
