--HANDLING RESTRICTION--

**THE DOCUMENTS CONTAINED IN TAB 2 OF THIS BINDER MUST BE
HANDLED AS CLASSIFIED AT THE ~~SECRET//NOFORN~~ LEVEL.**

Documents in Tab 2 are currently displayed in a read-through or "red box" format. The information in the red boxes was previously heavily redacted, allowing the documents to be declassified and released pursuant to a Freedom of Information Act (FOIA) request. The appropriate FOIA exemptions, which were applied by the Department of Justice and the FBI prior to the document release under FOIA are noted in the margins.

Although the banners on the documents in Tab 2 show a strike through the classification level, the documents are classified at the ~~SECRET~~ level so long as the information in the red boxes remains unredacted.

For further information, please contact the FBI Office of Congressional Affairs at

Thank you.

COMPANY INTELLIGENCE REPORT 2016/113

**RUSSIA/US PRESIDENTIAL ELECTION- REPUBLICAN CANDIDATE TRUMP'S
PRIOR ACTIVITIES IN ST PETERSBURG**

Summary

- Two knowledgeable St Petersburg sources claim Republican candidate TRUMP has paid bribes and engaged in sexual activities there but key witnesses silenced and evidence hard to obtain
- Both believe Azeri business associate of TRUMP, Araz AGALAROV will know the details

Detail

1. Speaking to a trusted compatriot in September 2016, two well-placed sources based in St Petersburg, one in the political/business elite and the other involved in the local services and tourist industry, commented on Republican US presidential candidate Donald TRUMP's prior activities in the city.
2. Both knew TRUMP had visited St Petersburg on several occasions in the past and had been interested in doing business deals there involving real estate. The local business/political elite figure reported that TRUMP had paid bribes there to further his interests but very discreetly and only through affiliated companies, making it very hard to prove. The local services industry source reported that TRUMP had participated in sex parties in the city too, but that all direct witnesses to this recently had been "silenced" i.e. bribed or coerced to disappear.
3. The two St Petersburg figures cited believed an Azeri business figure, Araz AGALAROV (with offices in Baku and London) had been closely involved with TRUMP in Russia and would know most of the details of what the Republican presidential candidate had got up to there.

COMPANY INTELLIGENCE REPORT 2016/086

RUSSIA/CYBER CRIME: A SYNOPSIS OF RUSSIAN STATE SPONSORED AND OTHER CYBER OFFENSIVE (CRIMINAL) OPERATIONS

Summary

- Russia has extensive programme of state-sponsored offensive cyber operations. External targets include foreign governments and big corporations, especially banks. FSB leads on cyber within Russian apparatus. Limited success in attacking top foreign targets like G7 governments, security services and IFIs but much more on second tier ones through IT back doors, using corporate and other visitors to Russia
- FSB often uses coercion and blackmail to recruit most capable cyber operatives in Russia into its state-sponsored programmes. Heavy use also, both wittingly and unwittingly, of CIS emigres working in western corporations and ethnic Russians employed by neighbouring governments e.g. Latvia
- Example cited of successful Russian cyber operation targeting senior Western business visitor. Provided back door into important Western institutions.
- Example given of US citizen of Russian origin approached by FSB and offered incentive of "investment" in his business when visiting Moscow.
- Problems however for Russian authorities themselves in countering local hackers and cyber criminals, operating outside state control. Central Bank claims there were over 20 serious attacks on correspondent accounts held by CBR in 2015, comprising Roubles several billion in fraud
- Some details given of leading non-state Russian cyber criminal groups

Details

1. Speaking in June 2016, a number of Russian figures with a detailed knowledge of national cyber crime, both state-sponsored and otherwise, outlined the current situation in this area. A former senior intelligence officer divided Russian state-sponsored offensive cyber operations into four categories (in order of priority):- targeting foreign, especially

western governments; penetrating leading foreign business corporations, especially banks; domestic monitoring of the elite; and attacking political opponents both at home and abroad. The former intelligence officer reported that the Federal Security Service (FSB) was the lead organization within the Russian state apparatus for cyber operations.

2. In terms of the success of Russian offensive cyber operations to date, a senior government figure reported that there had been only limited success in penetrating the "first tier" foreign targets. These comprised western (especially G7 and NATO) governments, security and intelligence services and central banks, and the IFIs. To compensate for this shortfall, massive effort had been invested, with much greater success, in attacking the "secondary targets", particularly western private banks and the governments of smaller states allied to the West. S/he mentioned Latvia in this regard. Hundreds of agents, either consciously cooperating with the FSB or whose personal and professional IT systems had been unwittingly compromised, were recruited. Many were people who had ethnic and family ties to Russia and/or had been incentivized financially to cooperate. Such people often would receive monetary inducements or contractual favours from the Russian state or its agents in return. This had created difficulties for parts of the Russian state apparatus in obliging/indulging them e.g. the Central Bank of Russia knowingly having to cover up for such agents' money laundering operations through the Russian financial system.
3. In terms of the FSB's recruitment of capable cyber operatives to carry out its, ideally deniable, offensive cyber operations, a Russian IT specialist with direct knowledge reported in June 2016 that this was often done using coercion and blackmail. In terms of 'foreign' agents, the FSB was approaching US citizens of Russian (Jewish) origin on business trips to Russia. In one case a US citizen of Russian ethnicity had been visiting Moscow to attract investors in his new information technology program. The FSB clearly knew this and had offered to provide seed capital to this person in return for them being able to access and modify his IP, with a view to targeting priority foreign targets by planting a Trojan virus in the software. The US visitor was told this was common practice. The FSB also had implied significant operational success as a result of installing cheap Russian IT games containing their own malware unwittingly by targets on their PCs and other platforms.
4. In a more advanced and successful FSB operation, an IT operator inside a leading Russian SOE, who previously had been employed on conventional (defensive) IT work there, had been under instruction for the last year to conduct an offensive cyber operation against a foreign director of the company. Although the latter was apparently an infrequent visitor to Russia, the FSB now successfully had penetrated his personal IT and through this had managed to access various important institutions in the West through the back door.

5. In terms of other technical IT platforms, an FSB cyber operative flagged up the 'Telegram' enciphered commercial system as having been of especial concern and therefore heavily targeted by the FSB, not least because it was used frequently by Russian internal political activists and oppositionists. His/her understanding was that the FSB now successfully had cracked this communications software and therefore it was no longer secure to use.
6. The senior Russian government figure cited above also reported that non-state sponsored cyber crime was becoming an increasing problem inside Russia for the government and authorities there. The Central Bank of Russia claimed that in 2015 alone there had been more than 20 attempts at serious cyber embezzlement of money from corresponding accounts held there, comprising several billions Roubles. More generally, s/he understood there were circa 15 major organised crime groups in the country involved in cyber crime, all of which continued to operate largely outside state and FSB control. These included the so-called 'Anunak', 'Buktrap' and 'Metel' organisations.

Admonishments

1. The CHS's assistance and the information provided to the FBI are entirely voluntary.
2. The CHS must provide truthful information to the FBI.
3. The CHS must abide by the instructions of the FBI and must not take or seek to take any independent actions on behalf of the US Government.
4. The US Government will strive to protect the CHS's identity but cannot guarantee it will not be divulged.

Additional Admonishments

If applicable to the particular circumstances of the CHS, or as they become applicable, the following admonishments must be completed. They need not be given if they have no relevance to the CHS's situation. (For example, the immunity instruction need not be given unless there is an issue of apparent criminal liability or penalties relating to the CHS. The Attorney General's Guidelines emphasize, however, that whether or not these instructions are given, the FBI has no authority to confer immunity and that agents must avoid giving any person the erroneous impression that they have any such authority.) Indicate whether the following instructions were given:

pg 21 22

1. The FBI on its own cannot promise or agree to any immunity from prosecution or other consideration by an FPO, a state or local prosecutor, or a court in exchange for the CHS's cooperation because the decision to confer any such benefit lies within the exclusive discretion of the prosecutor or court. However, the FBI will consider (but not necessarily act upon) advising the appropriate prosecutor of the nature and extent of the CHS's assistance to the FBI. (This instruction should be given if there is any apparent issue of criminal liability or penalty.)*

☒ Yes ☐ No ☒ The Admonishment #1 field is required.

2. The CHS is not authorized to engage in any criminal activity and has no immunity from prosecution for any unauthorized criminal activity. (This instruction is not necessary for CHSs who have such authorization. This instruction should be repeated if the CHS is suspected of committing unauthorized illegal activity.)*

☒ Yes ☐ No ☒ The Admonishment #2 field is required.

3. The CHS is not an employee of the US Government and may not represent himself/herself as such. (This instruction should be given to all CHSs except under those circumstances where the CHS previously has been or continues to be otherwise employed by the US Government.)*

☒ Yes ☐ No ☒ The Admonishment #3 field is required.

4. The CHS may not enter into any contract or incur any obligation on behalf of the US Government, except as specifically instructed or approved by the FBI. (This instruction should be given to all CHSs except to those CHSs who are otherwise authorized to enter into a contract or incur an obligation on the behalf of the US.)*

☒ Yes ☐ No ☒ The Admonishment #4 field is required.

5. No promises or commitments can be made, except by the Department of Homeland Security, regarding the alien status of any person or the right of any person to enter or remain in the US. (This instruction should be provided if there is any apparent issue of immigration status that relates to the CHS.)*

☒ Yes ☐ No ☒ The Admonishment #5 field is required.

6. The FBI cannot guarantee any rewards, payments, or other compensation to the CHS.*

☒ Yes ☐ No ☒ The Admonishment #6 field is required.

(U) Appendix A: Expressions of Likelihood (or Probability)

(U) Phrases such as "the FBI judges" and "the FBI assesses," and terms such as "likely" and "probably" convey analytical judgments and assessments. The chart approximates how expressions of likelihood and probability correlate with percentages of chance.

UNCLASSIFIED

<i>Terms of Likelihood</i>	Almost No Chance	Very Unlikely	Unlikely	Roughly Even Chance	Likely	Very Likely	Almost Certain(y)
<i>Terms of Probability</i>	Remote	Highly Improbable	Improbable (Improbably)	Roughly Even Odds	Probable (Probably)	Highly Probable	Nearly Certain
	1-5%	5-20%	20-45%	45-55%	55-80%	80-95%	95-100%

(U) Unless otherwise stated, the FBI does not derive judgments via statistical analysis.

(U) **Appendix B: Confidence in Assessments and Judgments Based on a Body of Information**

(U) Confidence levels reflect the quality and quantity of the source information supporting judgment. Consequently, the FBI ascribes high, medium, or low levels of confidence to assessments, as follows:

(U) **High confidence** generally indicates the FBI's judgments are based on high quality information, from multiple sources. High confidence in a judgment does not imply the assessment is a fact or a certainty; such judgments might be wrong. While additional reporting and information sources may change analytical judgments, such changes are most likely to be refinements and not substantial in nature.

(U) **Medium confidence** generally means the information is credibly sourced and plausible but not of sufficient quality or corroborated sufficiently to warrant a higher level of confidence. Additional reporting or information sources have the potential to increase the FBI's confidence levels or substantively change analytical judgments.

(U) **Low confidence** generally means the information's credibility or plausibility is uncertain, the information is too fragmented or poorly corroborated to make solid analytic inferences, or the reliability of the sources is questionable. Absent additional reporting or information sources, analytical judgments should be considered preliminary in nature.

CHS is being closed

b7E -22

Note: Cause is defined as any grievous action by, or set of previously unknown facts/circumstances, that deem the individual not suitable for use as a CHS.

Closing for Cause is based on the facts and circumstances as determined on a case-by-case basis. Closing for Cause is a decision based on the seriousness of the violation. The following are possible reasons which may justify Closing for Cause: Unauthorized Criminal Activity, Serious control problems, Unreliable, and Violated instructions.

General Reason for Closing: Confidentiality revealed

Provide additional details:

CHS confirmed to an outside third party that CHS has a confidential relationship with the FBI. CHS was used as a source for an online article. In the article, CHS revealed CHS' relationship with the FBI as well as information that CHS obtained and provided to FBI. On November 1, 2016, CHS confirmed all of this to the handling agent. At that time, handling agent advised CHS that the nature of the relationship between the FBI and CHS would change completely and that it was unlikely that the FBI would continue a relationship with the CHS. Additionally, handling agent advised that CHS was not to operate to obtain any intelligence whatsoever on behalf of the FBI.

the CHS: [redacted] was notified of deactivation.

31	2016-03-22 02:27:23, Tue	[REDACTED]	INBOX	[REDACTED]	[REDACTED] called to check in, and after discussing further, we both sort of think it would make sense to simply nip it in the bud with all the EADs tomorrow ("I understand there been some discussion/concern about Lisa's role...") and then just discuss with Randy and/or Castor in more detail later that day. Hope you had a good weekend and are ready for [REDACTED] said he was going to reach out to you regarding an op-ed he wants to put out on the boss. I've read it and offered a few suggestions although I know Jim Rybicki is against it. Frankly I don't see that [REDACTED] discloses any inside baseball and is nothing but supportive and presents a side of the boss's humanity that I think would be good for people to see. My main concern reading it is whether it puts any of the other senior leaders in a bad position if we say they were crafted or promoted in His Image and would that somehow be held negatively against them moving forward. We have time tomorrow to chat about it during travel and I know [REDACTED] is probably less objective than most given his time with the boss.	sms	[REDACTED]	[[{"modified":0,"uniqueid":[REDACTED],"notes":"","organizations":"","numbers":""}]]

2016-09-07 01:17:47, Wed	[REDACTED]	INBOX	[REDACTED]	[REDACTED]	Happy to discuss more, but in summary, I just think we are in that period where they are making multiple revolutions and we may not have until some congressional hearing later this month to re-frame the latest building narrative. Again, just my two cents.	sms	[REDACTED]	[REDACTED]
2016-09-07 19:43:19, Wed	[REDACTED]	INBOX	[REDACTED]	[REDACTED]	Didn't get to chat much as your day was slammed, but in summary, my two cents—would definitely bring it up and head off the Friday release thing. It just looked so bad (with all due respect of course!), I think it warrants briefly explaining the interagency review process and the timing of release. It will launch us back into the news cycle, but in this case I don't think that's a bad thing because this negative narrative is currently being baked. I could be completely wrong on this.	sms	[REDACTED]	[REDACTED]

8/28/2015 11:26		INBOX			Yeah. Look, he hasn't even started the job. And it's tough to slot you again something when you're not back yet. Having you in house is absolutely going to make it easy to say hey plug you into this project.	sms

9/26/2015 8:31		OUTBOX			What a joke: \nStill, there was progress. Never before had China agreed with Mr. Obama\u2019s fundamental premise that the theft of intellectual property for commercial gain was off limits. After weeks of behind-the-scenes negotiations with the Chinese leadership, first in Beijing in late August and then with a delegation of nearly 50 senior Chinese officials who came to Washington quietly two weeks ago, Beijing agreed to wording that read: \u201cNeither country\u2019s government will conduct or knowingly support cyber-enabled theft of intellectual property, including trade secrets or other confidential business information, with the intent of providing competitive advantages to companies or commercial sectors.\u201d\n\nLimiting Security Breaches May Be Impossible Task for U.S. and China http://nyti.ms/1LchIQD	mms
9/27/2015 23:50		INBOX			Yeah, but also a little crazy. He already threw out the "if I may use a term of intelligence professionals, these are active measures" (re alleged disinformation about Russia)\n\nI think the fundamental Russian character wants an oppressive showy slightly crazy strong man...	sms

10/20/16 17:34	[redacted]	[redacted]	The [redacted] came back with a few minor questions. We're addressing now with OI. I don't think it will change pagination. Once we have those answered, I think it we can discuss the changes with Rybicki and see if the D wants to resign or send the certified copy over.	
10/20/16 17:45	[redacted]	[redacted]	Awesome! I'm headed out to DOJ in 5. Be back by 3.	
10/20/16 20:08	[redacted]	[redacted]	Was it signed?

7/21/16 13:56	[redacted]	[redacted]	I left some comments on your [redacted] on my chair. I think you are missing the point on your Clinton one. If this is your judgment [redacted] you need to be talking about knowing when to push DOJ, when to let certain issues go; when to brief the 7th floor on case developments, and how much to brief; how to balance uncovering the truth and doing it in a case which would inevitably be ve public and in a way which would maintain the citizenry's confidence.	b3 -5 b6 -1, -3 b7C -1, -3 b7E -4, -5, -8

8/2/16 19:31	[redacted]	[redacted]	Are you aware of a "tasking from the Deputy" that might have gone to Cyber today? They are desperately trying to find me for some reason. I'm not sure I know what that is...	
8/2/16 19:32	[redacted]	[redacted]	We had a brief related to the DNC hack - cyber is going up to the Hill tomorrow to brief	

8/2/16 19:32	page	moffa	But he was VERY clear in that he didn't want Cyber venturing into the CD realm, i.e., he didn't want them speculating about what the FG's INTENTIONS were.
8/2/16 19:33	moffa	page	ok. Got it. That helps to know...
8/2/16 19:33	page	moffa	Other than that, I'm not sure.

8/2/16 19:33	page	moffa	He SPECIFICALLY asked for a pre-brief, as in, with the people who would actually be giving the brief. Neither one of them (Yearwood or [redacted]) was there. 8-)
8/2/16 20:03	page	moffa	Did we ever figure out if Papadopolous is an USPER or not?

8/3/16 18:07	moffa	page	DOJ had [redacted] changes to the report that I'm having to try to input. I could outsource it but that would probably take more time. I'll hopefully have a draft to everyone soon...
8/3/16 18:15	page	moffa	Although our investigation found some evidence of potential violations of the statutes regarding the handling of classified information, [lcp1] based on a review of how these statutes have been charged in the past, the FBI did not recommend prosecution based on our assessment that the evidence was insufficient to support such a prosecution beyond a reasonable doubt.
8/3/16 22:03	moffa	page	Tomorrow we should probably talk about the other MYE-related referral status too, right? We went through that chart but then I haven't really kept up on where we left it...
8/3/16 22:03	moffa	page	You have the copy of the report and I asked [redacted] to import her redactions so we can get it to DOJ. All of their edits are incorporated.
8/5/16 17:23	moffa	page	Still might be on some level, but they've at least indicated they are going to provide some [redacted] although they haven't yet). They are going to further compartment [redacted] which is what we'll need to fill you in about...

8/8/16 16:13	moffa	moffa	I saw Pete, but the gist is, we were going to publish an article for the Director and Deputy tomorrow providing the historical context of Soviet and Russian intelligence targeting of US elections. Per the PDB staff this morning, one of [redacted] two main questions is "What has Russia done in the past." This piece was just intended to give the D and DD that context before we give it to the WH. 8/10/16 22:21		page	Just wanted to follow up on your call with DOS today. [redacted] has a 302 list which I believe we agreed to provide to DOS before we make our production to Congress. Are we still good to go with that?
8/10/16 22:22		page	Also, has there been a final decision made about whether or not we are going to do further coordination with DOS prior to the production. We will need to get going tomorrow am on final redactions, printing, copying in order to have the production ready for Friday.
8/10/16 22:23		page	Finally, the template letter (plus various inserts). Should we have those ready to be signed out by OCA (?) so that we can provide written answers at the same time we produce the documents? What steps need to happen? Is OCA finalizing the various versions of the letter?

9/9/16 14:46		page	Hey Lisa. Sorry to bug you but I hear that our data review memo went to the DAG some time ago. Is that official? Has there been any feedback? Last I remember we were cleared to review the data "as soon as practicable", soooo....
9/9/16 14:46	page		Nope, not some time ago. Last Thursday.

9/9/16 14:48	page [REDACTED]	[REDACTED]	They have questions about some of the details of how we would conduct the review, dissemination procedures, etc., which Trisha is working to get answers on.
9/9/16 14:49	page [REDACTED]	[REDACTED]	Once we have answered those questions for ourselves, I would expect we will probably be asked to sit down with the AG and DAG to discuss access (or not, if it is denied).
9/9/16 14:49	page [REDACTED]	[REDACTED]	Everyone understands the need for expedience. I actually think that is happening.
9/9/16 14:58	[REDACTED]	page [REDACTED]	OK. thanks. As long as OGC is tracking it. I mean, technically I still object to the additional questions but whatever. As long as we are getting to the end of this.

10/7/16 19:43	[REDACTED]	[REDACTED]	Hey I took the liberty of forwarding some of those WH statement emails....
10/7/16 19:43	strzol [REDACTED]	page [REDACTED]	And I have election/CH daily update for you
10/7/16 19:45	page [REDACTED]	strzol [REDACTED]	Dina said she just emailed them. i can go print them off.
10/11/16 17:04	[REDACTED]	page [REDACTED]	Lisa, we have the final draft of the [REDACTED]
10/11/16 17:05	page [REDACTED]	[REDACTED]	Okay. I texted the DD to let him know I had a couple of things to discuss with him. Unfortunately, when he responded, he was getting on a plane, so we'll be out of touch for the next 5.5 hours.
10/11/16 17:05	page [REDACTED]	[REDACTED]	so.
10/11/16 17:05	page [REDACTED]	[REDACTED]	I can call Rybicki, ask him to check in with the D.
10/11/16 17:06	[REDACTED]	page [REDACTED]	If you think that's acceptable, it might be a good thing to do; that would help us get it to the [REDACTED] more quickly
10/11/16 17:06	page [REDACTED]	[REDACTED]	Yeah, I think DD would be okay with that. Let me see if I can track down Rybicki.
10/11/16 17:06	page [REDACTED]	[REDACTED]	will let you know whether or not we connect.
10/11/16 18:19	page [REDACTED]	[REDACTED]	I heard back from Rybicki. Long and short, if I don't hear back from him by 3:00, we can launch the read copy. But let's talk about the best way to communicate that to DOJ.
10/11/16 18:44	[REDACTED]	page [REDACTED]	Ok. I'll convey that to [REDACTED]. Let me know if you would like to provide a paragraph for the e-mail to O
10/11/16 18:45	page [REDACTED]	[REDACTED]	Do you want me to just call [REDACTED]
10/11/16 18:46	[REDACTED]	page [REDACTED]	It's up to you. She's in an out of meetings all the time; if you help me with the language, I can let OI know if the existing e-mail chain (or we can call them together)
10/11/16 18:46	[REDACTED]	page [REDACTED]	*in the existing
10/11/16 19:45	[REDACTED]	page [REDACTED]	I reached out to OI. They are going to push for final approval and will circulate a final read copy when they have it.

10/13/16 14:06	page	strzok	will provide OPA with the three FBI employee 302s. If you can just provide the "problematic" State ones, that would be great.
10/13/16 14:09	strzok	page	Sending a unet email to all of you now
10/13/16 14:09	strzok	page	Does he have the name of the current SA?
10/13/16 14:13	page	strzok	He has the 302, so I presume so.
10/13/16 14:20	page	strzok	Okay, I'm just doing a smidge of work now.
10/13/16 14:20	strzok		
10/13/16 14:22	page	moffa	Hmm. Think it is doubtful that it is a relation, but I'll ask.
10/13/16 14:23	moffa	page	I'm sure there is no relation. That's who it is though just to close the loop...
10/13/16 14:23	moffa	page	I sent a big list up the chain today based on our initial analysis of the spreadsheets and who is on there

10/13/16 14:30	moffa	page	By the way, I found the thing I was referring to yesterday.
10/13/16 14:30	moffa	page

10/13/16 14:30	page	moffa	Interesting. That's when he took over as acting EAD of NSB, if I'm not mistaken.
10/13/16 14:30		moffa	
10/13/16 15:01	page	moffa	No! Andy just confirmed.
10/13/16 19:29	moffa	page	Any word on the DD's talk with the white house about the [redacted] I've acquired additional details for him when he's back to get him a better sense of what's on there.
10/13/16 20:25	page	moffa	Yes. call my desk?
10/14/16 14:23	moffa	page	Hi. No problem. I'm back until the 11am with Cyber, so just let me know when you have a minute. I just want to make sure I'm prepped for when the DD is back...
10/14/16 14:27	page	moffa	I'm here. Want to talk now?
10/14/16 14:28	moffa	page	Sure. Lync?
10/14/16 15:02	page	moffa	Just called WH Counsel's office. Now DOJ will be there, and it will be a meeting hosted at DOJ. Will let you know when I know more.
10/14/16 15:45	strzok	page	I'm going to email Stu and let him know we've gotten all the info we're going to get re [redacted] and sourcing questions
10/14/16 15:45	page	strzok	I don't think I want to go to the WH event.
10/21/16 17:28			It's all over the news that among John Podesta's hacked gmails are ones between him and Obama going back to at least 2008. I wonder if the Obama email account is this same Yahoo account that [redacted] is now talking about?
10/21/16 17:28			Seems like a good question for the 7th Floor to handle...

12/22/16 22:03	page	moffa	that's my best guess re conflict.

12/27/16 19:03	moffa	page	Do you know if the D mentioned anything specific to the DD that he wanted included from past Russian activity here in the US during elections? We looked and the existing section on pgs. 9-10 covers most of the high points (it is essentially the PDB we wrote a couple of months ago), but we didn't know if there was something specific he was looking for. We can suggest more details but I'm not sure its going to change the meaning much...

3/13/17 21:50	page	strzok	Depends on the question.

3/13/17 21:52	strzok	page	[redacted] Trisha may know all of this but she hasn't told anyone. At least, no one actually working it.
3/14/17 18:42	strzok	page	And now they're getting into request to SSCI/HPSCI....where Jim and Trisha would be helpful...

3/14/17 18:45	strzok	page	Where would we stand on just telling SSCI/HPSCI that GSA may have information of interest to them?
3/14/17 18:55	page	strzok	Not sure where the request to notify HPSCI came from. I think DD's idea, no?
3/14/17 18:56	page	strzok	If not him, Baker suggested it to him.

3/24/17 19:11	page	page	rando question. Are you [redacted] working the Russia stuff with HPSCI? Don't need/want specifics.
			Hey so I may miss you the rest of the morning - Greg mentioned wanting to talk because SSCI looking for guidance in their investigation. 3/30/17 13:48	page	page	I'm free all morning, but my afternoon is a little tight.
3/30/17 13:48	page	page	Jim Baker advised SSCI (during an unrelated call) that FBI has determined that we don't have equities in the [redacted] and we defer to our sister agency. Is that consistent with your understanding?
3/30/17 19:58	beers	page	
3/31/17 17:20	strzok	page	From The Hill:
3/31/17 17:23	strzok	page	AG Sessions "indicated Thursday evening that the Trump administration would pursue criminal charges to end alleged leaks from U.S. agencies. 'I expect that we'll get to the bottom of some of this,' Sessions said during an interview on Fox News' 'The O'Reilly Factor'....'It's not right. We've never seen this kind of leaking,' Sessions continued. 'It's almost as if people think they have a right to violate the law. This has got to end and it will probably take some convictions to put an end to it.'"
4/5/17 13:41	page	page	Also, I now have to go to the weekly A/DAG briefing re Crossfire. It's scheduled 1015-1045, but it has run late the past couple of times.
4/5/17 14:06	page		Can you come to the 11 prep with Baker?? [redacted] might not make it back from Crossfire in time.

D's testimony referenced Clinton's emails going to "Anthony Weiner" and did not say Weiner's computer. I dont know any aspect of the case, but all prior reporting was that it was on his computer, which he shared with his wife who advised HRC (and thus that made sense). thought it was peculiar at the time, and now press is off and running with it. Just wanted to highlight in case that was a misstatement by the Director (something i know he almost never makes) - again just in case; takeaway is that emails were being forwarded to weiner's account essentially.

Per the PDB staff this morning, one of [redacted] two main questions is "What has Russia done in the past." This piece was just intended to give the D and DD that context before we give it to the WH. Trainor apparently ordered CyD to pull their info out [redacted] I'll send it to you both on the high side. [redacted]

2016-07-12 14:20:35	[REDACTED]	[REDACTED]	Unfortunately, I have a meeting at 10:30 and 11:45. Want to catch up at noon or before the 1?
2016-07-12 14:21:28	[REDACTED]	[REDACTED]	Also, gathering some facts for the meeting tomorrow with the DD. I took [REDACTED] email as a tasking for OCA (at this point).
2016-07-12 14:32:49	moffa [REDACTED]	[REDACTED]	They have a tasking to make a binder summarizing the questions, but doesn't OGC have the ticket on telling him tomorrow what our plan/obligations are for how to answer them? That was my understanding, right?
2016-07-12 15:30:23	strzok [REDACTED]	[REDACTED]	[REDACTED] is going. We talked earlier, and are on the same page. While we shouldn't be doing a damage assessment, we need to do some assessment and mitigation work. It's similar to Snowden that way...

2016-08-15 13:53:05	[REDACTED]	strzok [REDACTED]	Pete, OPA called this AM about DOJ and/or FBI providing our FBI HRC interview notes to Congress. [REDACTED] wanted to know how OPA should respond if contacted by media outlets. OPA would prefer having a prepared response which indicates we did, did not, or are planning to release the note and to whom.
2016-08-15 14:30:45	strzok [REDACTED]	[REDACTED]	Short answer is we are not providing interview notes. What we want to say publically about that is a different matter. Would you ask [REDACTED] to send an email to the MYE distro list she (the one where Rybicki and Lisa Page are cced) has asking the question? Thanks

			At this time, Flynn interjected, "I did SIGINT." Writer responded that he could then appreciate what our country can do technically to exploit a Tier 1 target and we must extrapolate a Foreign intelligence Service could do the same to us. Trump then stated, "Yes I understand its a dark time. Nothing is safe on computers anymore. We used to lock things in a safe in a room, now anyone can get in."

2016-09-23 18:25:52	strzok		Any updates before I walk upstairs? (eg [REDACTED] positive contact, CG cyber stuff?)
2016-09-23 19:49:17		strzok	however, this is a cut and paste from CG at 3PM for you guys: Miami followed up this morning with [REDACTED] who confirmed that the [REDACTED] domain is an old domain that was set up in approximately 2009 when they were doing business with Trump Organization that was never used. They released the domain via GoDaddy to the Trump Organization over a year ago; however, the DNS tables were not updated and that domain still pointed to [REDACTED] servers. As of this afternoon, a WHOIS look-up revealed that the [REDACTED] no longer resolves to [REDACTED], indicating they likely updated their DNS tables after the FBI informed them of the oversight. This email domain is no longer pointing to any active mail server. [REDACTED] provided reviewed a picture of a Barracuda (spam filter) service connected to server [REDACTED]. The information displayed by the Barracuda spam filter for [REDACTED] indicates that during an unspecified time period, 15 inbound emails were received, 1 was allowed to pass through the filter, and 1 outbound email was marked as spam and blocked. The information provided only reflects email smtp traffic, and we have requested that Miami obtain logs for the email server on which the domain was residing to identify whether or not there was any other traffic (non-smtp) that indicates malware or another [REDACTED] (including the alleged DNS queries) residing on the server. [REDACTED] I will send updates if we receive any pertinent traffic coming from [REDACTED].

			Let's talk. I think our anticipation is he has visibility into a conversation about the Russian offer of help (and I'd be willing to bet if he talks, he fingers Page or Manafort), and the great majority of what we're seeing him doing is with [REDACTED] - his meetings, his alleged clandestine activity, working towards the [REDACTED] everything else. Plus, we decided on it a few weeks ago - though I'm not sure why that message never got to [REDACTED], inasmuch as my guys had some frustration that he continues to reach out to [REDACTED] - and I don't want to switch up on the literal day of the interview. Maybe see what he has to say and consider then? As far as a hole, I told [REDACTED] and [REDACTED] yesterday, I expected them to be sharing everything about him with [REDACTED]

2017-04-26 15:22:30	strzok		Specific allegation was that Manafort was recruited and paid by RIS to infiltrate the Trump campaign.
2017-04-26 15:22:40	strzok		Except for that last part, seems a lot like the report he gave us
2017-05-09 15:05:44		strzok	Ok after looking, getting a number (even an approximate one) will be tough because (1) there's multiple people [redacted] and [redacted] namely), (2) a lot of datasets (HA Open Net, Datto Backups, etc), and (3) often a back and forth discussion after the initial Forward for a print, and (4) sometimes HRC isn't on the chain but it's obvious she is the recipient. However, in just HA's open net (so this wouldn't even include huma [redacted]) there are hundreds of emails back and forth with [redacted] that contain the word "print."
2017-05-09 15:06:27		strzok	Huma also made the following statements: "ABEDIN was shown an email dated June 23, 2011 with subject [redacted] print." After reviewing the email, ABEDIN stated she did not recall the specific email but would often forward emails to her email account so [redacted] could print the forwarded email for Secretary Clinton to view in hardcopy at her residence in Whitehaven." (Interview 2)
2017-05-09 15:07:42		strzok	and "ABEDIN provided that the team would also occasionally email things to [redacted] or [redacted] to print for CLINTON." (Interview 1)
2017-05-09 18:35:32		strzok	Read it again, and I assume you may not want to get too in the weeds, but my only thought is the statement could be tweaked to clarify attribution (i.e., Backups of HA's emails and forwards to AW's email). I think these group of 50 emails fall into a mix of coming from AW backups and emails just residing on the computer in his outlook (but we could have to check with OTD)
2017-05-09 18:41:25		strzok	So the names of the backups we assessed (based on texts with HRC/emails with no AW) are as follows: BB Bold 9700 2/3/13, BB Bold 2/10/13, BB Curve 9360 2/6/13 oh, one more thing, it appears that the new agency person on 7 is looking for the [redacted] ...not sure what that is, but [redacted] was told you had a copy.

2017-05-15 19:25:27		strzok	[redacted] I am told he did not want to meet on [redacted]. Will make it right. [redacted] may wait until next week to allow PC squad to get everything in order. I will meet with PC Section today. Copy re: Page, think that was more for squad to get legal questions out of the way.

2017-05-23 12:49:22	strzok		OK. Couple of things about [redacted] hopefully this all gets translated. 1) SSCI wants to talk to [redacted] about him. Following the trip, FLYNN and SERGUN continued their relationship on at least one occasion through video teleconference (VTC) and were planning a visit for SERGUN to travel to the United States on February 28, 2014. Russia invaded Crimea in the weeks prior to SERGUN's planned trip, SERGUN's trip was cancelled, and FLYNN had no further contact with the GRU Director. FLYNN described SERGUN as having common ground with FLYNN in that they had similar backgrounds, their sons were the same age, and they had a connection in fighting terrorism. SERGUN had scars from Chechnya and they shared stories about Afghanistan. FLYNN stated he called Ambassador KISLYAK following SERGUN's death in

Lebanon early last year to express his condolences. FLYNN described SERGUN as someone the U.S. could work with. FLYNN said he was not really part of the TRUMP campaign at the time of this call to KISLYAK.

(U) ~~XXXXXX~~ FLYNN stated his second trip to Russia, after he left U.S. government service, had received so much press attention that "it [was] unbelievable." As background, FLYNN explained that he was never paid directly by media entities, however, he had been a contributor to a variety of media entities including Al Jazeera, Russia Today (RT), Sky, and MSNBC. FLYNN received a request from his speakers bureau, Leading Authorities (LAI), to speak about Middle East issues at the RT 10th Anniversary reception in Moscow. FLYNN was paid for the speech by LAI. FLYNN did not know from whom LAI received payment. FLYNN met with KISLYAK at the Russian Ambassador's residence next to the University Club prior to this trip to Russia. The visit was a courtesy call to the Ambassador prior to his trip, and FLYNN took his son with him to this meeting. The meeting occurred in the mid-afternoon. In addition, FLYNN received a DIA threat briefing prior to the travel.

(U) ~~XXXXXX~~ Prior to the Presidential inauguration, FLYNN spoke to multiple representatives in each of approximately thirty countries' governments. FLYNN stated the only exception to that practice was Russia, in that FLYNN had substantive conversations only with KISLYAK, and no other members of the Government of Russia. FLYNN's interest in Russia was as a common partner in the war on terror. FLYNN does not know if PUTIN and TRUMP will get along, but it is FLYNN's job to figure out paths to work with Russia to fight terrorism. FLYNN named the primary threats to the U.S. as the "four plus one:" China, Russia, Iran, North Korea and ISIS. FLYNN stated if the U.S. could neutralize one of the four, or even better, leverage their cooperation fighting a common enemy such as terrorism, that would be a success for U.S. national security.

(U) ~~XXXXXX~~ Sometime prior to Christmas, 2016, the Russian Ambassador to Turkey was assassinated. FLYNN called KISLYAK the next day to say he was sorry and to reinforce that terrorism was our common problem. FLYNN noted that it was a short call, and "that was it." On Christmas Day, a Russian military plane crashed and killed all on board to include what was the equivalent to the "Russian USO;" it was the same Russian choir that sang at the RT event. FLYNN called KISLYAK to pass his condolences, as his intent was to try to keep the relationship with KISLYAK going. FLYNN expanded that he has no particular affinity for Russia, but that KISLYAK was his

counterpart, and maintaining trusted relationships within foreign governments is important.

(U) ~~XXXXXXXXXX~~ Shortly after Christmas, 2016, FLYNN took a vacation to the Dominican Republic with his wife. On December 28th, KISLYAK sent FLYNN a text stating, "Can you call me?" FLYNN noted cellular reception was poor and he was not checking his phone regularly, and consequently did not see the text until approximately 24 hours later. Upon seeing the text, FLYNN responded that he would call in 15-20 minutes, and he and KISLYAK subsequently spoke. The Dominican Republic was one hour ahead of the time in Washington, D.C. During the call, KISLYAK asked FLYNN to set-up a VTC between President-elect TRUMP and Russian President PUTIN on January 21st. In addition, FLYNN and KISLYAK discussed the U.S. sending an observer to a terrorism conference in Astana, Kazakhstan, that would be attended by Russia, Turkey, Iran and Syrian opposition groups. FLYNN stated he did not respond back to KISLYAK about the conference until probably this week. FLYNN did not make the decision on who would represent the U.S. until the 20th or 21st of January, and finally determined an observer from the U.S. Embassy in Astana would attend. FLYNN noted Russia wanted to take the lead for peace in the Middle East, but the U.S. needed to be the leader, particularly to keep Turkey under the U.S.'s wing. FLYNN added there was a complete lack of engagement from the prior administration.

(U) ~~XXXXXXXXXX~~ The interviewing agents asked FLYNN if he had any other text, email, or personal meetings with KISLYAK or other Russians. FLYNN volunteered that after the election, he had a closed door meeting with KISLYAK and Jared KUSHNER at Trump Tower in New York City. KISLYAK was in New York to meet with his diplomats, and the three had a relatively sensitive meeting. FLYNN was a late addition to the meeting and did not participate in setting it up. FLYNN believed the meeting took place before Thanksgiving but was unsure of the date. FLYNN explained that other meetings between the TRUMP team and various foreign countries took place prior to the inauguration, and were sensitive inasmuch as many countries did not want the then-current administration to know about them. There were no personal relationships between the leaders of many countries and the prior administration. FLYNN stated that he and personnel from the incoming administration met with many countries "to set expectations for them, and the expectations were set very high."

(U) ~~XXXXXXXXXX~~ The interviewing agents asked FLYNN if he recalled any discussions with KISLYAK about a United Nations (UN) vote surrounding the issue of Israeli settlements. FLYNN quickly

responded, "Yes, good reminder." On the 22nd of December, FLYNN called a litany of countries to include Israel, the UK, Senegal, Egypt, maybe France and maybe Russia/KISLYAK. Part of the reason for FLYNN's calls was to conduct an exercise to see how fast the incoming administration could get someone on the line. FLYNN likened it to a battle drill to see who the administration could reach in a crisis. The exercise was conducted at the campaign's GSA transition building on 18th and I Streets N.W., which FLYNN described as a somewhat chaotic environment. FLYNN stated he conducted these calls to attempt to get a sense of where countries stood on the UN vote, specifically, whether they intended to vote or abstain.

(U) ~~SECRET//NOFORN~~ The interviewing agents asked FLYNN if he made any request of KISLYAK to vote in a particular way or take any action. FLYNN stated he did not. FLYNN stated he did not believe his calls to the various countries would change anything. FLYNN recalled there needed to be a certain number of abstention votes to alter the outcome, and that having looked at the math at the time, he knew it could not be achieved. FLYNN said 14 countries were voting, and had a recollection of the number of five votes being important. In the end, only the U.S. abstained. FLYNN stated his calls were about asking where countries would stand on a vote, not any requests of, "hey if you do this."

(U) ~~SECRET//NOFORN~~ The interviewing agents asked FLYNN if he made any comment to KISLYAK about voting in a certain manner, or slowing down the vote, or if KISLYAK described any Russian response to a request by FLYNN. FLYNN answered, "No." FLYNN stated the conversations were along the lines of where do you stand, and what's your position. FLYNN heard through other channels that Egypt did not like the vote, and believed the Egyptians of their own accord delayed the vote a day. FLYNN again stated that he appreciated the interviewing agents reminding him that he had another conversation with KISLYAK.

(U) ~~SECRET//NOFORN~~ The interviewing agents asked FLYNN if he recalled any conversation with KISLYAK surrounding the expulsion of Russian diplomats or closing of Russian properties in response to Russian hacking activities surrounding the election. FLYNN stated that he did not. FLYNN reiterated his conversation was about the PUTIN/TRUMP VTC and the "Astana thing" (the Kazakhstan conference described earlier). FLYNN noted he was not aware of the then-upcoming actions as he did not have access to television news in the Dominican Republic and his government BlackBerry was not working.

(U) ~~(S//NF)~~ The interviewing agents asked FLYNN if he recalled any conversation with KISLYAK in which the expulsions were discussed, where FLYNN might have encouraged KISLYAK not to escalate the situation, to keep the Russian response reciprocal, or not to engage in a "tit-for-tat." FLYNN responded, "Not really. I don't remember. It wasn't, 'Don't do anything.'" The U.S. Government's response was a total surprise to FLYNN. FLYNN did not know about the Persona Non-Grata (PNG) action until it was in the media. KISLYAK and FLYNN were starting off on a good footing and FLYNN was looking forward to the relationship. With regard to the scope of the Russians who were expelled, FLYNN said he did not understand it. FLYNN stated he could understand one PNG, but not thirty-five.

(U) ~~(S//NF)~~ The interviewing agents asked FLYNN if he recalled any conversation with KISLYAK in which KISLYAK told him the Government of Russia had taken into account the incoming administration's position about the expulsions, or where KISLYAK said the Government of Russia had responded, or chosen to modulate their response, in any way to the U.S.'s actions as a result of a request by the incoming administration. FLYNN stated it was possible that he talked to KISLYAK on the issue, but if he did, he did not remember doing so. FLYNN stated he was attempting to start a good relationship with KISLYAK and move forward. FLYNN remembered making four to five calls that day about this issue, but that the Dominican Republic was a difficult place to make a call as he kept having connectivity issues. FLYNN reflected and stated he did not think he would have had a conversation with KISLYAK about the matter, as he did not know the expulsions were coming. FLYNN stated he did not have a long drawn out discussion with KISLYAK where he would have asked him to "don't do something."

May 10, 2017

At approximately 10:00 am on May 10, 2017, I received a call from the President on my unclassified office line [REDACTED].

The purpose of the call (which we got to about half way through the call) was to ask if I thought the President should come to FBI headquarters to make a speech to our employees. I told him he was welcome to visit FBI headquarters any time he wanted. He asked me to come to the White House later in the day to discuss the possibility of his visit. We agreed to meet at 2:00pm.

The President stated that he thought many FBI employees were happy about Director Comey's termination. He told me that he had received "hundreds" of messages from FBI employees indicating their support for his decision to fire the director. He asked several times if I thought people were happy and what was the general state of mind. I said that many people were surprised but that we were trying to get back to work, and that we had several meetings already this morning. The President opined that most of the FBI likely voted for him, and estimated that at least 80% of the workforce supported him.

The President again asked if I knew that Director Comey told him three times that he was not under investigation. I told him I was aware of that.

The President stated that he did not believe that Director Comey should have taken the FBI plane to return to Virginia from Los Angeles last night. I said that we had checked with our attorneys and were told that there was no problem with the Director returning to Virginia on the plane. I also said that in light of our obligation to continue providing a protection detail, and the fact that the detail was travelling back on the plane, it made sense to have the Director travel with them. The President repeated that he should not have used the plane and he asked me to look into it.

The President asked if Director Comey would be allowed into FBI headquarters to retrieve his personal belongings, and then stated that he did not believe that should be allowed. I told him that we would have the Director's Chief of Staff collect his personal property and we would see that it was returned. The President repeated that he did not want Director Comey in the building.

The President asked how my wife handled losing her campaign for Virginia State Senate in 2015, and stated that the loss must have been tough. I said losing anything is tough, but that she simply returned to her very active schedule of responsibilities as a pediatric emergency room physician and hospital administrator.

The President closed the call by saying that he thought I would do a good job and that he had a lot of faith in me.

On May 10, at 2:00 pm, I arrived at the White House to meet with President Trump in the oval office. Also present for the meeting were Chief of Staff Reince Priebus and White House Counsel Donald McGahn.

The President began by commenting that it had been a great decision to fire Director Comey because so many people hated him. He told me that many people were saying how much they did not like Director Comey, and that that they were saying this to the White House and to the media. He asked if I had seen that and I indicated that I had not. He stated, almost in the form of a leading question, that there was

UNCLASSIFIED//~~FOUO~~

great dislike for Director Comey in the FBI, and asked if I thought people were glad he was gone. I said that we there were some folks who were frustrated last summer with the outcome of the Clinton email investigation, and I offered that it was possible that some of them might now be glad the Director had been fired. I suggested this as a possible explanation for what the President claimed to have perceived, but I had no personal evidence of people being happy about the Director's departure.

The President stated that he wanted to come to the FBI to see people and excite them and show them how much he loves the FBI. He asked if I thought he should come over for a visit and I told him that he should come to the FBI whenever he wanted, and that he was always welcome. He pressed me to answer whether I thought it was a good idea for him to come and I said it was always a good idea to visit his people at the FBI. He pressed further by asking specifically if I thought he should come over now, which I understood to mean in the near future. I said, "Sure." He then asked Don McGahn if he thought the President should come to the FBI and McGahn said, "If the Acting Director of the FBI is telling you he thinks it is a good idea for you to visit the FBI, then you should do it." The President looked at me and asked if that was what I was saying, did I think it was a good idea? I said yes. At the time I felt that the President and his staff wanted to schedule a visit, but that they wanted it to be at my invitation. I had great concerns about how the President would be received by the people at FBI Headquarters in light of the still raw emotions surrounding the Director's firing the day before. But in light of the insistence of his questions, and the President's prerogative to visit any Executive Branch entity, I thought it would not be appropriate to tell him not to come.

The President stated that people in the FBI loved him and that they all supported him. He stated that most of the FBI probably voted for him, and then estimated that at least 80% of the FBI voted for him. The President then asked me who I voted for. Not sure how to answer, I stated that I, "always played it right down the middle." I did not share with him that I did not vote in the 2016 presidential election, due to the investigations I was involved in at the time.

The conversation then turned to logistics around the President's visit. We discussed selecting a day for the President's visit, which we agreed would be Friday, May 12. The President asked me to have my staff work with his to coordinate a joint message. He said that he wanted me to promote the visit internally as much as I could. I offered that a speech in the courtyard would hold the largest crowd, and he asked that we make sure it was filled. We shook hands and I was dismissed.

Tuesday, May 16, 2017

At 12:30 pm on 05/16/2017, I met with Deputy Attorney General (DAG) Rod Rosenstein in his office at the Department of Justice. Also present were Tashina Gauhar and Jim Crowell. The following is a contemporaneous recollection of the main topics we discussed.

I began by telling him that today I approved the opening of an investigation of President Donald Trump. I explained that the purpose of the investigation was to investigate allegations of possible collusion between the president and the Russian Government, possible obstruction of justice related to the firing of FBI Director James Comey, and possible conspiracy to obstruct justice. The DAG questioned what I meant by collusion and I explained that I was referring to the investigation of any potential links between the Trump campaign and the Russian government. I explained that counterintelligence investigations of this sort were meant to uncover any the existence of any threat to national security as well as whether or not criminal conduct had occurred. Regarding the obstruction issues, I made clear that our predication was based not only on the president's comments last week to reporter Lester Holt (that he connected the firing of the director to the FBI's Russia investigation), but also on the several concerning comments the president made to Director Comey over the last few months. These comments included the President's requests for assurances of loyalty, statements about the Russia investigation and the investigation of General Michael Flynn. I also informed the DAG that Director Comey preserved his recollection of these interactions in a series of contemporaneously drafted memos. Finally, I informed the DAG that as a result of his role in the matter, I thought he would be a witness in the case.

The DAG then related his experiences at the White House on Monday, 05/08/2017. He began by stating that he had the feeling that the decision to fire the Director had been made before he arrived. At the White House, he first met with White House Counsel Donald McGahn, who told him that the President had drafted a letter to Director Comey that McGahn did not want the President to send. Shortly thereafter they met with the President and Attorney General Jeff Sessions, and possibly others, in the Oval Office. President Trump told the DAG he had written a letter to Director Comey, asked the DAG if he had seen the letter, and instructed McGahn to provide the DAG with a copy. The DAG described the letter to me as being a long list, possibly several pages, of the President's complaints with Director Comey. Among those complaints was a discussion about the FBI's Russia investigation, as well as a paragraph about the FBI Deputy Director. The DAG indicated to me that he retained a copy of the President's letter. The DAG said he told the President [redacted]

[redacted] The President then directed the DAG to write a memo explaining the reasoning for Director Comey's termination and that the DAG should include Russia. The DAG said to the President he did not think this was a good idea and that his memo did not need to include Russia. The President replied that he understood, but that he was asking the DAG to include Russia anyway. As our conversation continued the DAG proposed that he could potentially wear a recording device into the Oval Office to collect additional evidence on the President's true intentions. He said he thought this

might be possible because he was not searched when he entered the White House. I told him that I would discuss the opportunity with my investigative team and get back to him.

We discussed the issue of appointing a Special Counsel to oversee the FBI's Russia investigation. The DAG said he has two candidates ready, one of whom could start immediately. [REDACTED]

[REDACTED] The DAG said that he left a copy of the delegation with Acting Assistant Attorney General for National Security Dana Boente to execute in the DAG's absence if the DAG were suddenly removed from his position. [REDACTED]

b5 per DOJ/OIP

[REDACTED] He anticipated that he may be terminated when he puts the Special Counsel in place, in light of the president's anger with AG Sessions when the AG recused himself from the Russia investigation. The DAG further stated that he was told that others heard the President tell the AG "you were supposed to protect me."

b5 per DOJ/OIP

The DAG related to me that on Sunday, 05/14/2017, the AG asked him to participate in the interview of Sec. Kelly for the position of FBI Director. [REDACTED]

The DAG told me that he informed the AG that I should remain in my role as Acting Director until the permanent Director was chosen. The DAG opined that my only "problem" was that some people believe that I was involved in my wife's 2015 campaign for State Senate in Virginia. The DAG said it was a "credibility problem" because after having told him during my May 13 interview that I played no role in her campaign and attended no campaign events, the DAG said a staffer had provided him with a photograph found on the internet of me and my wife wearing Dr. Jill McCabe campaign t-shirts. The DAG suggested that this photograph contradicted my statement that I had not campaigned for my wife. I pointed out to the DAG that the photograph he saw was taken not at a campaign event, but rather at [REDACTED]. I further informed the DAG that I confirmed with my ethics counsel at FBI that the Hatch Act does not prohibit wearing a campaign button or shirt away from the office, and that attending [REDACTED] wearing such a shirt does not constitute proscribed political activity.
