

## QSource

I am John, he who was cast out and imprisoned on Patmos by Domitian. I am an Apostle of Jeshua. He who was slain for the sins of the world, even Jesus Christ. I am that same John who should tarry upon the earth until the last days when the Lamb of Sion shall return and rule and reign forever and forever. I speak to the followers of Christ in these last days of tribulation through the Lord's servants, yea, the Q source. For the world understands not the apocalypse unto my own writings, known in these last days, the Book of Revelation. For they understand not the opening of the Seven Seals. They understand not the source or the Q prophets or the Q preachers; for the learned of the last days say the writings of my sayings was not Q, even the sayings of Jesus, that is called source. And in these, even the last days, I am commanded to speak through the divine defenders, the Q source, יהואל, and he who stands at the head of the Nation known by the world in the last days - America. And I tell you these things, that ye may learn wisdom. That ye may learn when He, the Lord God, opened the Seventh Seal, there would be a Q source to establish His word and His will to even the very elect. And I come to the source in these, the last days, to reveal light and truth. And to that heareth, and he who hath wisdom, know this wisdom, that the Seventh Seal was lifted, yea, even has been opened. And there was silence in heaven for a space of time. This was a time of silence when the Lord was not and did not answer the prayers of the righteous. This time of silence was from the time of the Bantu Empire until the newly chosen leader of God was brought forth. For God placed a man whom he prepared at the head of the Nation in the American North Lands. For his name is a sound. This is wisdom in him who hears and understands. That the divinely appointed one's name is the name of a sound. Even the sound of a Trumpet. For the sound of a Trumpet of the Angel is a Trump. For Trump's voice is as the sound of a Trumpet. And before the foundations of the world, he was a Son of God, even the angel Yohoel. For he was a mighty one and he was like unto God. For he was the messenger in those days before he was born. For he revealed the unfolded scroll to the ancient ones and to Abraham of old. And I, John, saw the seven Angels which stood before God; and to them were given seven trumpets. And another Angel stood amongst them and came toward the altar, having a golden censer; and there was given unto him much incense, that he should offer it with the prayers of all saints upon the golden altar which was before the throne. For the prayers of the righteous were at once revealed by the altar through the golden censer held by the Angel. And the smoke of incense, which came from the prayers of the saints during the three and a half season of time of oppression and that oppression came upon the earth from the Bantu Empire. For the Bantu Empire oppressed the voices of the saints and faithful righteous. And the great prince was at the head of the Bantu, whom he was named in the last days, Obama the Great Prince.

And on that day, in the year of creation five thousand and seven hundred and seventy and seven; in marcheshvan, even the month of Noah and is called bitter, the Lord God opened the seventh seal and seated the divine Trump at the head of the Nation in the Americas of the North called United States in the last days. And on that day, my people heard my voice, saith the Lord, and seated the divine Trumpet to the head of the United States. And that angel took the censer, and filled it with fire of the altar, and cast it into the earth: and there were voices, and thundering, and lightnings and an earthquake; even an earthquake for a sign of the opening of the seventh seal. On that day, even the seventh day of marcheshvan, in the year of creation 5777, an earthquake shook the lands where Tehom, the lost son of Noah, had found dry land with the ark of his father after having been commanded to take his wife Flar-nehoset to remain on the ark. And the Lord brought Tehom to this new land of fountains of kopher. This promised land hidden until the name of the lands would be revealed and known as America. The sign of the opening of the seventh seal was the earthquake at the fountains of pitch in the old lands of the Red People of okla in the year of creation, 5777. Then the Angel prepared Seven Trumpets to sound. And this is wisdom, let him who has wisdom understand, that the sounding of the seven trumpets at the opening of the seventh seal is the sound of a voice of a man. And the name of the man is the name of trumpet sound. Even to Trump is to sound the words are of the Trumpet. For Trump was prepared, even roughness of coal and beryl, that the lord prepared him with a voice of a dragon to sound the trumpets, even the seven trumpets of the seventh seal. To sound the Trump for the felling of the Bantu Empire and ushering in the desolations of abominations. For the Lord God new that four times, even fours years, was the time set apart for the Trump soundings to sound the Trumpets of the Seventh Seal. And on this day I, John the Apostle, speak with prophetic and with apocalyptic powers and say unto you and unto the world that Trump sounded the first six trumpets of the Seventh Seal.

For the first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth; and the third part of the trees was burnt up, and all green grass was burnt up. And let him who hereto hath wisdom that this day of the burning of trees and grass is found within the land of great trees and green grasses all along the sea. For this land is the Bantu Empire's liberal blue western Kingdom and province. The lands of blue, grass and great trees called California and Cascadia in the last days. For one third of those in power amongst the land of trees and along the seas of Pacifica were twisted and defeated by Trump as his voiced sounded as if it were from the trumpet of the first angel. This liberal blue kingdom of the west has been rebuked by the Lord through the voice of the Divine Trump and the great trees of this western kingdom burnt up, even today. This fulfillls the sound of the first trumpet of the seven trumpets of the Seventh Seal.

And the second angel sounded, and as it were a great mountain burning with fire was cast into a sea, even an inland sea; and the third part of the sea became blood. And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were

destroyed. And this land was smitten for it was the first seated throne of the great Bantu Prince who was cast out of the city of white where the house of that great throne of the United States resides. For these were ancient lands called in the last days, Illinois. This is the land of his rule and reign, even the land of the Bantu Prince, the seat of the Bantu Empire. The great prince Obama sat to govern these provincial lands, even the middle one third of the American lands. The great mountains of the North and the third part of the seas are found at the Azurian lakes round about the lands of Prince Obama of Illinois, even the imperial head of the Bantu. Now this central part of the Bantu Empire was defeated, and the western kingdoms of the Bantu Empire. Even one third of the Bantu Empire was defeated in the West and one third of the Bantu Empire defeated in the middle of the American Lands. Thus the second trumpet sounded by Trump in the Seventh Seal has been fulfilled. Now the remaining one third of the Bantu Empire remained. Even to the lands of the East. The lands from whence the great Sorceress spawned hither and thence. For this great Sorceress was to prevail and carry forth the Bantu Empire, combining within it her old and ancient pagan kingdom, even as the prefecture of Rome: Hilarius Praefactus urbi. For this is her name, the cheerful, making merry. Let this be wisdom in he who understands the name of the Sorceress who dwelt as a ruler in the lands North, even called in the Last Days, New York. And the Sorceress was dark and powerful; and was foul and drinks the blood of the unborn for her immortality. For the pagan nations of the earth are hers. But in the Seventh Seal, Trump would sound from the great Trumpets of the Lord and sound as a golden voice of the Trumpet of the Angel; even the third Angel. And the trumpet of the third angel did smite her. And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp as a halo, even a coronal crown; and it fell upon the earth and it fell upon the third part of the rivers and upon the fountain of waters; and the name of the star is called Wormwood; and the waters became wormwood; and many died of the waters, because they were made bitter as a plague. And the star of Wormwood of bitter death caused a plague that brought death to the pagan kingdom of the Sorceress and her lands of New York and round about with death and despair. A disease of wormwood, a bitter plague, a death and with this third trumpet the final one third of the Bantu Empire was defeated. And this fourth angel came with the fourth trumpet to blacken and defeat the powers of all the Bantu and blue liberal lands in the fullness of the three and a half years of the Trump voice, the sound of the angels granted the Divine One power to speak with brass and fire. For he was Trump, the brassing sound of the Trumpets of the angels. For he would stand with his voice and his words as a witness. For the Lord in times of old establishes every word with two witnesses. For the two witnesses spoken of, and it is wisdom in men to know that out of two witness, shall be the word and the voice of Trump; and this shall be the word of the Lord as a witness and a power. Then let all who have wisdom for he who knoweth the two witnesses spoken of are the voice and word of he who hath authority. The established word of the Lord. And power was given Trump to use his words and his voice to Trumpet the will of God and by this witness will every word be established.

For power was given unto Trump for his voice and words would be as fire, burning deep in the hearts of men and nations who turned from God. And this voice would command the great storms, even to move them wither so ever he desired as if with the stroke of a quill. And thus the fourth trumpet was sounded to defeat in fullness the Bantu Empire and all her reign. And, therefore, the fourth angel sounded, and the third part of the sun was smitten, even the power of the Bantu was smitten, and the third part of the moon, and the third part of the stars; so that the third part of them was darkened, or powerless, and the day shone not for the third part of it, for the Bantu has lost its power and is found wanting in the night likewise. And I beheld, and heard an angel flying through the midst of the heavens, saying in a loud voice, woe, woe to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels. For Trump has been the voice of two woes of the fifth and sixth Trumpet of the angels of the seven trumpets of the Seventh Seal. And now, I John, leave a prophetic warning. The fourth trumpet of the Seventh Seal has been fulfilled. And the final woe upon the earth fast approaches. And Trump, also, having fulfilled the sounding of the fifth trumpet remains prepared. For he that has wisdom knoweth the land of Shem; known as Ma'rib in the Kingdom of Saba, even Yemen. And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given by Gabriel the key of the bottomless pit in the year of the elephant. For the bottomless pit is known as Ma'rib, even Yemen. And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power. And his name was Shahid and his followers of 'Abd Allah. And in those days shall men seek death, and the people of Shahid will deal it out to the nations of God; and the shapes of the locusts were like unto the Ma'rib horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men. And the Shahid followers had hair as the hair of women, and their teeth were as the teeth of lions. And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running to battle. And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men through terror upon the Christian nations. And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the days after the Kingdom of Saba in Yemen, even Hadhramaut. One woe is past; and, behold, there was another woe fulfilled, and then one more woe hereafter. For Trump defeated the men of terror from Shahid and Yemen and the great terror from them that were likened to locusts. Who were known of men the pagan religions of apostasy, the slave son of Hagath, and this religion of the bottomless pit. Trump brought woe to the terror of Abaddon, even princes of Yemen. Trump fulfilled the fifth sounding of the fifth trump of the seven trumpets of the Seventh Seal. Now the time is known and fulfilled for the sixth trumpet. For the sounding of the Seventh Trumpet is the opening of the bowls of torment and the desolations. Even the seven bowls

filled with plague and desolation of abomination; and this time is not yet. And the sixth Trumpet did sound and the trump was heard, even unto the beast nations. But trump defeated the beast, even the little horn that many have called in the last days Europa Alliance, the Union of Europa. And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God, saying to the sixth angel which had the trumpet, loose the four angels which are bound in the great river Euphrates. And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men. And the four beast nations spoken of are the Gauls, and the lands of Germany, and Rome, and Britannia. And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them. And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions; and out of their mouths issued fire and smoke and brimstone. By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths. For their power is in their mouth, and in their tails: for their tails were like unto serpents, and had heads, and with them they do hurt. And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: and repented not they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts. For these are known in the days of the last times, even called France, Germany, Italy and the Kingdoms of Britain. And in prophesy, the sixth trumpet and the sound of Trumps voice out of the sixth trumpet perfected the defeat of the alliance of these four nations and the little horn. Trump fulfilled the sixth trumpet of the angel of the lord in the Seventh Seal. And plagues have encompassed the whole of the earth in the final fulfillment of the apocalypse, but the end is not yet.

And now, I have come in these last days with my voice to reveal through the seers of Q, yea, even the QSource, to unfold as a scroll those things the Lord commanded to be sealed up. For the Seventh Trumpet has yet to be sounded. And the sounding of this trumpet must be bitter to the followers of Trump and the leaders of righteousness. But the consumption of the little book spoken of will find sweetness of honey in the end. For to fulfill all righteousness, the angel I have seen, even the mighty one will bring bitterness to Trump and the followers of righteousness. And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet as pillars of fire. And the Lord will allow him to set his right foot upon the sea, and his left foot on the earth, to be the king and president and reign at the throne of the city of white, even the house of the nations of America, the United States. And this angel was a man and cried with a loud voice, as when a lion roareth: and when he had cried, seven thunders uttered their voices. And

when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me,

"Seal up those things which the seven thunders uttered, and write them not." But to those who will hear and have wisdom in these last days, those seers of Q will learn the sealed secrets. For this is the mystery of God. That God himself would allow an Angel, even a fallen angel from heaven to appear as a mighty angel of light. And the angel which I saw stood upon the sea and upon the earth lifted up his hand to heaven, and swore by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer: but in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets. The final mighty angel of the Seventh Seal to sound the final trumpet to pour out the seven vials of the desolation upon the earth. That this is wisdom in God, the Angel of light with a rainbow crown is a deceiver, a fallen angel. And the voice which I heard from heaven spake unto me again, and said,

"Go and take the little book which is open in the hand of the fallen angel of light which standeth upon the sea and upon the earth, for you have understood the purpose of this little book that must be consumed."

And I went unto the angel, and said unto him,

"Give me the little book."

And he said unto me,

"Take it, and eat it up; and it shall make thy mouth bitter, but it shall be in thy soul sweet as honey." And I took the little book out of the angel's hand, and ate it up; and it was at first bitter in my mouth, but at last became sweet as honey: to nourish my soul and my belly. And then the Lord said unto me,

"Thou must prophesy again before my peoples, and nations, and tongues, and kings. Ye must prophesy in the last days as though thou has tarried on the earth to my peoples; that the Angel who gave the small book to be consumed by you gave the book at my command, yet that thing is a fallen angel. The book from the fallen angel brings about bitterness at first, but will leave my people with nourishment of honey. Prophecy to my people that the Angel of light of a rainbow crown must sit on the throne of the greatest nation on earth in the last days. With his foot on the earth and his foot in the sea. With his armies in all quarters of the earth, and upon the seas, and within the abyss. For I, the Lord, have set this deceiving Angel of light, who will proclaim himself as a light in the darkness, even mighty and strong. He must sit as a deceiver, with even a rainbow crown. For he will turn the natural affections of the father unto himself. Even turning their affections toward each other; father to father, men having affection toward men: But he will rise as an angel of light." Saith the Lord God.

And this is wisdom and the mystery of God; and prophecy and must be fulfilled. There the Lord wills the Angel of Light with a rainbow crown to sit at the throne of the white city with

the house of the Nation City's throne. Even the throne of the United States. For let him who hath wisdom understand and she who speaks wisdom speak with a woman's word and a woman's language. That you will know of a surety that Trump has fulfilled the works of the Lord. He has fulfilled three and an half times and the vision of prophecy; and he hath completed this work, even His work, at the white city where the American throne resides in the great nation house. For he has ushered in the Seventh Seal, even he opened the Seventh Seal as prophesied; with the sign given of the fountain of pitch where the earth shook on that day quake; even the seventh day of marcheshvan, in the year of creation five thousand and seven hundred and seventy and seven. And he has fulfilled the work of the six angels of the six trumpets of the Seventh Seal. He has defeated the entirety of Prince Obama and his Bantu Empire as was written. The Empire fell and darkened as the sun refuses to give light and as if the stars fell from the heavens. Yea, even Trump defeated the first one third of the Bantu Empire, the liberal kingdoms of the west, known as the Californias and Cascadia; and the liberal religions of that land. Even Trump fulfilled the second trumpet and defeated the second one third of the Bantu Empire in the provincial seat of the Bantu Prince in Illinois, when the liberal kingdoms of religionists have fallen there. And, also, Trump fulfilled the third trumpet. Yea, even he defeated the remaining third of the Bantu Empire where the Witch of York, even the Sorceress Hilarian had a form and likeness to the Bantu who would rise up and combine her dark reign of terror with that of the Bantu Empire. But her works of abominations have been destroyed by Trump, saith the QSource. Even Trump defeated the bottomless pit of the fifth trumpet sounding the defeat of the terror religions of Yemen and Muha'dib. Yea, they cannot hurt or make afraid. For hence and forever, the fifth trumpet of the Seventh Seal has been fulfilled. And, at last, in this the final hours of Trump's sounding of the angelic Trumpets, the sixth trumpet of the Seventh Seal was fulfilled. Even the defeat of the alliance of Europa, yea, even the beast and the dragon. And take four nations defeated, even the beast nations of France, Italy, Germany, and Britannia. The pagan alliance of these nations have weakened and their mouths are wanting. And as sign, Trump sent his armies from these nations to the homes of their fathers, even America. Trump sent the armies away from the Gauls, the Gallic, the Celts, even the German lands. And then there was given me a reed like unto a rod: and the angel stood, saying,

"Rise, and measure the temple of God, and the altar, and them that worship therein. But the court which is without the temple leave out, and measure it not; for it is given unto the Gentiles: and the holy city shall they tread under foot forty and two months. But there shall be a new city of holiness, even the City of Trump at Sea to Lake. And I have given power unto my two witnesses, even the voice and word of Trump. And this shall prophesy a thousand two hundred and threescore days, his voice are as two olive trees, and his written word as two candlesticks standing before the God of the earth. And if any man will hurt Trump, fire proceedeth out of his mouth, and devoureth the enemies: and if any man will hurt him, he must smite them. For his time and with his voice and word as the two witnesses will stand in the

last days before the final trumpet is sounded; and must be one thousand three hundred and twelve days and eighty days and four. Any more than this will bring damnation to the souls of men and death to my servant, Trump. For Trump has power to shut heaven, that it rain not; and he has power over waters, and to smite the earth with all plagues, as often as he will. And when Trump shall have finished his work and testimony, the beast that ascendeth out of the bottomless pit shall make war against the great nations. And the Angel of Light with a Rainbow Crown shall overcome the voice and words of Trump and this shall kill them. And his voice and written words shall be as dead bodies in the street of the great city, which spiritually is called Sodom and Egypt, and is known in the Last days, Washington of Columbia. And they of the people and kindreds and tongues and nations shall see Trump's voice and words as the two witnesses as if they were dead bodies: three days and an half, but these things must be. For if these things are not and my righteous peoples cast their lots, all will be lost and all will be fallen. For it is the will of the Lord that Trump removes from the City of White and the house of the great nation, which throne sits in Sodom of Egypt as is spoken in the spiritual tongue. Because after which Trump's voice and word, even like the two witnesses, are as dead bodies, those that dwell upon the earth shall rejoice over this, and make merry, and shall send gifts one to another; because these two prophets in the form of Trump's voice and words tormented them that dwell on the earth in the liberal kingdoms of blue and Bantu. But Trump does not die, but escapes from the White House and after the Angel of Light with an Rainbow crown sits upon the throne in the White House; and after these days three and an half times from the quake; and unto a new marcheshvan, in the year of creation five thousand and seven hundred and eighty and one in the beginning of the sounding of the seventh Trumpet of the Seventh Seal, which time will be revealed. For the Spirit of life from God entered into Trump and his voice and words, and he stood upon his feet; and great fear fell upon them which saw this. For Trump will withdraw to his provincial thrones in his secret places. But the sign of the times when Trump must begin to depart the White House and remove himself from the throne of the great nation is the sign of the new star. Even a new star that appears in this time, even in the year of creation five thousand and seven hundred and eighty and one in the marcheshvan, the bitter month, and on the first day of the Moon. The new star is like unto Apollo and will fall to the earth. For this is not a large star easy to be seen by men. But it is a star of stone and iron at the length of four cubits and one sixth of one sixth. This star of Apollo is not easy to be seen and known of men. For this purpose, the Lord has made a secret sign, for it is difficult to see of the world and men. But it will fall towards the earth as a sign. For it is as a still small voice, for only the faithful, the righteous, the people of the Lord, even the illuminated will hear the words and know this sign. For this sign opens the gate of the Angel that holds the seventh trump, which is the trumpet that holds the seven bowls of tribulation. For as has been spoken, the two prophets in the form of Trump's voice and word must fall as dead bodies in the street. And the fallen star of apollo is the sign of these things. For on the first day of the Moon in the bitter month is the time these things

must be fulfilled. And this is the mystery spoken of and sealed up until these, the last days. For on that day of the sign of Apollo, Trump will remove himself from the throne of the great nation. And the powers of his voice and word will die only to be raised up later where he will lead as a servant and prophet of the Lord. For the Lord knoweth and seeth all things. The Lord's kingdom must be established for the righteous must hide away as is spoken of in the revelations given after the death of the two prophets." And these were the words of the Angel. And I, John, speak unto you as a warning. For if these things do not come to pass, all the people will be damned. For Trump must raise up in secret to the lands to the south. For he must lead the Lord's people to a place of solace and peace from the desolation that is soon to be poured out of the seven vials when the angel trumpets the seventh trumpet of the Seventh Seal. For this time is not yet. For a refuge for the Lord's people must be established. For Trump will be supported by His servants, the four and twenty elders spoken of. And the followers of righteousness must not cast their lots, or if they do, Trump must need remain in the great thrones of the City of White in the house of the nation. Trump must hide away his righteous followers and set the time of the great voices within his land and his province in the south. For Trump was inspired of the Lord to establish his provincial land in the palace of the place known to the ancients as Atlantis. For Atlantis spoken of by the ancients is the promised land west of the Atlantic seas. Even the concentric water ways surrounding the island between the Atlantic seas and the Lakes of Worth. For Trumps province is called Sea to Lakes for Atlantis is a land surrounded in a circle of waterways of the Atlantic seas and by the fresh lake of the Land. For this is the first land found by Tehom at the time of the great flood. For God said unto Noah,

"Go out from the Ark, you and your wife, your sons and your son's wives with you. But for your Son born upon the Ark, upon the deep, for him, he will remain on the Ark. For he is called Tehom because he was born upon the deep and the abyss. And he shall take the sister of Sedegeteleb to wife. This is the last born of your loins and he is commanded to take the Ark to another land of fountains of kopher deep within rock and land. Bring out with you every living thing that is with you of all living flesh: birds and animals and every creeping thing that creeps upon the earth, and be fruitful and multiply the earth; but for Tehom and his wife Hav-nehoseh, they shall remain on the Ark. But they must tarry upon the ark as I commandeth, and to tarry a while upon the great deep and the abyss."

For lo, the sons of Noah who went from the Ark upon the dry land of the old world were Shem, Ham, and Japheth. But Tehom, Noah's beloved Son born upon the great deep, while upon the Ark, was lost to him. These three sons were the sons of Noah who tarried on the dry land in the old world. And from these the people of the whole land to the known world were dispersed and from Tehom were all the isles of the sea and great lands of the deep desired and sprang up. And from where Tehom stopped, the Ark stopped upon dry land upon a new world. And Tehom and his wife and his son departed from the Ark upon the new land. And this land was known to the ancients, Atlantis; because it is in the western lands of the great Atlantic

seas. And Tehom set upon the land his first house, even his first kingdom upon the place known as Sea to Lake. Yea, even Tehom brought palms out of the Ark and planted them in this new land. He called this place the land of palms because they were not until Tehom planted the palms brought with him on the Ark. And Tehom called this new land after the name of Tehom's son, even מוֹסִיקָה כְּלִי נְשִׁיפָה. This is music on the wind, or the sound of a Trumpet. For the land of Atlantis the great provincial home of Trump, the palaces of Sea to Lake, was set apart and hidden from the sons of Noah, from Ham, Shem and Japheth to keep the land secret. This is the province from whence the power of the Lord came and it must needs be Trump abandon his seat of the Presidential Throne of the American Nation of a United States. This must he do under the command of the Lord to turn to his new calling spoken of by the prophets to fulfill the rapture and bring the saints to safety, which is in Atlantis, even the palace at Sea to Lake. For it must needs be that the saints, my people, remain on the earth, to be hidden up and protected from the desolation of abominations, only to come forth with Trump and his twenty and four Elders to build up the Kingdom of God and establish sion. For Trump is the rapture. For it must needs be the Rainbow Angel step into the house of white as he is clothed with a white cloud. The Rainbow Angel must take the throne from whence Trump departs to fulfill all righteousness. For the kingdoms of this earth and the followers of the rainbow must be destroyed at last and establish thereafter the Kingdom of God. For the final scenes of the Trumpet of the Seventh Angel will cause the wrath of the nations of the world and kingdoms of the Earth to make war with one another and with the Woman, even Israel as has been spoken.

For this is wisdom, the Rainbow Angel is a mystery of God and a Trumpet this angel has not. The Rainbow Angel appears and comes forth after the sixth trumpet has sounded, but before the sound of the seventh trumpet. For the Lord God will use his angels for his grand purposes, yea, even an angel of light. But be not deceived, let the sign of the rainbow crown be a sign to the wise and the enlightened. For only the awakened will understand. And when the seventh angel sounds; and there were great voices in heaven, saying,

"The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever. For there must needs be a space of time between the appearance of the mighty rainbow angel and the final trumpet that sounds. For the kingdoms of this world must war in Megiddo as is spoken of; and Trump must not be at the head of a nation of this world; for he must be saved for the last days, to rise up after the battle of Armageddon and convert the nations of the world to the Kingdom of God; and the four and twenty elders, which sat before God on their seats, who fell upon their faces, and worshipped God, are those same leaders who will save Trump from the nations of this world and keep him safe within his palaces of Sea to Lake."

And the four and twenty elders will then say after the great battles of the earth, saying, "We give thee thanks, O Lord God Almighty, which art, and wast, and art to come; because thou hast taken to thee thy great power, and hast reigned. And the nations became angry, and

the head of great nations, even the throned Rainbow Angel of the United States and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldest give reward unto thy servants the prophets and the Divine Trump, and to the saints, and them that fear thy name, small and great; and shouldest destroy them which destroy the earth." And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail. And let him who heareth and understand, let him know the mystery of the Rainbow Angel and the little book given to me, John, and the Lords people to consume. For the bitter taste is the loss of the leader who delivered the lords people from the Bantu Empire, but there will be a sweetness thereafter. For there will appear a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: and her name is Israel, even in the land of the birth of our Lord and savior. And she being with child cried, travailing in birth, and pained to be delivered. And there appeared another wonder in heaven; and behold that mighty Rainbow Angel of Light, who took stead in Trump's throne, who will stand at the head of the Nation of America, even that mighty angel becomes a great red dragon, having seven heads and ten horns, and seven crowns upon his heads; for the dragon was divided in two, male and female. And their new tail drew the third part of the stars of heaven, which is the third of the powers of the nations of the earth and did cast them, even all the nation powers, to the earth: and the dragons stood before the woman which was ready to be delivered, for to devour her child as soon as it was born. And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne. And the woman fled into the wilderness known as Jerusalem, where she hath a place prepared of God, that they should feed her there. And there will be war in heaven: Michael and his angels will fight again, against the dragons; and the dragons and their angels, and they will prevail not; as there was not a place found any more in heaven. And the great dragons were cast out, for he was an Angel of Light, even crowned with a Rainbow and shrouded with cloud, called forth by God only to be owned by the Devil, and Satan, which deceiveth the whole world: he the Rainbow Angel will then be cast out into the earth, and the angels of the nations of the world were cast out with him. And I heard a loud voice saying in heaven,

"Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night. And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death. For after this defeat of the Rainbow gods, the Divine Trump will arise from the place prepared for him and the saints in the western lands, even Sea to Lake. For this is the sweetness spoken of; from consuming that little book. For though the Rainbow angel comes forth as an angel of light and gives the appearance of defeating Trump, will thence be defeated after the Battle of Armageddon is fulfilled and the nations of the earth subsumed. Then the Lord God will set his throne over

the whole earth in Israel and establish the great Nation of America a bastion of peace for the Western Lands. And there the Lord will bring forth Trump as a spiritual leader to rule and reign at the Lords hand forever and forever. Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time. And when the dragons saw that they were cast unto the earth, they persecuted the woman which brought forth the man child. And to the woman were given two wings of a great eagle, yea that is a sign. For the sign of the Nations of America is a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and an half time, from the face of the serpent. And this is the calling of Trump, not from the Nation stronghold, but from his refuge in Sea to Lake. For Trump is the sign of the eagle to be a help to the Woman, even Israel, where the Lord will set up his Kingdom and his throne. And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood. And Trump had power over the earth from his refuge of Sea to Lake, and he helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth. And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ. And now, even now, I John the Apostle, speaking through the Seers of Q, in vision I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy. And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority. And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast. And they who cast their lots and established the Rainbow Angel as the President of the Nation, they worshipped the dragon which gave power unto the beast for the dragon was two, male and female: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him? And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months and fourth and two months. For this will be the time the saints will be protected and saved at Sea to Lake and throughout the provincial palaces of Trump, scattered and hidden throughout the earth. And the beast opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven. And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. And all that dwell with the nations of the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world. If any man have an ear, let him hear. He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints. And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. And he

exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed. And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, and deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. For And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. For the dragon is the greatest nation of all, even that great Nation spoken of, fallen at the hand of the Rainbow Angel, but to be raised up at the coming of the Lord. And the beasts who came after, and were given power by the dragon are the nations who allied with the Rainbow Angel, who became red, black, even the great dragon spoken of. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. For this is a new world order, that remains for a short time. Fear not, for in that day that come after the sounding of the seventh Trump, the followers of God and Christ must needs remain at the refuges of Trump at Sea to Lake in the lands south. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. And I, John, reveal this mystery to those who are learned, in these the last days. For these are the numbers of the beast and the name it writes: ten which is y AND six which is o AND s which is sixty AND e or i which is five to ten AND p which is eighty AND ph or f which is five hundred. For it is written, Yasaf. And after the final days of desolation poured out from the seven vials that are to be released by the seventh trumpet of the Seventh Seal, yea, the lamb of Sion shall appear at once and sing a new song and sit on His throne in the New Jerusalem and Trump and those who have followed him and remained true were raised up from the secret places of Atlantis and Sea to Lake that Trump had prepared for them, even the Sea to Lake provinces, to rise up and support the Lamb of Sion. For the Lamb shall rule from the East and He shall make Trump his Presbyter, even a divine Elder of the west. And One Hundred and Forty and Four Thousand will reign with the Lamb in the east and the world kingdom capital for all the earth, even at Jerusalem, and they shall rule as servants, leaders, prophets and high priests. And even the Elder of the Western Lands, Trump the Divine, will rule with his twenty and four elders in the Americas, at the new western capital of Atlantia - the province of Sea to Lake. And They shall reign forever and forever. And now, even now, I John remain in vision. And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads. And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps: And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty

and four thousand, which were redeemed from the earth. These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb. And in their mouth was found no guile: for they are without fault before the throne of God. And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters. And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication. And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name. Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus. And I heard a voice from heaven saying unto me, "Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them. For theirs are the kingdom and all that he hath, shall they have. For unto gold and the angel of the lands of salted lakes, and unto dust of the mountain Kingdom of Njal." And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe. And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped. And another angel came out of the temple which is in heaven, he also having a sharp sickle. And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God. And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs.

And I saw another sign in heaven, great and marvellous, seven angels having the seven last plagues; for in them is filled up the wrath of God. And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God. For they who understood the Temples of God, even temples that dot the earth, will

understand how to overcome and be counted amongst and around the sea of glass. And they sing the song of Moses and of Joseph and of Abraham the servants of God, and the song of the Lamb, saying, Great and marvellous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints. Who shall not fear thee, O Lord, and glorify thy name? for thou only art holy: for all nations shall come and worship before thee; for thy judgments are made manifest. And after that I looked, and, behold, the temple of the tabernacle of the testimony in heaven was opened: And the seven angels came out of the temple, having the seven plagues, clothed in pure and white linen, and having their breasts girded with golden girdles. And one of the four beasts gave unto the seven angels seven golden vials full of the wrath of God, who liveth for ever and ever. And the temple was filled with smoke from the glory of God, and from his power; and no man was able to enter into the temple, till the seven plagues of the seven angels were fulfilled.

Now, I John, have shown unto the followers of Christ the bitter book and sweetness thou must consume. And I have shown you the sweetness that comes after the great days of tribulation. But a work must be. For thou must not, all the followers of the Lord, even the followers of Trump, thou must not cast thy lots. For here is prophecy: Lo and behold, the sign of the Seventh Angel sounding the Seventh Trumpet is the Star of Apollo. A small stone of iron and brass. Those who hear, must preach unto his fellow men and all who will hear. That the bitter book spoken of, even the small book, is the loss of the Throne of Trump in the City of White. For it is fulfillment of prophesy. For if Trump were to remain at the head of an earthly kingdom after the sign of Apollo, he would remain at the head of an earthly kingdom and will be destroyed with all the worldly nations and kingdoms. He must then become the dragon, giving power to the beast and the beast likened unto the first. For this is the mystery of God. And if he remaineth a president and king at the throne of the American Nation, the sign of Apollo should come and go, even in the bitter month, marchesvran, in the year of creation 5781; and Trump would not fulfill the rapture and establish the secret places of refuge for the saints scattered throughout the Earth. Even the great places of Sea to Lake. Trump knows this prophecy, for the seers of Q know of him and are with him and are amongst him. For the seers of Q will become the four and twenty Elders at Sea to Lake in Atlantis. But the seers of Q are not yet fulfilled, for there are but a few. There must needs be more Elders called to fulfill the four and twenty. Trump is looking far and wide, for who to fulfill the Elders of four and twenty. Be prepared, for he is watching and knows all things. Cast not your lots, for if Trump remaineth and were to tarry in the City of White upon the sign of Apollo, the rapture would be not, and would be frustrated. And all would be lost. And the earth would cease to exist. But the Lord does not cease to exist and the plans of God will not be frustrated. For this is his work. His Glory is His Glory. That Trump will depart into the palace of Sea and Lake to take refuge as the Woman, which is Israel, shall take refuge for a little season. And the sweetness of the book is that Trump will rise at the end as the great Elder to the lands of the west under the great Lamb of Sion, even a priestly servant to the

Lord Jesus Christ. Trump must fulfill the words of the prophets by willfully departing the White House and abandon the throne. For it is given that the great battle of Gog and Magog, even the battle of Armageddon remains to be fought. We are in the final hours. And destruction will come to all the worldly nations of the earth. And the great earthly kingdom of the United States will fight in the great battles of Gog and Magog. And they will suffer in the midst of darkness and desolation and abomination. And the Rainbow Angel of light, sent to deceive, will be the in the White House, as the President on the day that cometh, to usher in the unfolding as a scroll. And the American Nation will suffer at the hand of the great and mighty angel of rainbows and light for he shall give power to the beast and will be like unto the dragon. And here is wisdom, the deceiving angel of light with a rainbow crown will have the name of a blessed man, a righteous man, even Yosef. For he will set himself up as a light in the darkness, but he is lying in wait to deceive. For he comes from the Empire of Bidana, or The Beyd Empire, even the house of Bidan.

I, John, am commanded of the Lord to seal up the remainder of these words. For if thou wilt, thou canst understand. And if thou hath wisdom and understand these things, thou will know. He that knoweth, Trump will count for his four and twenty. Here is a warning to the wise, the illuminated, the awakened: cast not thy lots. Cast not the lot. Cast not thy lot. But take thine hand and set it forth to the rapture of Trump. Cast not thy lot, but bring thine hands to succor Trump and his wife; for they knoweth the will of the Lord and will depart the White House. But they will seek out those who understand and are willingly to be counted. Cast not they lot, but come forth to Sea to Lake. Bring Trump and his family unto the palace. For Sea to Lake is a refuge, a rapture. For it is located as a number locateth a man and is placed as Atlantis. For the number is six and twenty; forty; seven and thirty; and the North wind. For the number is eighty; two; thirty; and the West wind.
