Dear Chairman Ye,

I write hoping that my letter finds you well; it was my great disappointment to have missed you on your last visit to the United States but please accept the best wishes from my family and I, and our partners @ SinoHawk. We are all hoping to see you here again soon, or in Shanghai. Please let me know how we can arrange getting together.

As you know since our last meeting we have concluded the establishment of SinoHawk

holdings and I look forward to introducing you to Mr. Tony Bobulinski. He is a partner and we have empowered him as the acting CEO.

I hope that you are very happy with the progresses that has been made in Oman, this in my opinion cements our common belief, that by combining our connects and skills, we will create new opportunities in third geographies and economies, as well as the benefits for our two great countries. We would like to bring those deals to closure and as per our discussions

Within the next week, My team will have a term sheet defined for the project we discussed in Romania. It is time sensitive and we would like to progress that to closure quickly. We believe that is a very unique opportunity to showcase the CEFC brand in a country and help drive progress. The needed equity there is \$300-500 Million USD and can all be done by CEFC or parts of it and SinoHawk will raise the rest of the capital to complement CEFC capital. I am sure you

are well briefed by our dear friend director Zang, on the introductions and support that we are undertaking and top relationships we have with the leaders both politically and economically in countries you are interested in expanding into in the coming months and years.

I look forward to our next meeting as always. Kindest Regards,

R. Hunter Biden

Dear Mr. R. Hunter Biden,

I am glad to hear from you! Time flies and it has been months since we met in the US. It seems that we were always on a rush when we were together.

Thanks to your support to our cooperation, the consensus we made last time has been materialized in a timely manner. I am grateful that you introduce Mr. Bobulinski to our partnership. I have a great impression on him through your letter and he also sent me a letter to brief on the situation. I believe he will bring significant impetus to our cooperation with his abundant experience and outstanding capability.

Our cooperation in Oman and Romania has been productive and I am aware of the status quo. You could arrange your people to coordinate with Director Zang and Gongwen Dong for specific work and I will continue to pay attention and give my support. I have arranged Director Zang and Gongwen Dong to expedite the charter capital input to SinoHawk.

I look forward to meeting you in the near future and discussing our joint undertaking. If there is anything I could do please do not hesitate to write to me. Please accept my best regards to you and your family.

Yours faithfully,

Ye Jianming
