Britney Spears will be found dead on or before 3/7/2023. Published cause of death will be prescription drug overdose. A memoir will be "completed" by a co-writer, and will be released posthumously (early Summer 2023).

Put me in screencap

My spirits will win the war over Earth.

Only my spiritual family will exist that cannot fall, cannot get corrupted but always loves me, the most high, forever loyally and faithfully.

I have seen a total holocaust of mankind in my visions after that holocaust the valkyries descend in flying discs and Heaven on Earth is restored.

Jews are not chosen and will be sacrificed.

All nigs genocided. All sandnigs genocided. All asians genocided. All whites genocided down to 2000 female sheeple and nazi soldiers who will be blessed by my valkyries with eternal life.

Only my 2000 white hylic female sheeple with my female nazi soldiers and valkyries will live on Earth with me in Atlantis, they will all love only me and fuck only me forever.

I am God in the flesh.

correct thats Miranda Lambert in the pic. Ole Louisiana anon is probably dumb as a box of rocks.. The average iQ in Louisiana is about 82..... so.... Chances are hes working on the production line at the Coca Cola plant in Monroe La watching the injection molding machines pop out bottle tops or the injection machine that molds the plastic bases that holds 2L bottles... Hes just smart enough to punch the eject button every 20 seconds and make sure all the molds pop out... Earns a check, goes home and watches soap operas with his over weight wife and Nascar on the weekends. Oh and he shops exclusively at Walmart..

Her explanation makes no sense. I can buy the church and her thinking Australia was London. But nobody posts the star of david and says "the star is representing righteousness and your highest self to have the rights to live as one pleases". She would've posted a typical yellow star or any other kind that wasn't one of the most recognizable religious symbols. She knew what she was doing.

Now, I don't think she'll be suicided (yet). But if she keeps this up, she will.
